Note: Non-detects are marked with a filled circle.

2-Hexanone in Select Wells Zion Landfill

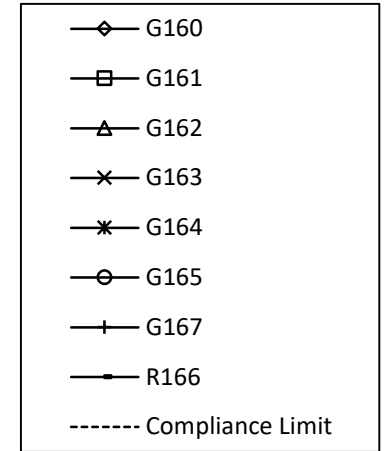

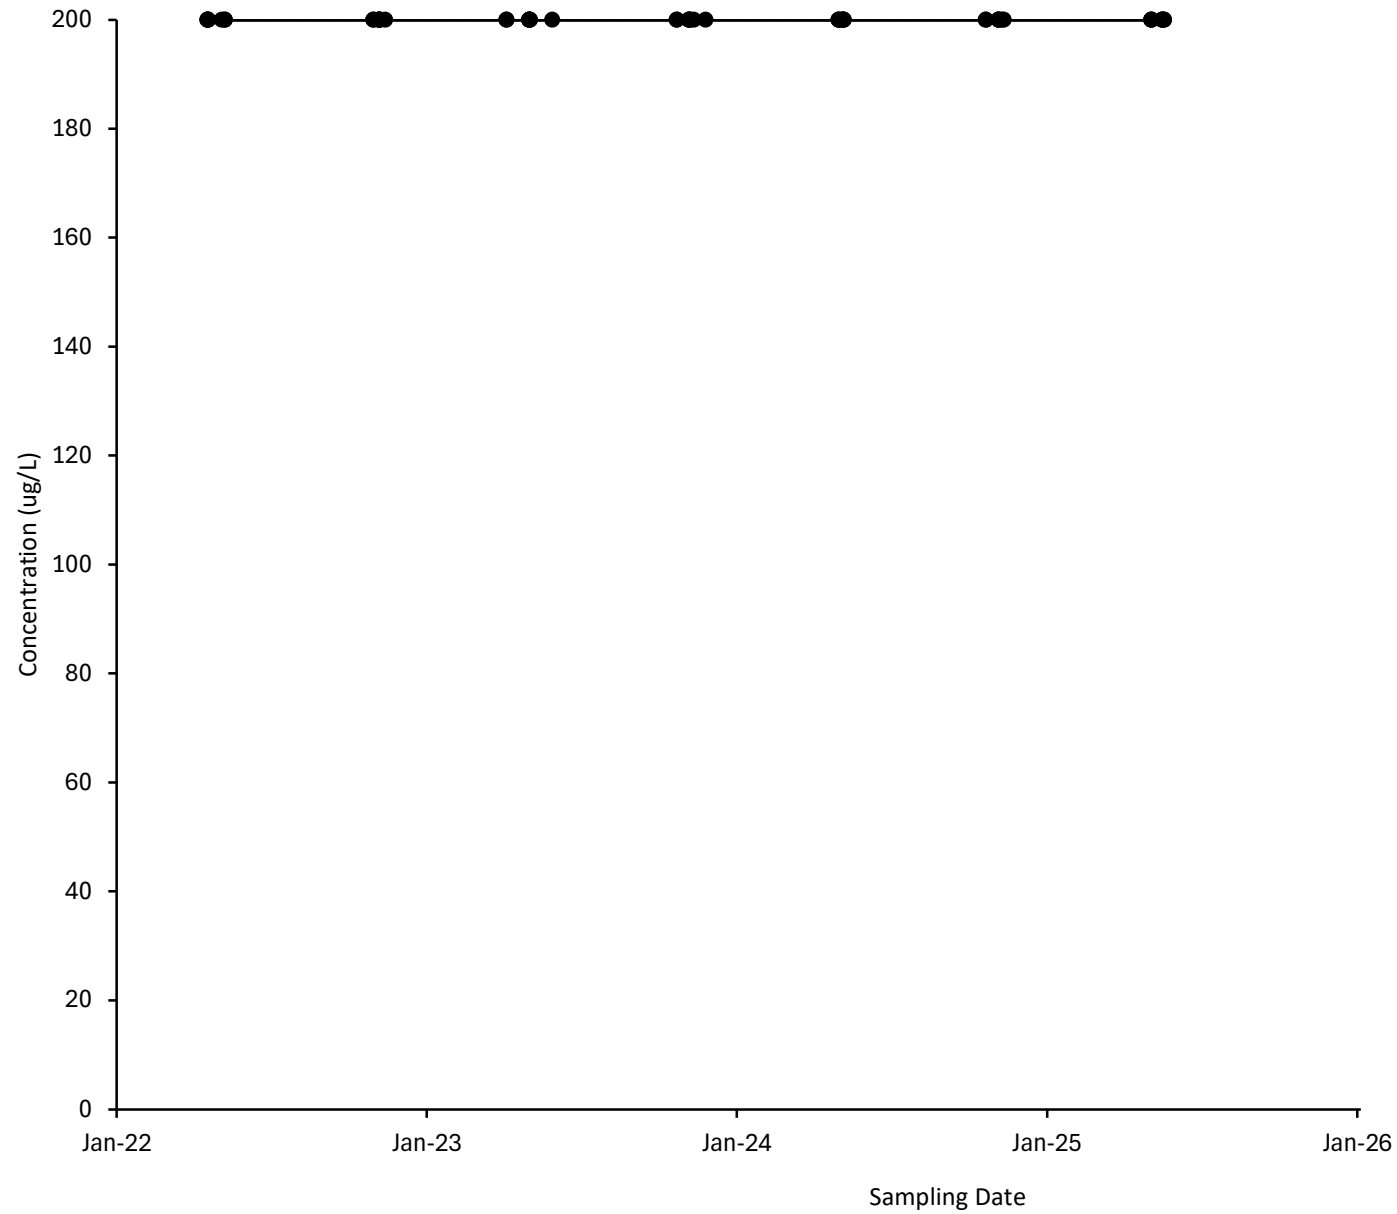

Note: Non-detects are marked with a filled circle.

Acetone in Select Wells
Zion Landfill

Note: Non-detects are marked with a filled circle.

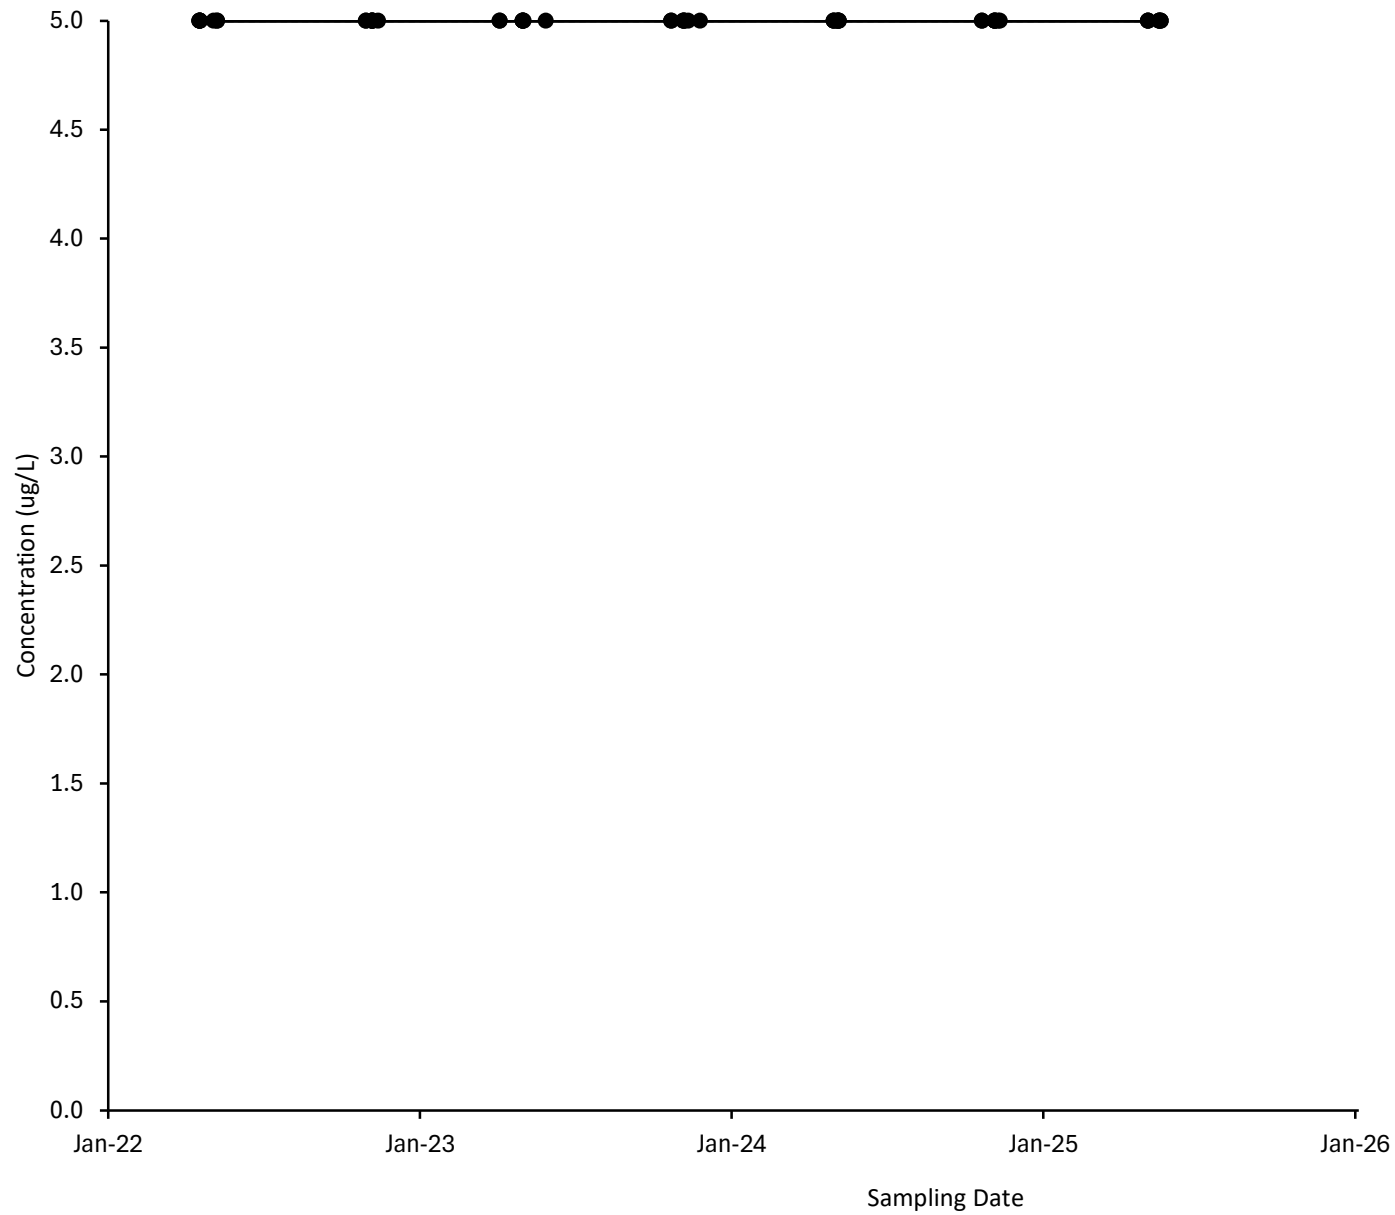

Acrylonitrile in Select Wells
Zion Landfill

Note: Non-detects are marked with a filled circle.

