

NOTICE OF CONSULTATION

ENVIRONMENTAL SCREENING PROCESS

Electric Arc Furnace Dust Recycling Facility and Zinc Manufacturing Facility

On Thursday, February 3 2022 at 2:00 pm (EST), GFL Environmental Services Inc. (formerly Terrapure Environmental) is hosting a public consultation via Microsoft Teams regarding the proposed Brant Street Electric Arc Furnace Dust Recycling and Zinc Manufacturing Facility (for more information on this project visit gflenv.com/brant-street/brant-street-community/). During the consultation, steps 1 through 4 of the Environmental Screening Process will be discussed followed by an opportunity for your questions and feedback.

If you wish to participate in the consultation, email rlagani@gflenv.com to be added to the attendance list.

Thank you,

A handwritten signature in blue ink that reads 'R. Lagani'.

Rich Lagani,
Environmental Affairs Advisor