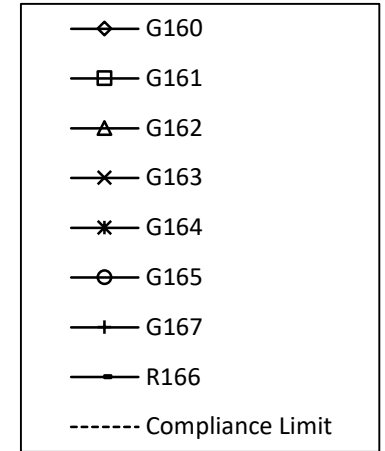

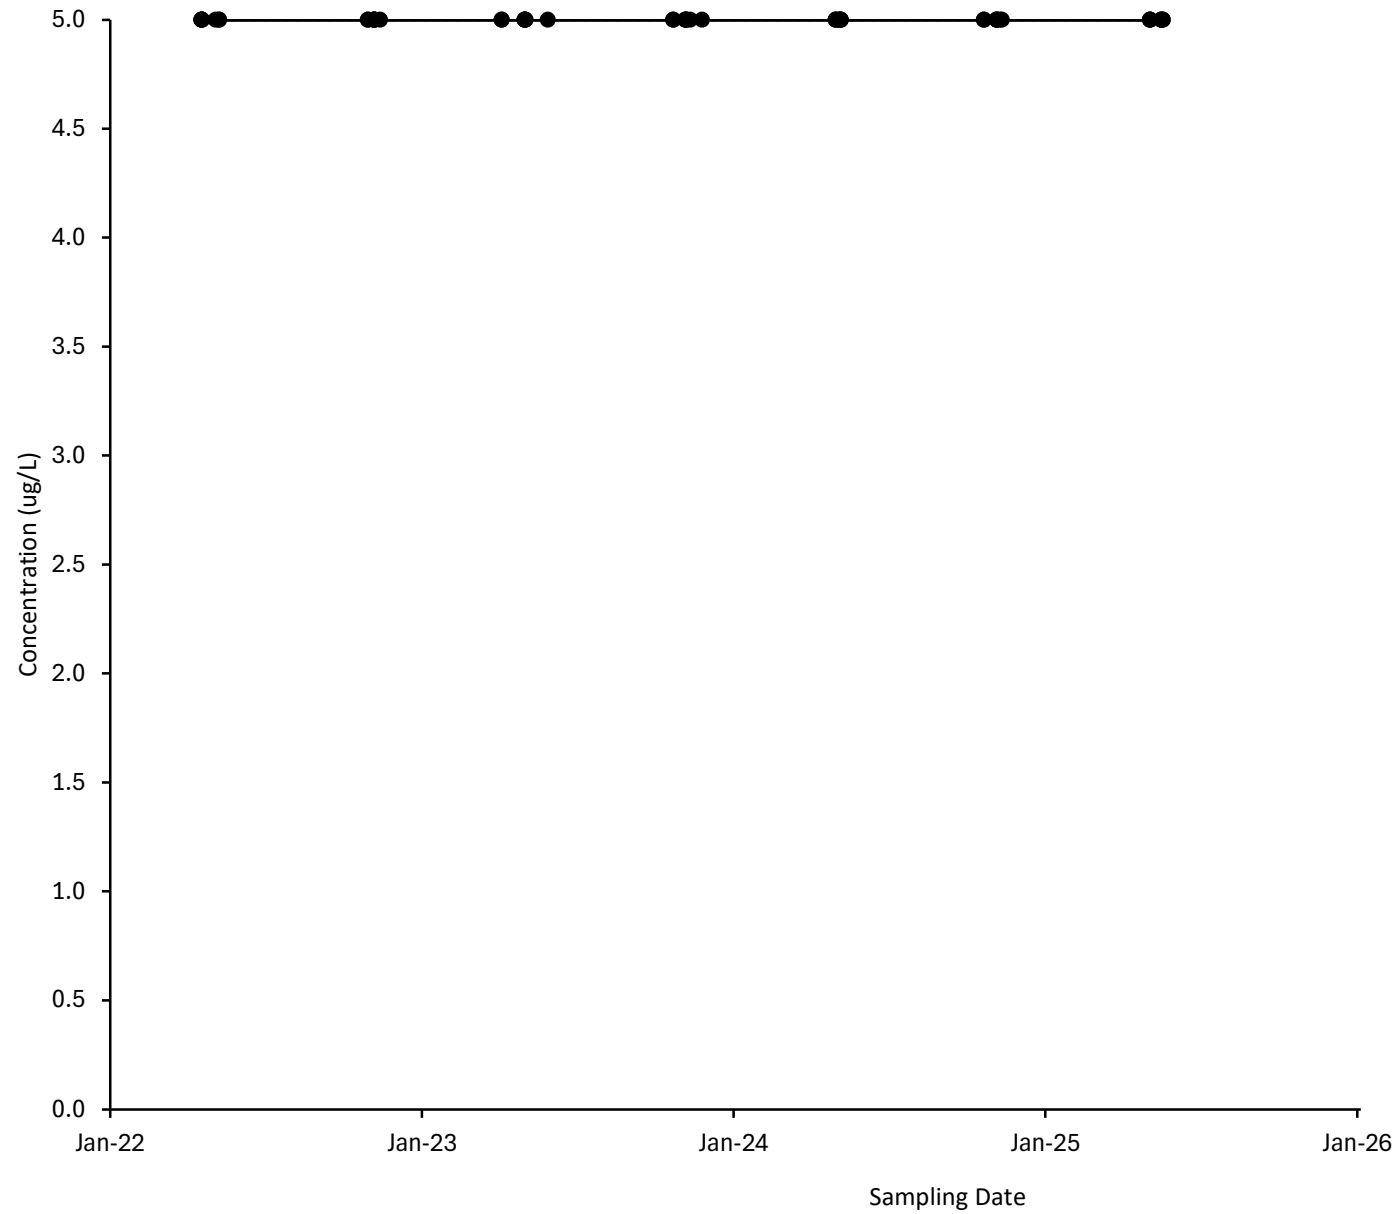

Benzene in Select Wells

Zion Landfill

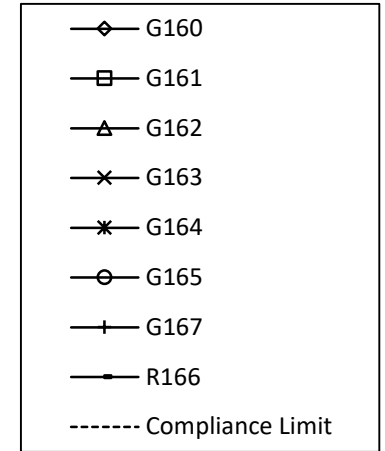

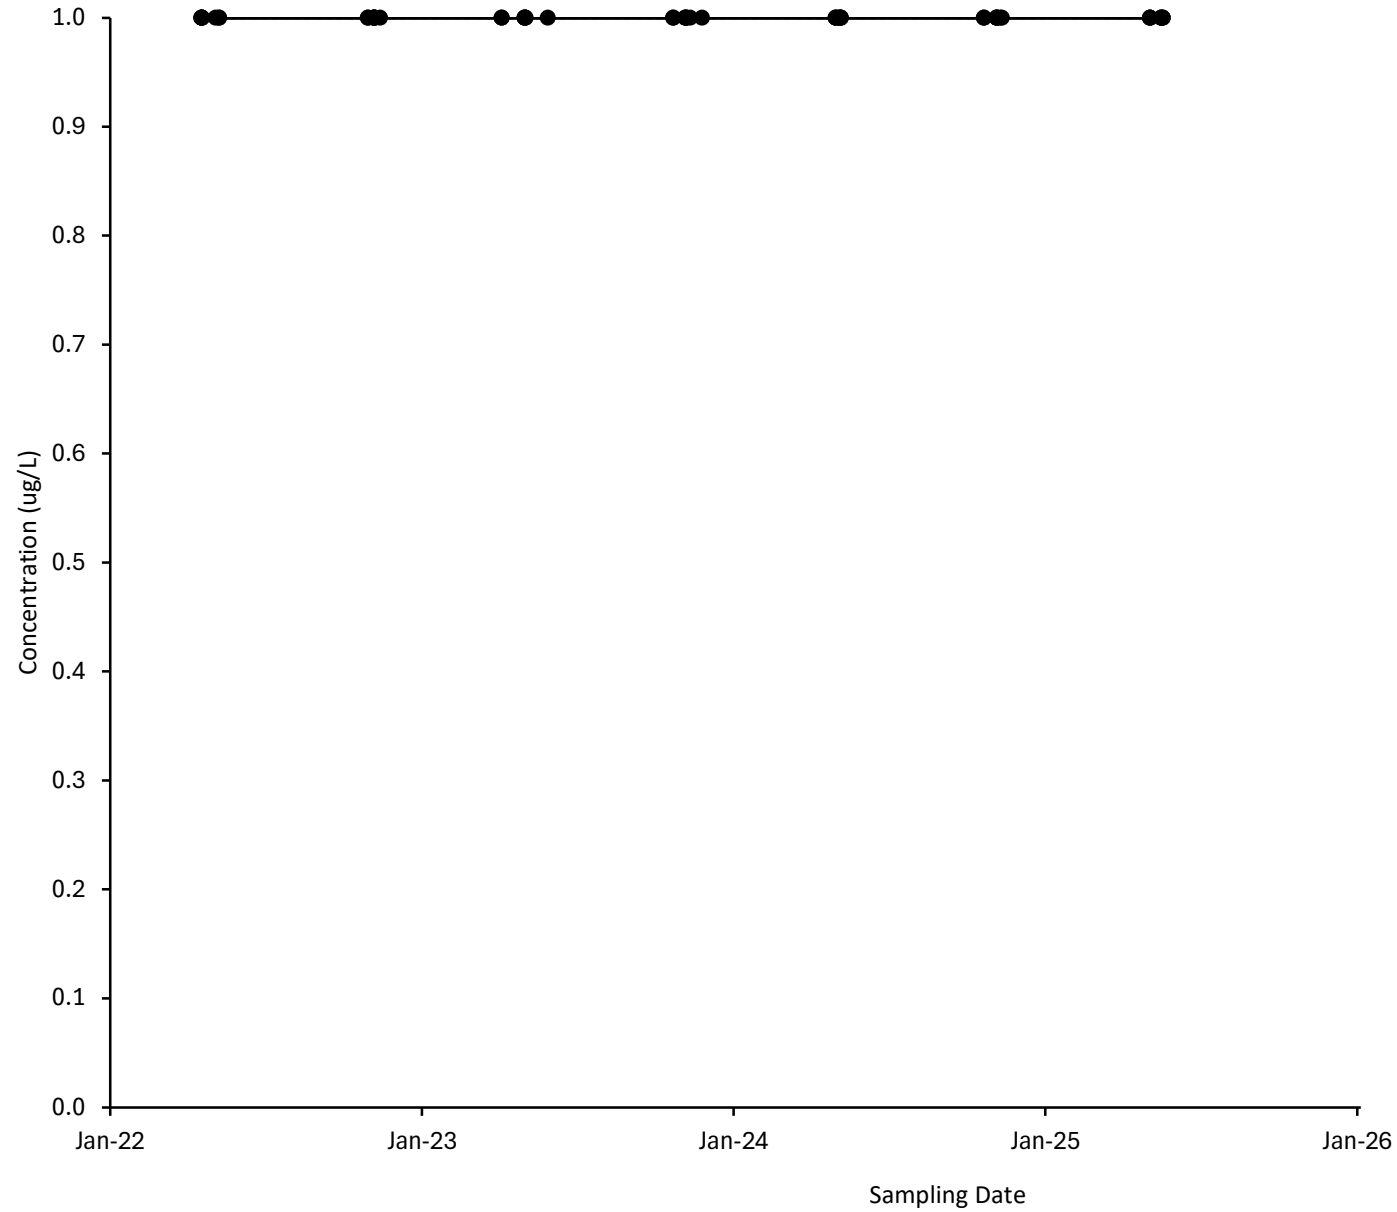

Note: Non-detects are marked with a filled circle.

Bromobenzene in Select Wells Zion Landfill

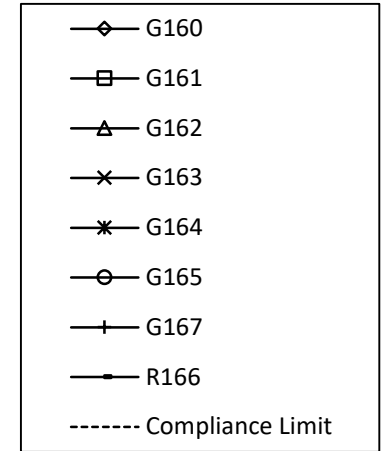

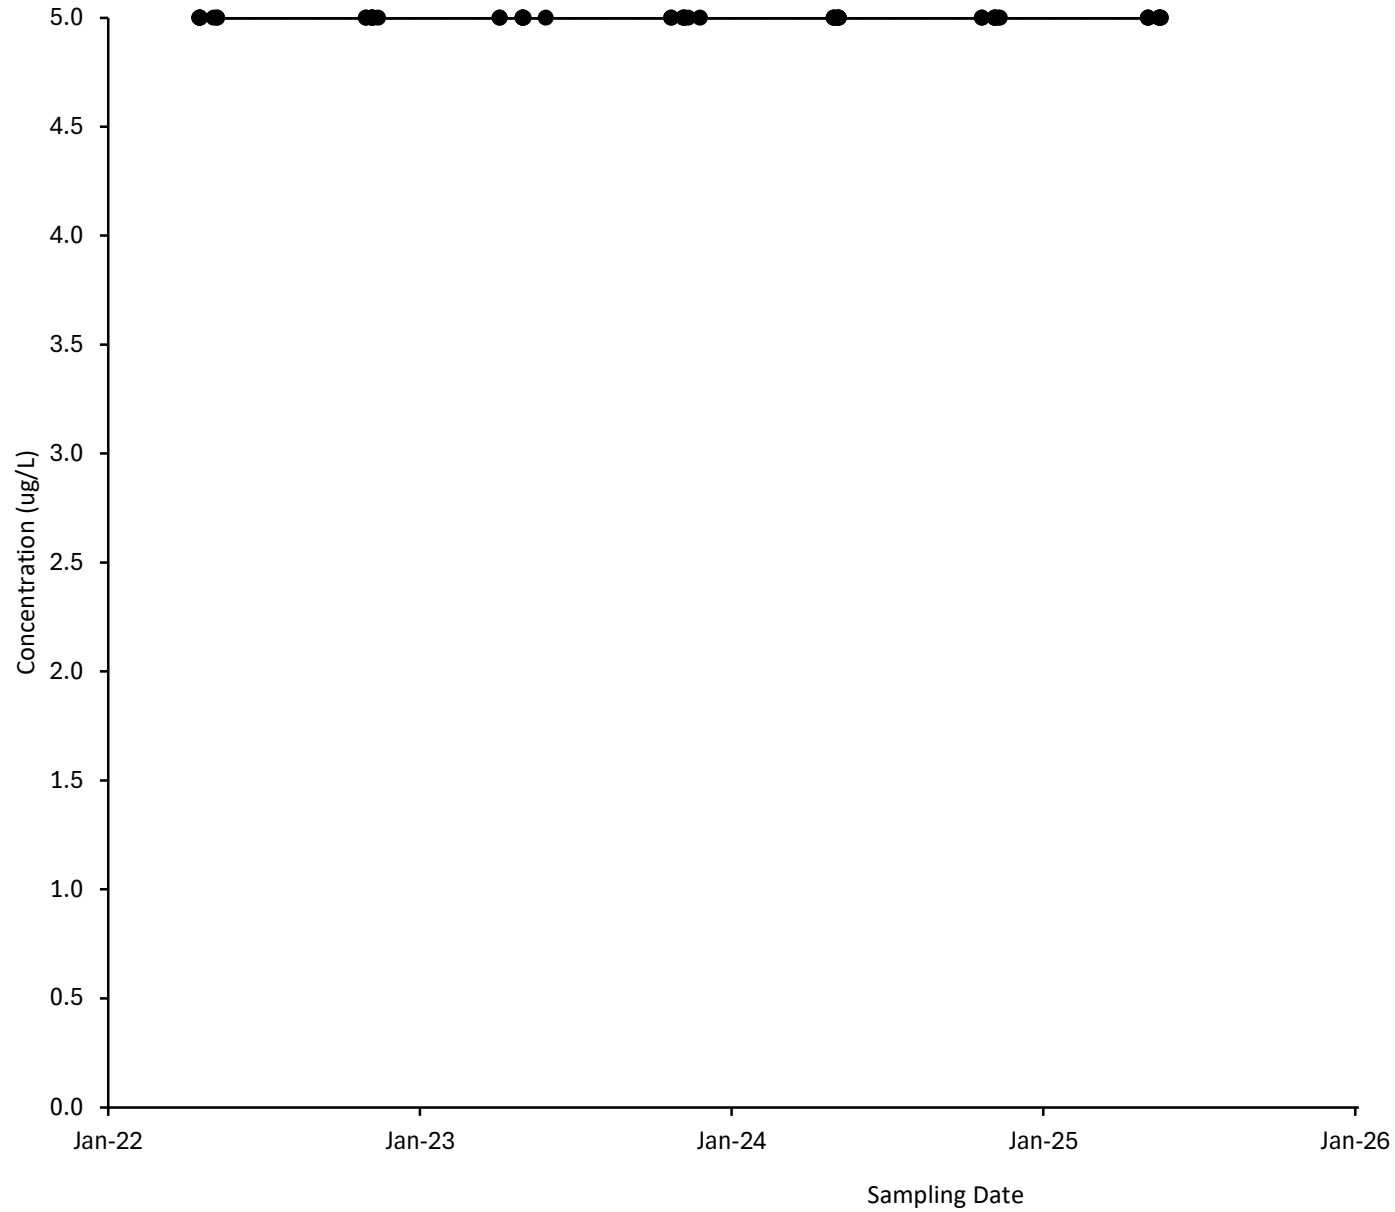

Note: Non-detects are marked with a filled circle.

Bromochloromethane in Select Wells Zion Landfill

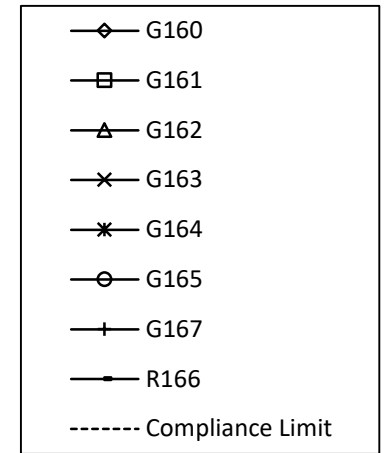

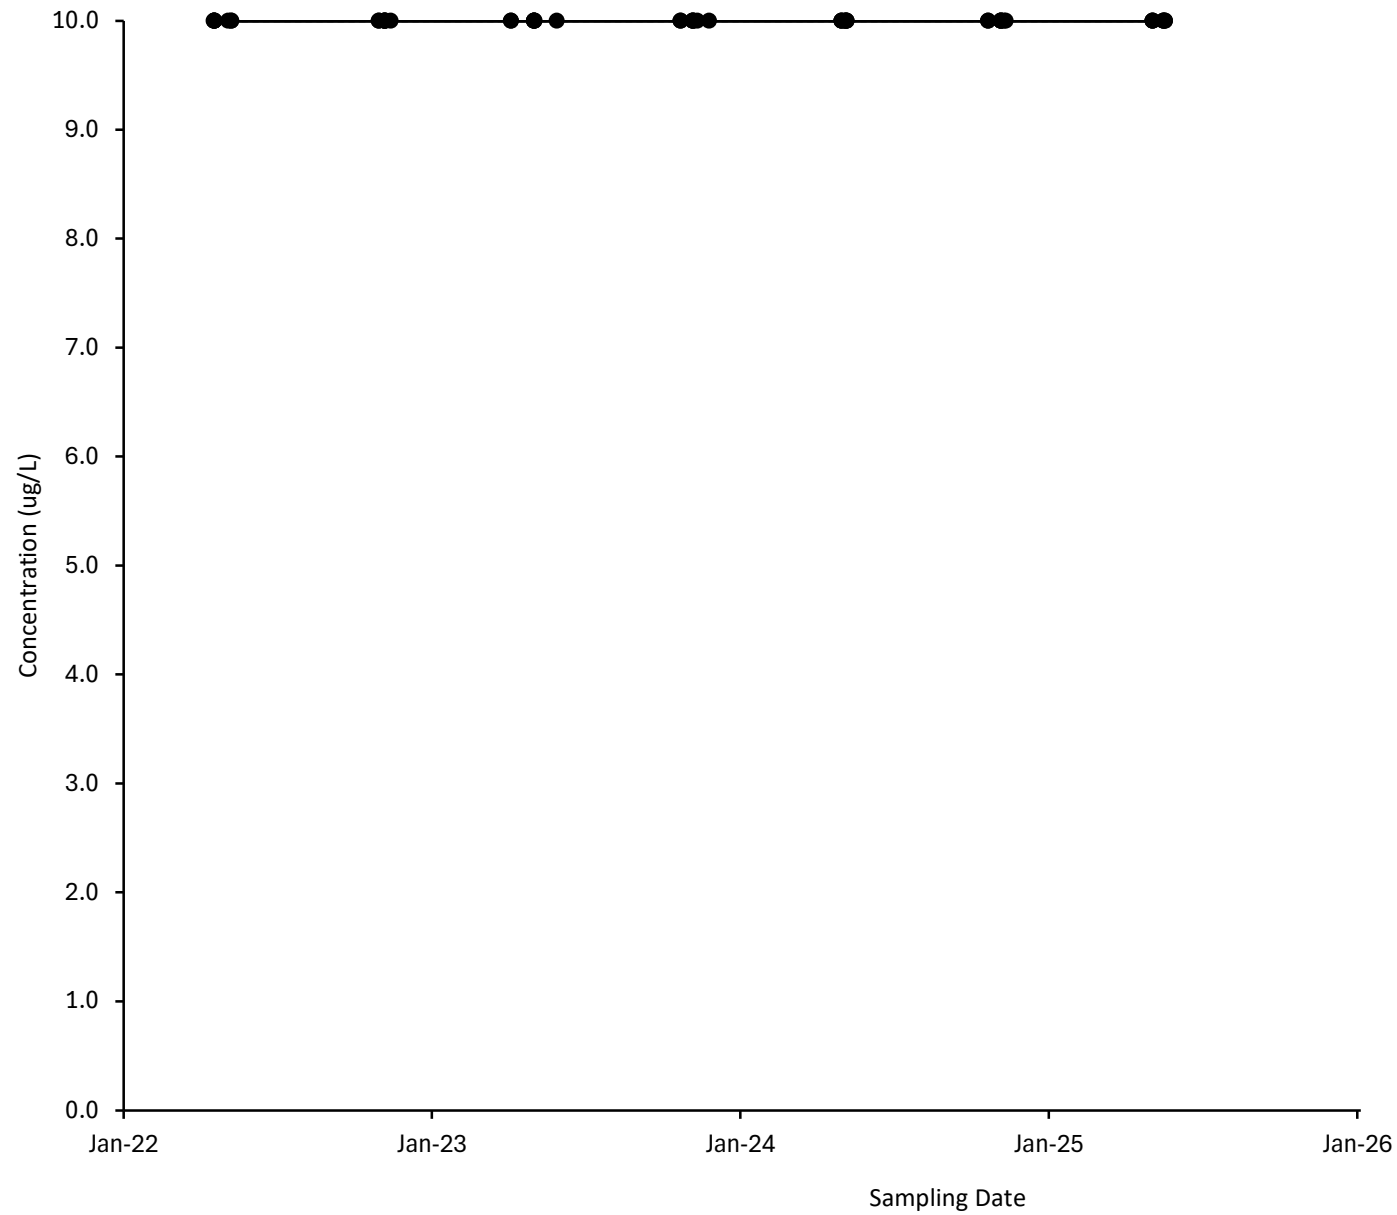

Note: Non-detects are marked with a filled circle.

Bromodichloromethane in Select Wells
Zion Landfill

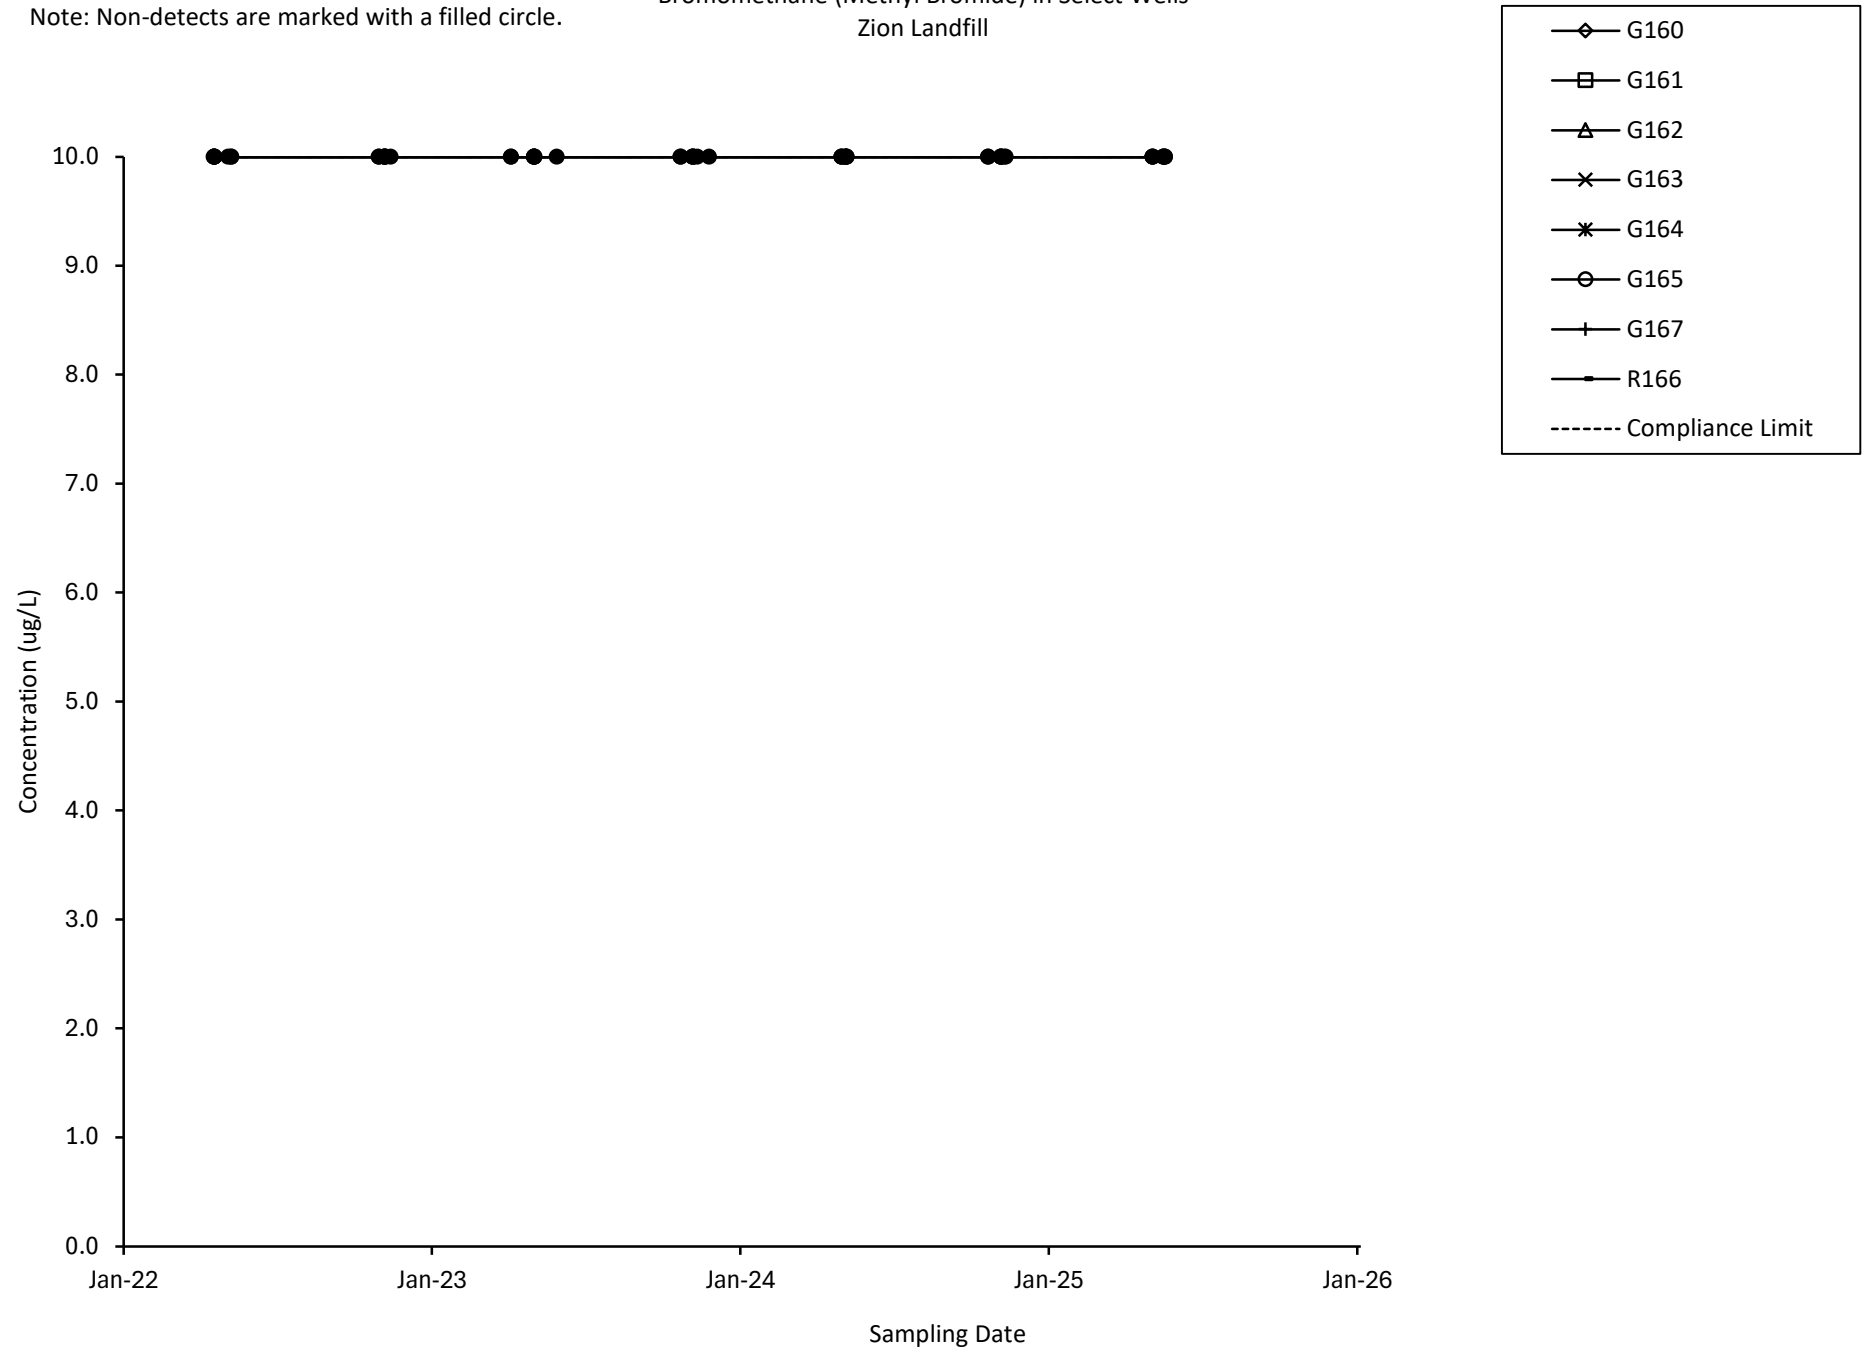

Note: Non-detects are marked with a filled circle.

Bromoform in Select Wells
Zion Landfill

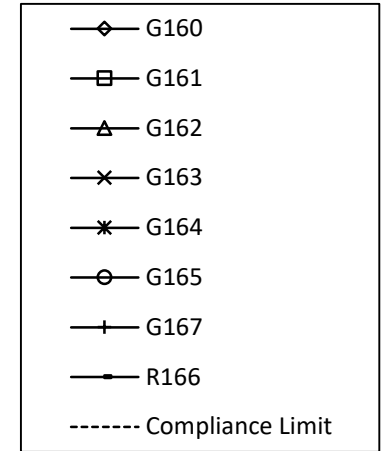

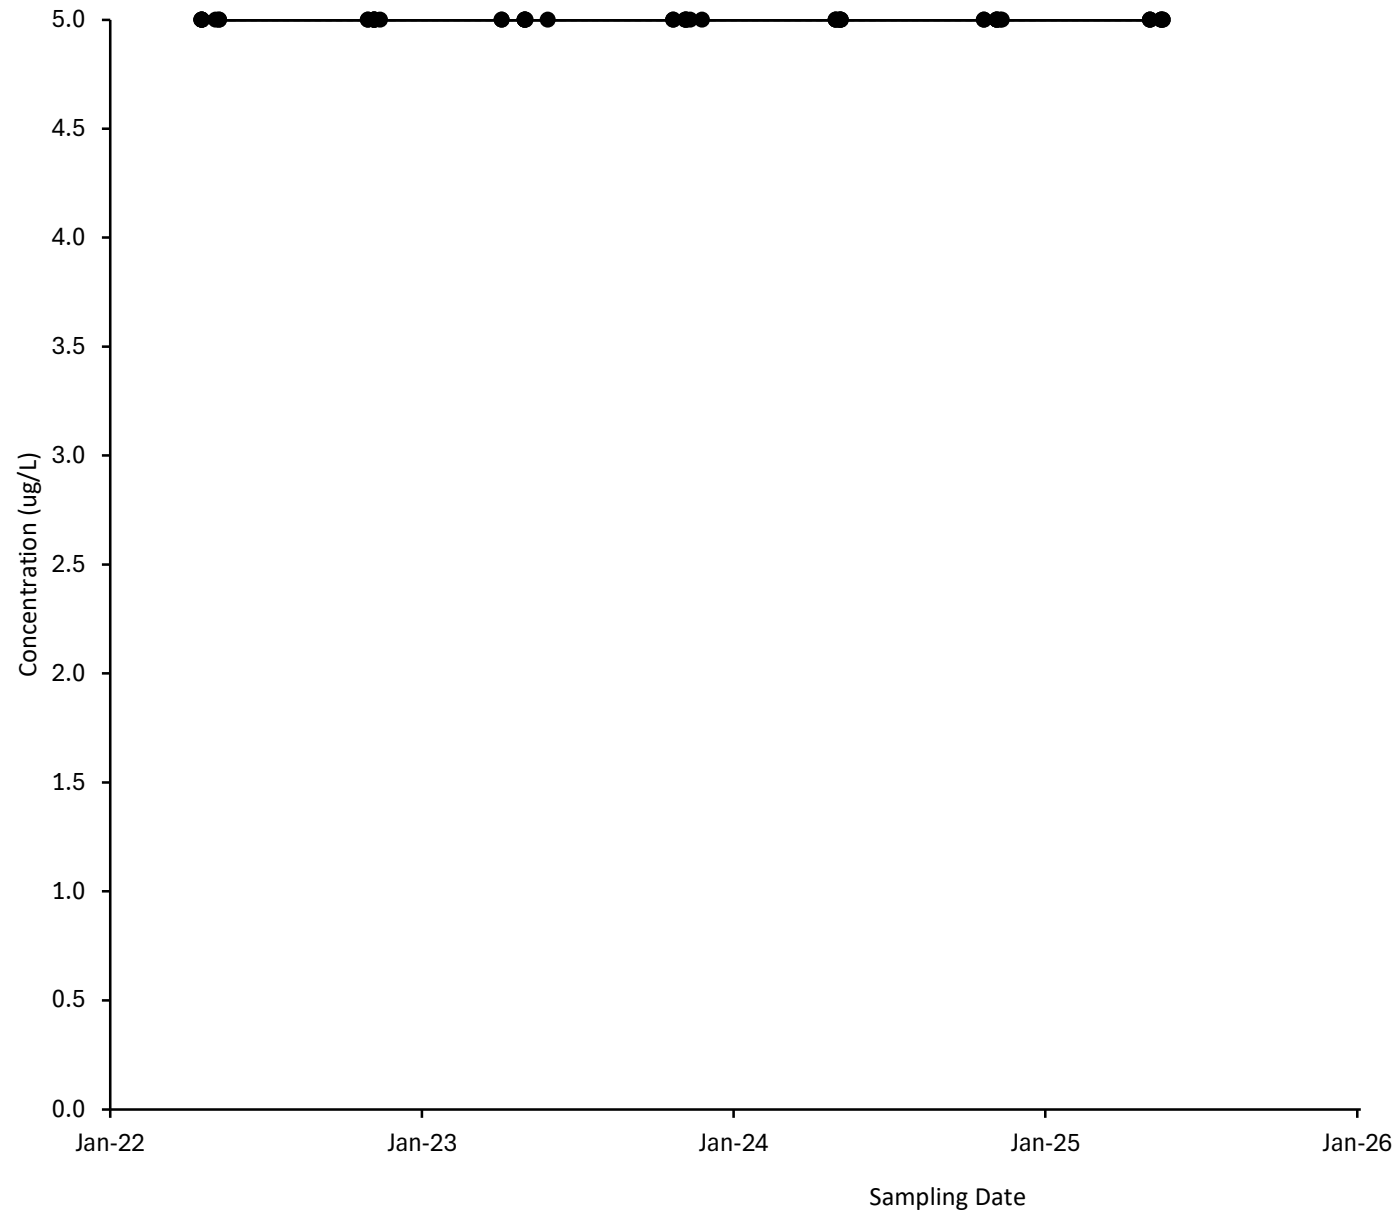

Note: Non-detects are marked with a filled circle.

Bromomethane (Methyl Bromide) in Select Wells Zion Landfill

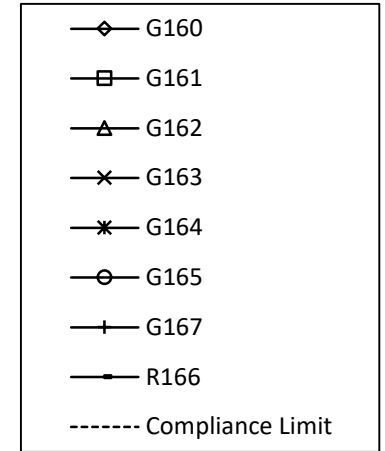

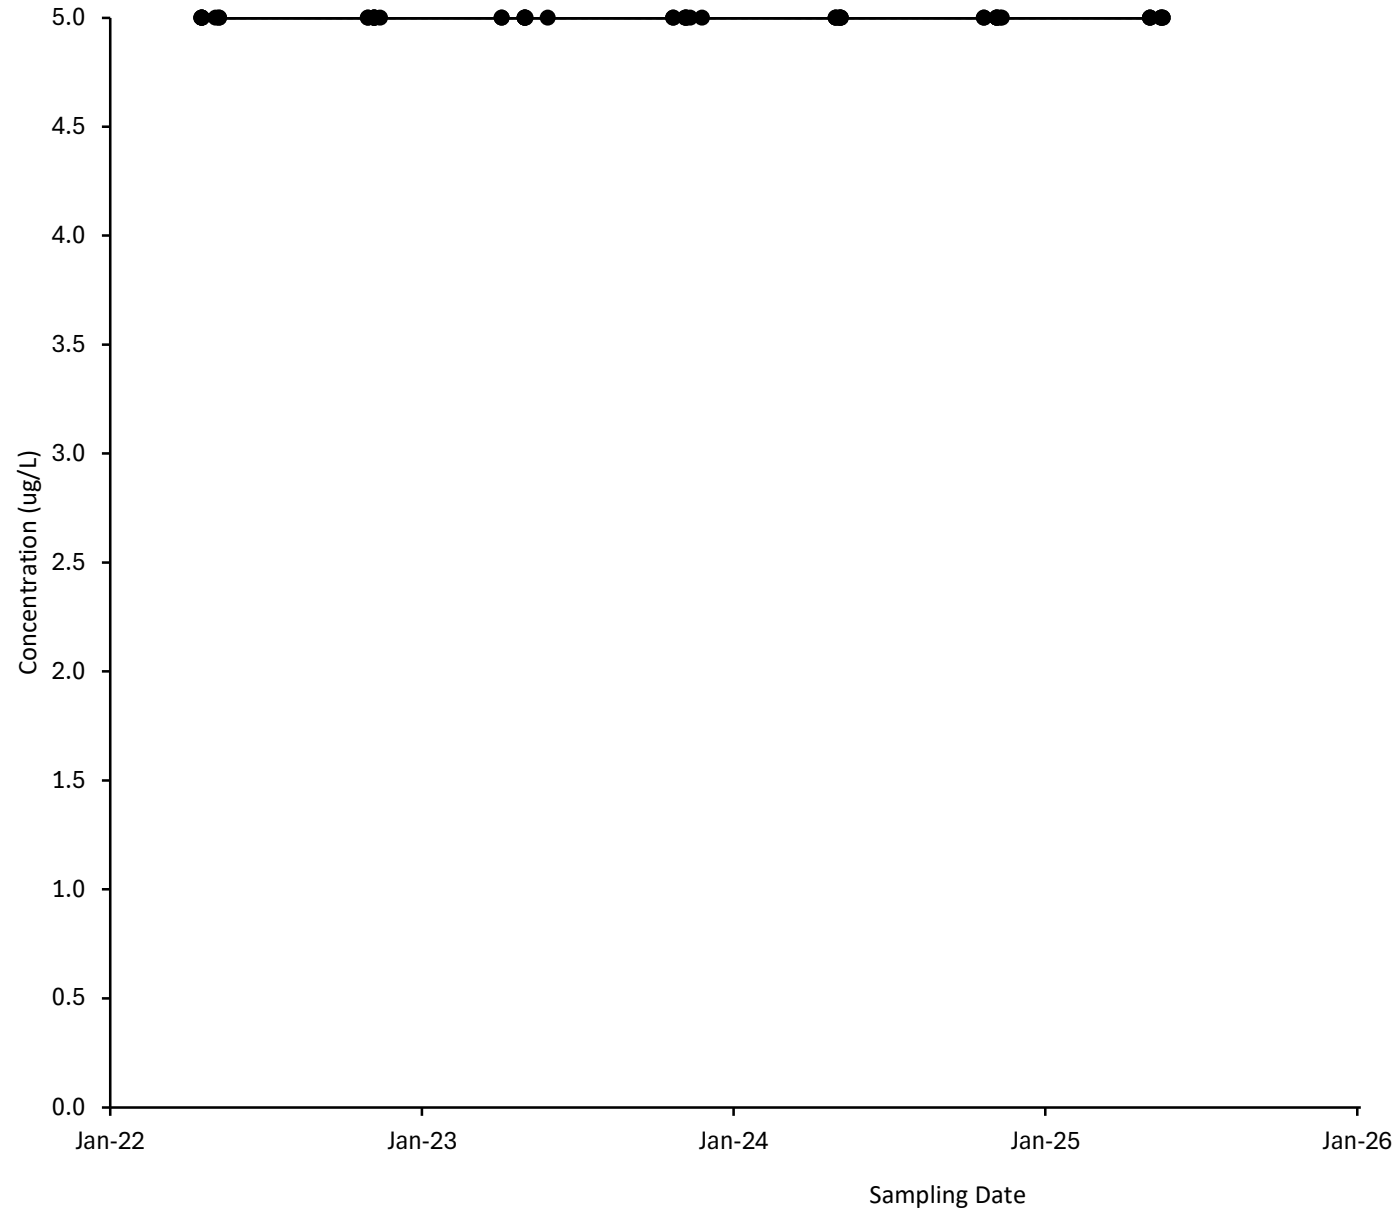

Note: Non-detects are marked with a filled circle.

Carbon Disulfide in Select Wells Zion Landfill

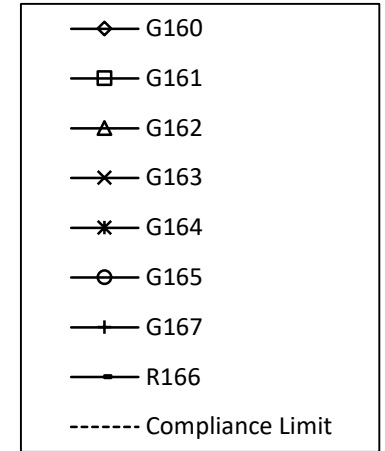

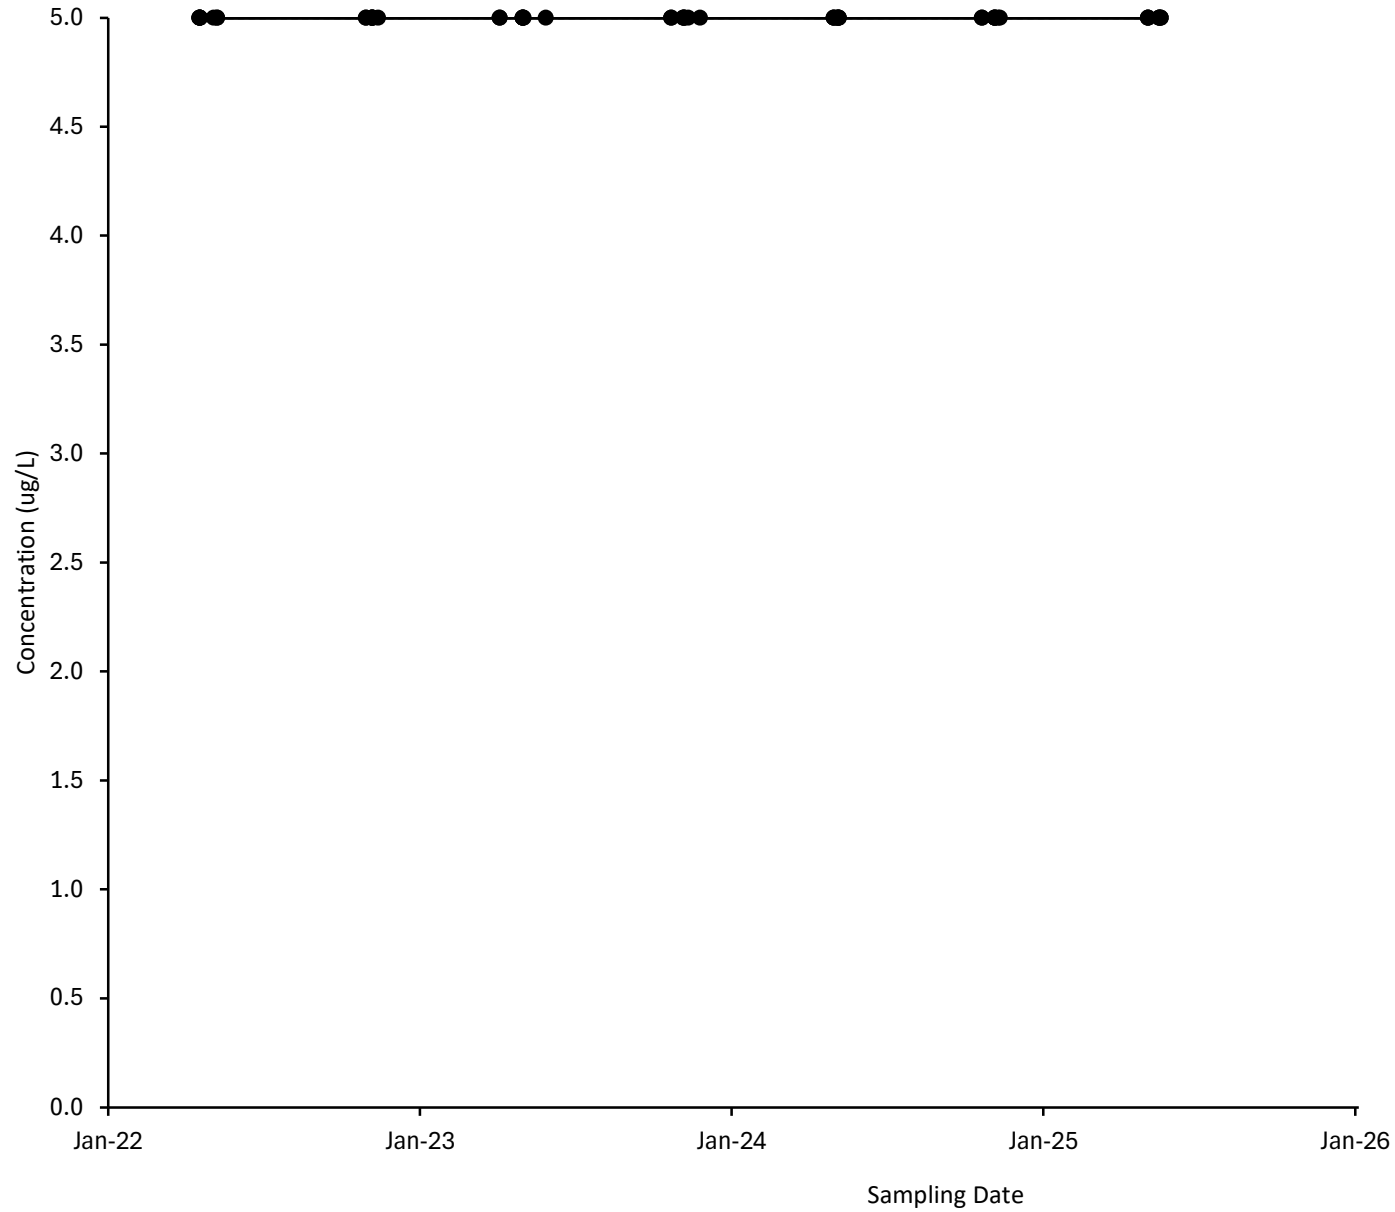

Note: Non-detects are marked with a filled circle.

Carbon Tetrachloride in Select Wells Zion Landfill

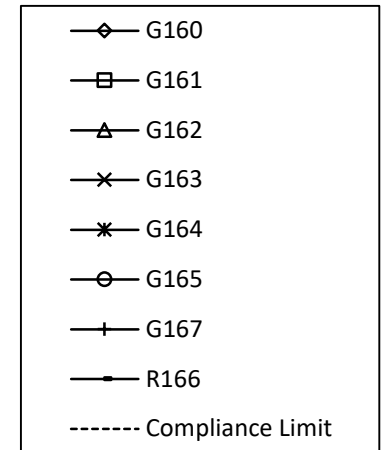

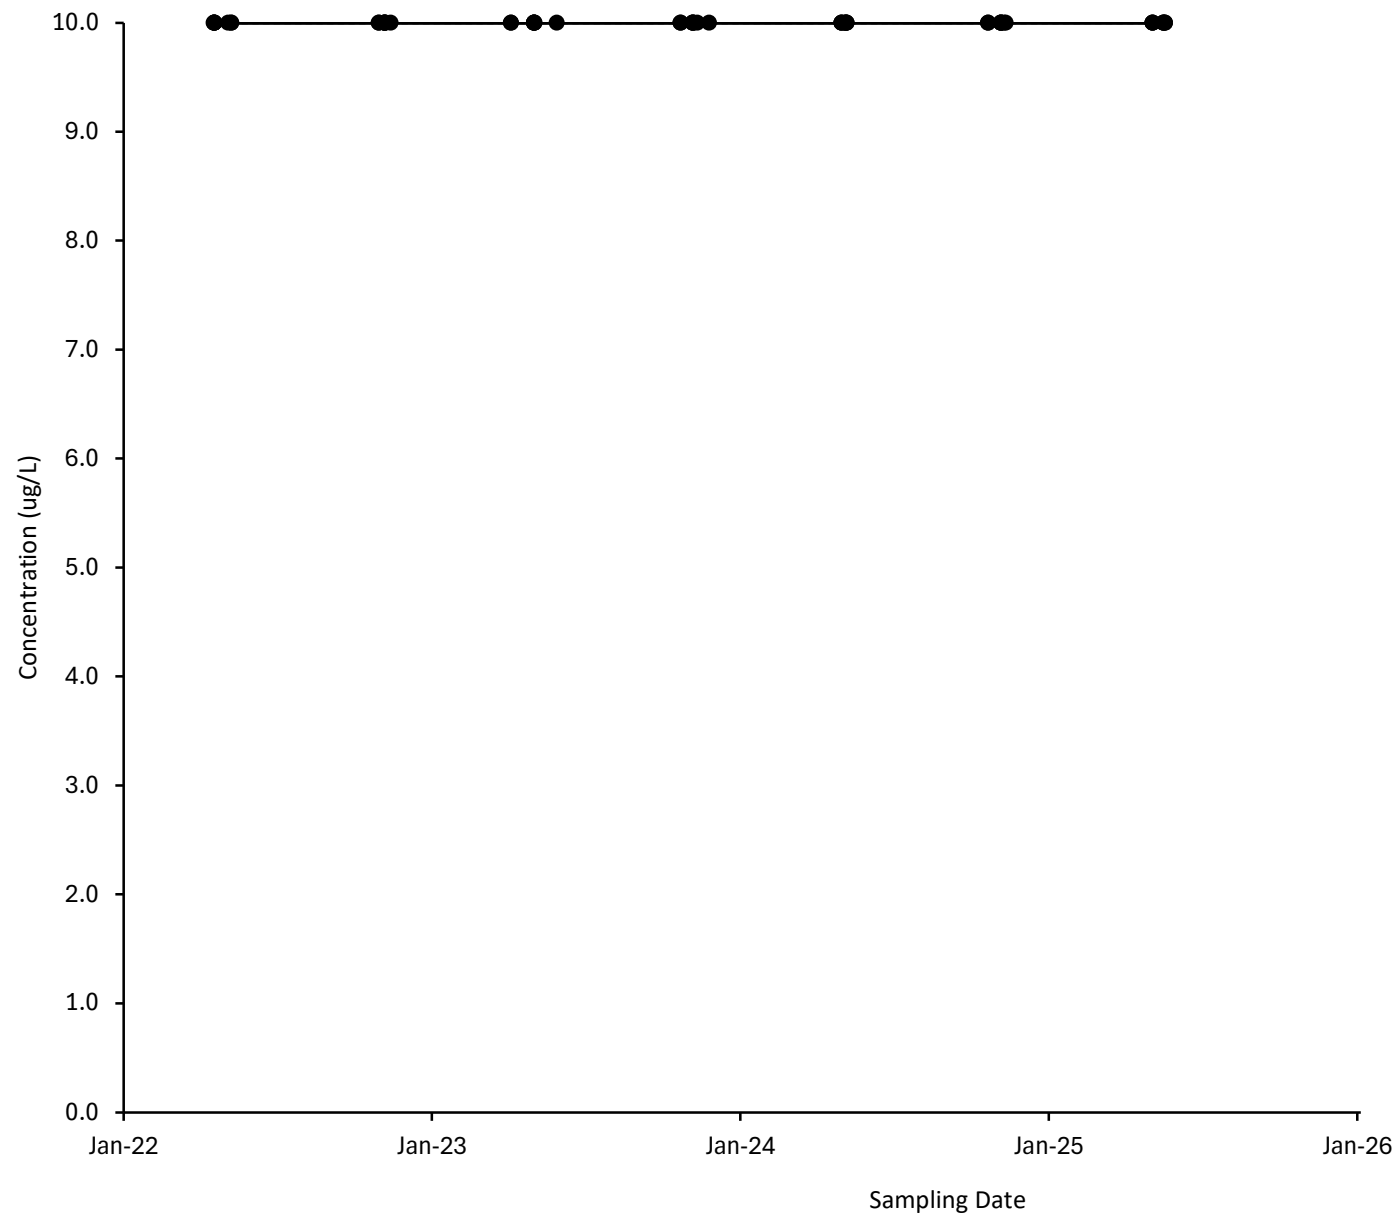

Note: Non-detects are marked with a filled circle.

Chlorobenzene in Select Wells Zion Landfill

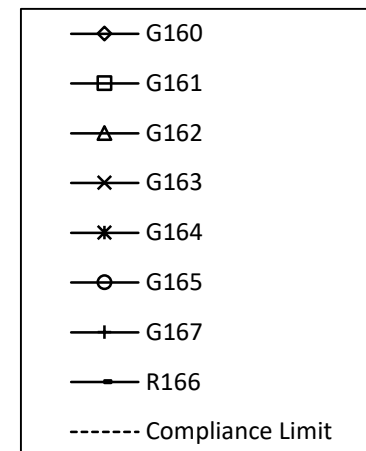

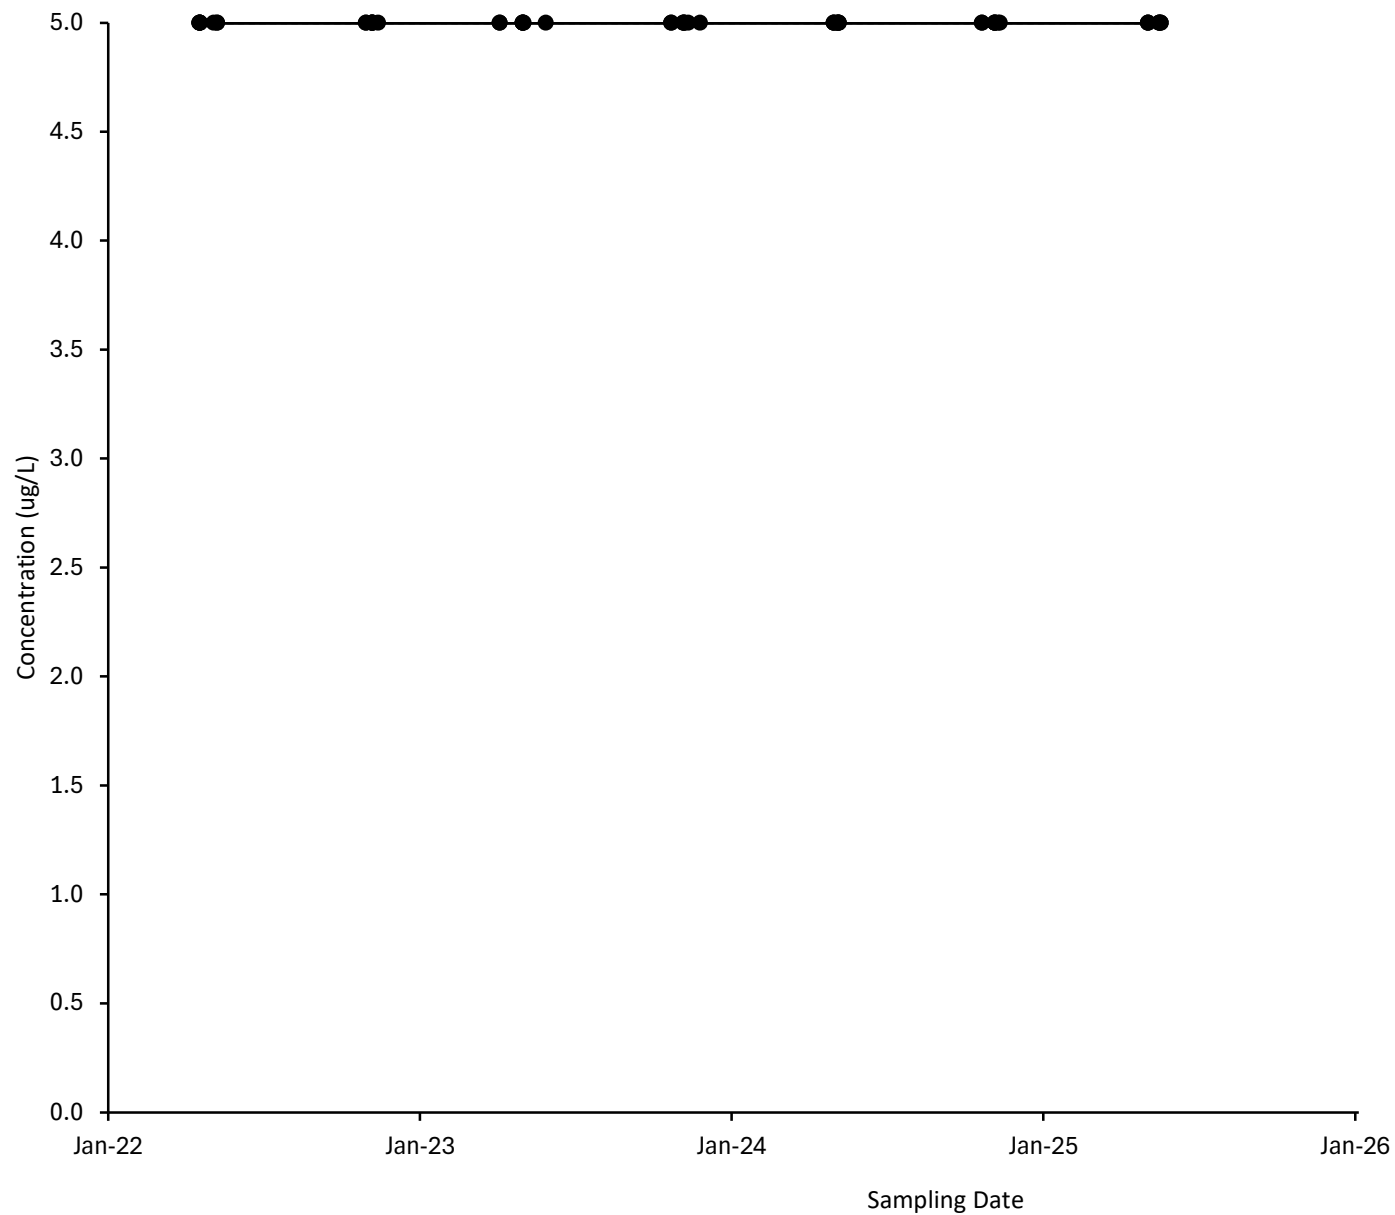

Note: Non-detects are marked with a filled circle.

Chloroethane in Select Wells
Zion Landfill

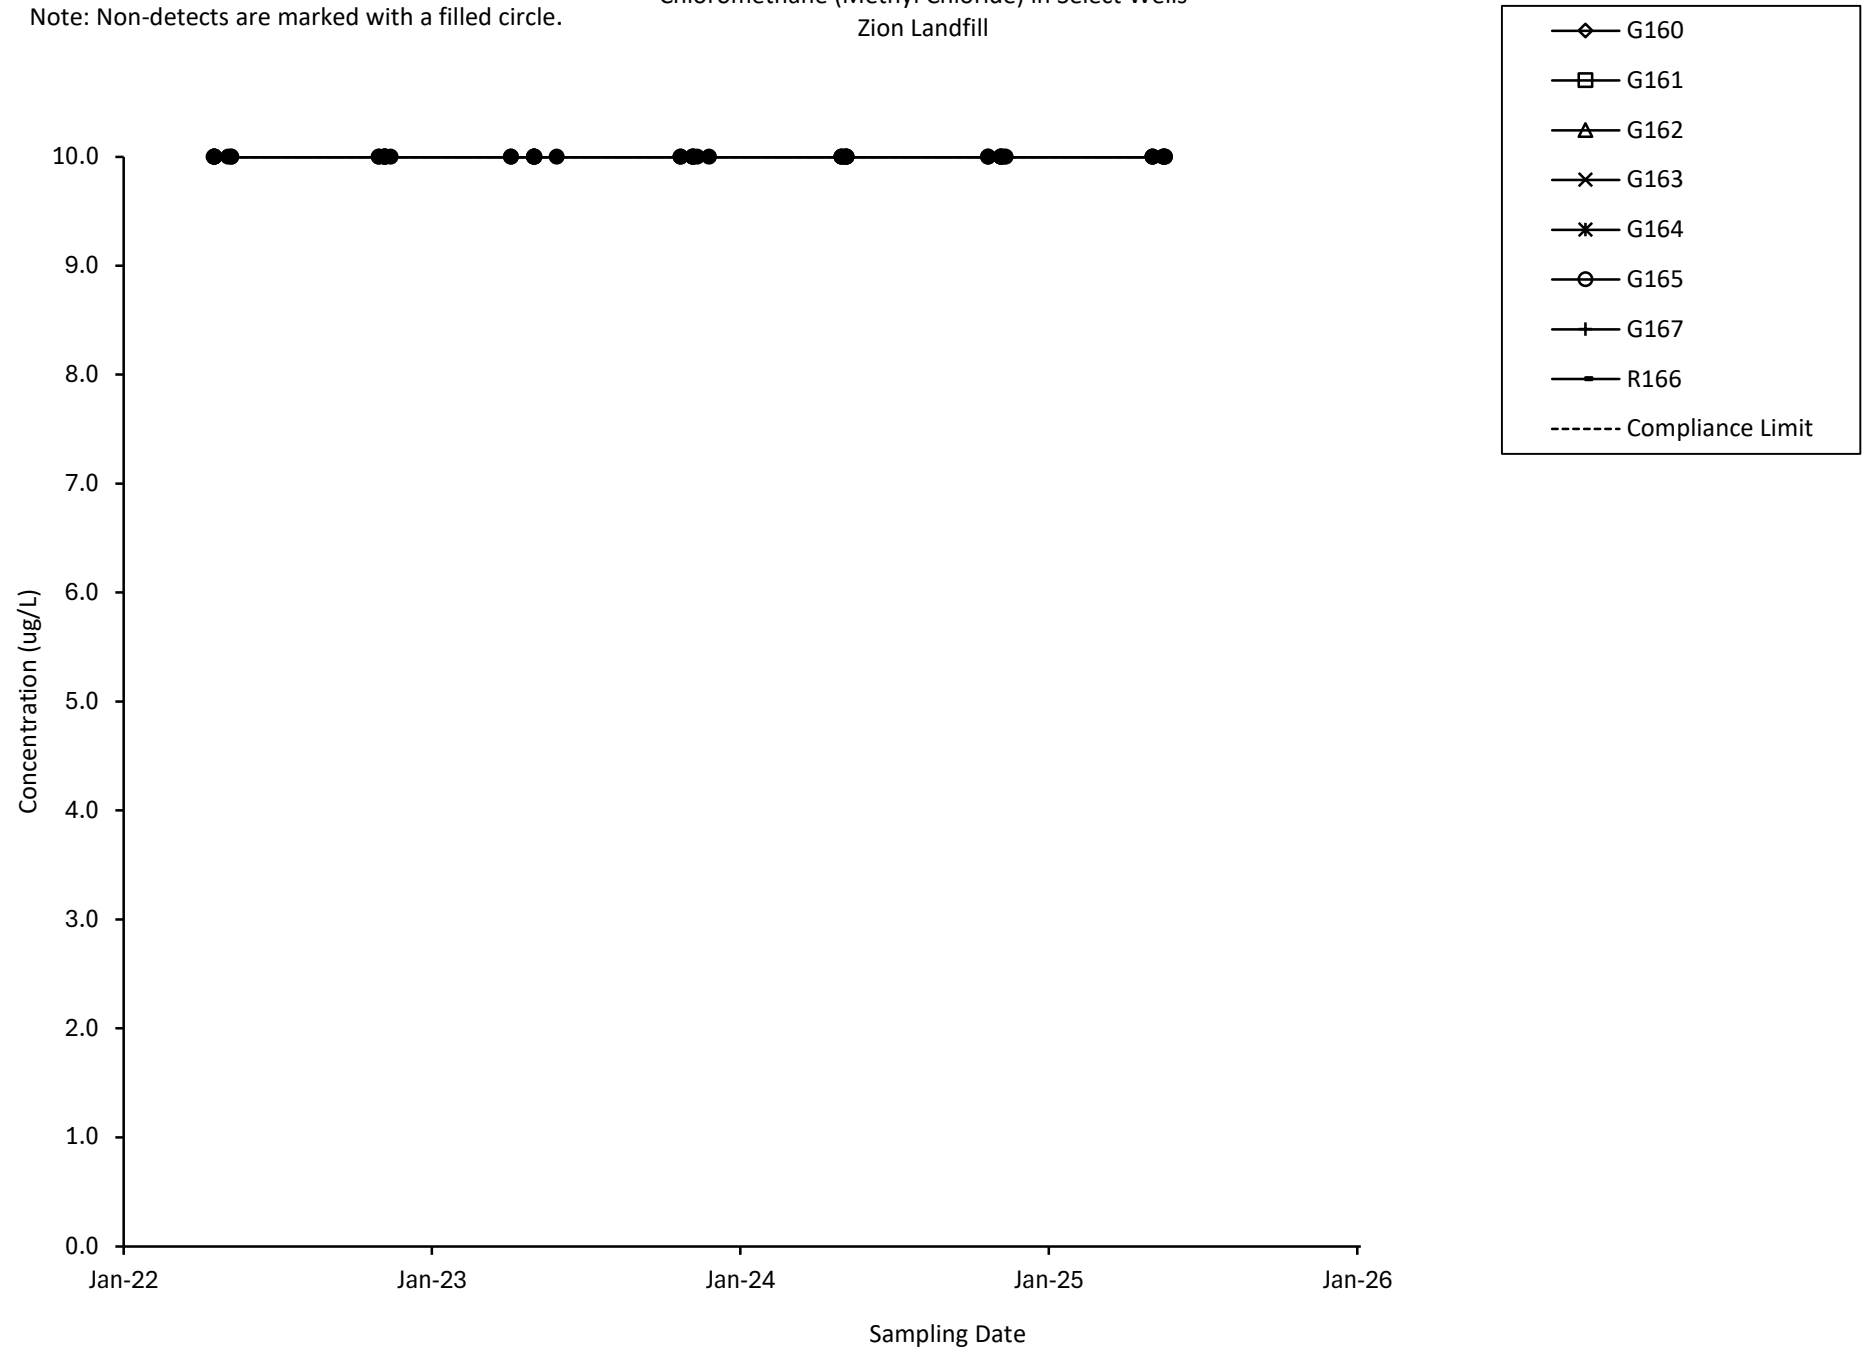

Note: Non-detects are marked with a filled circle.

Chloroform in Select Wells
Zion Landfill

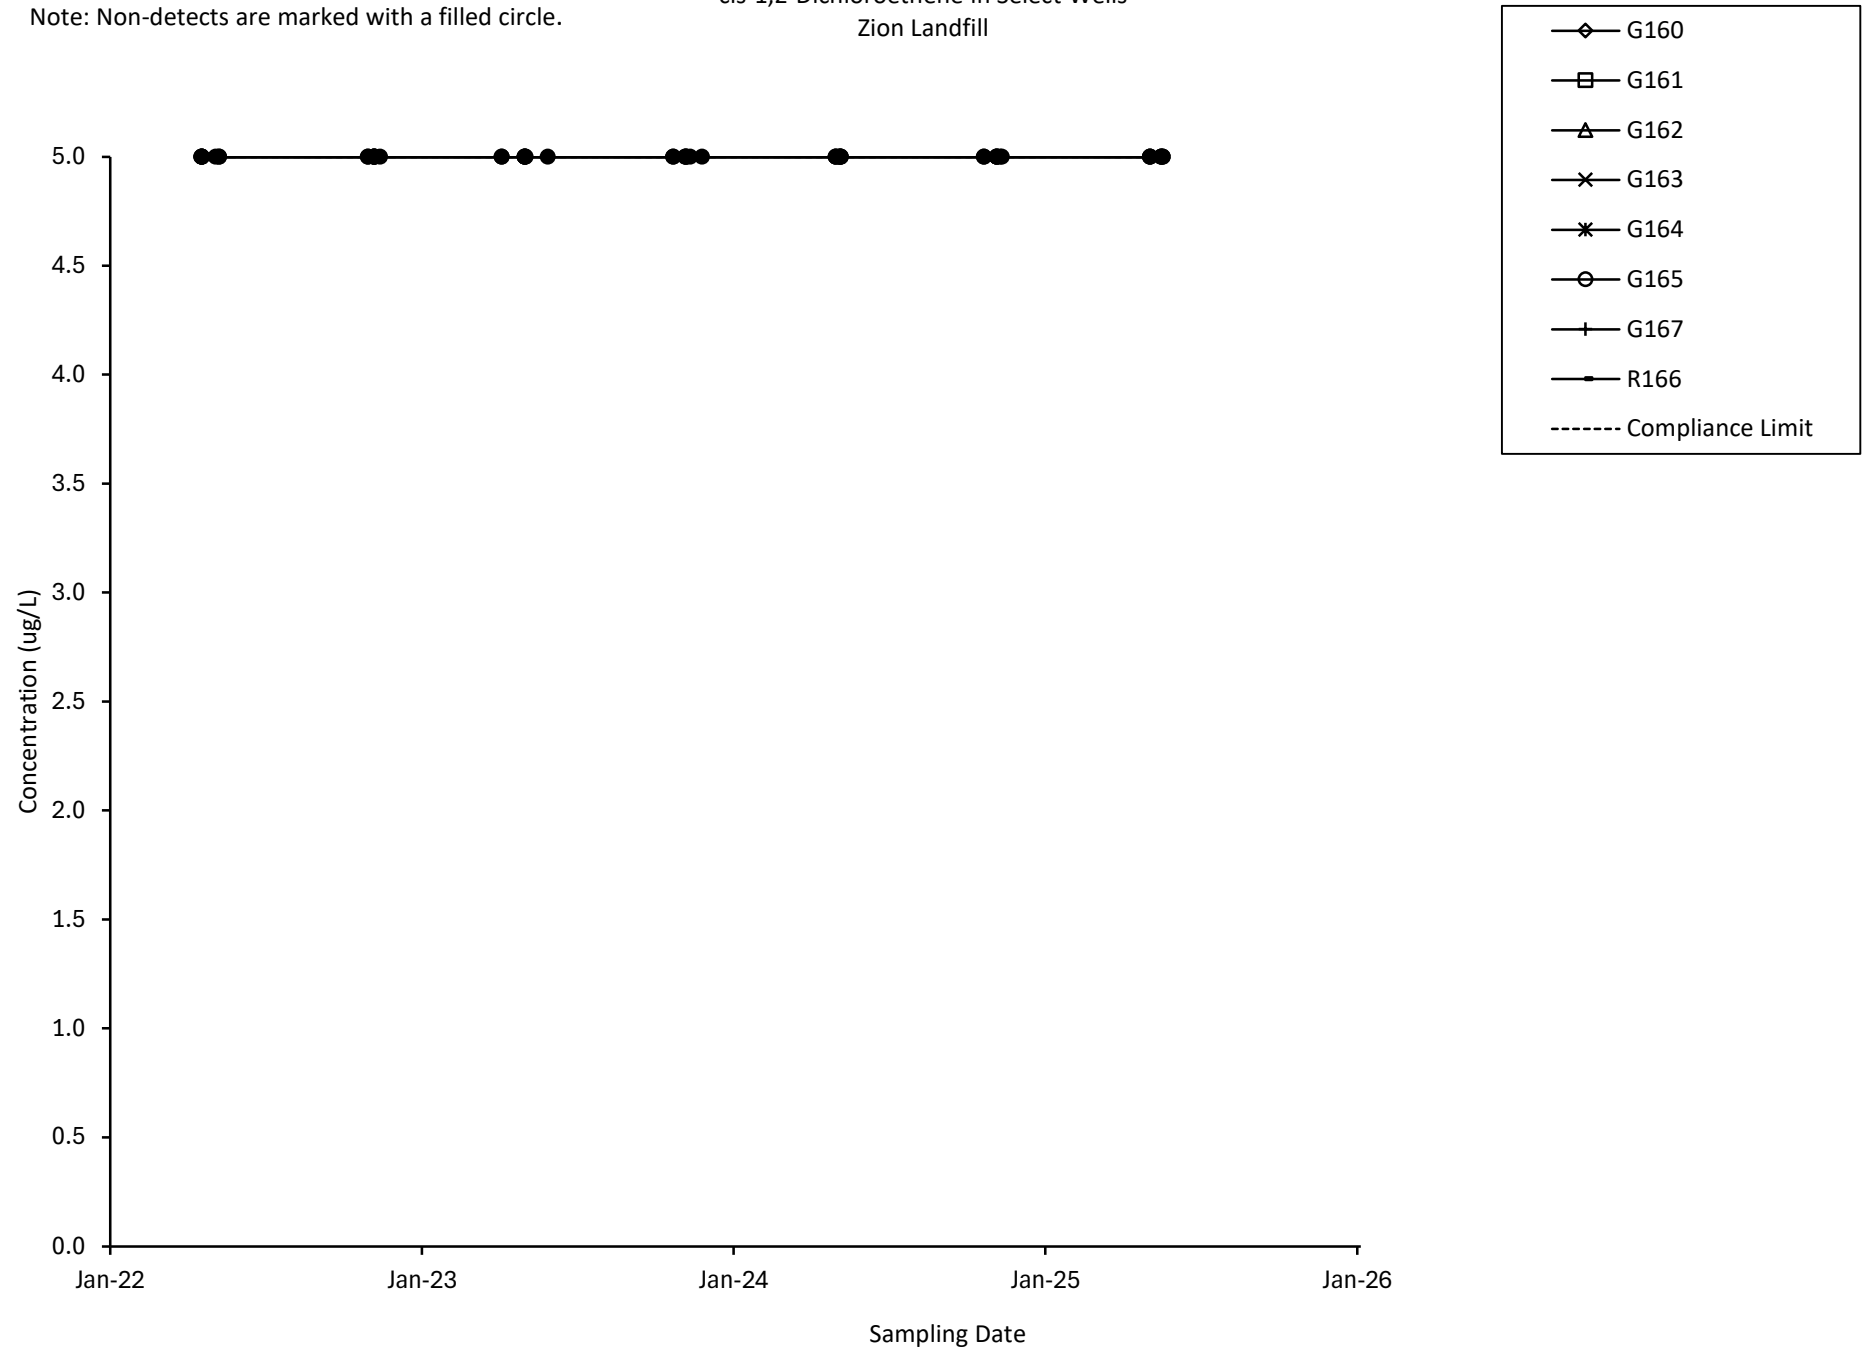

Note: Non-detects are marked with a filled circle.

Chloromethane (Methyl Chloride) in Select Wells Zion Landfill

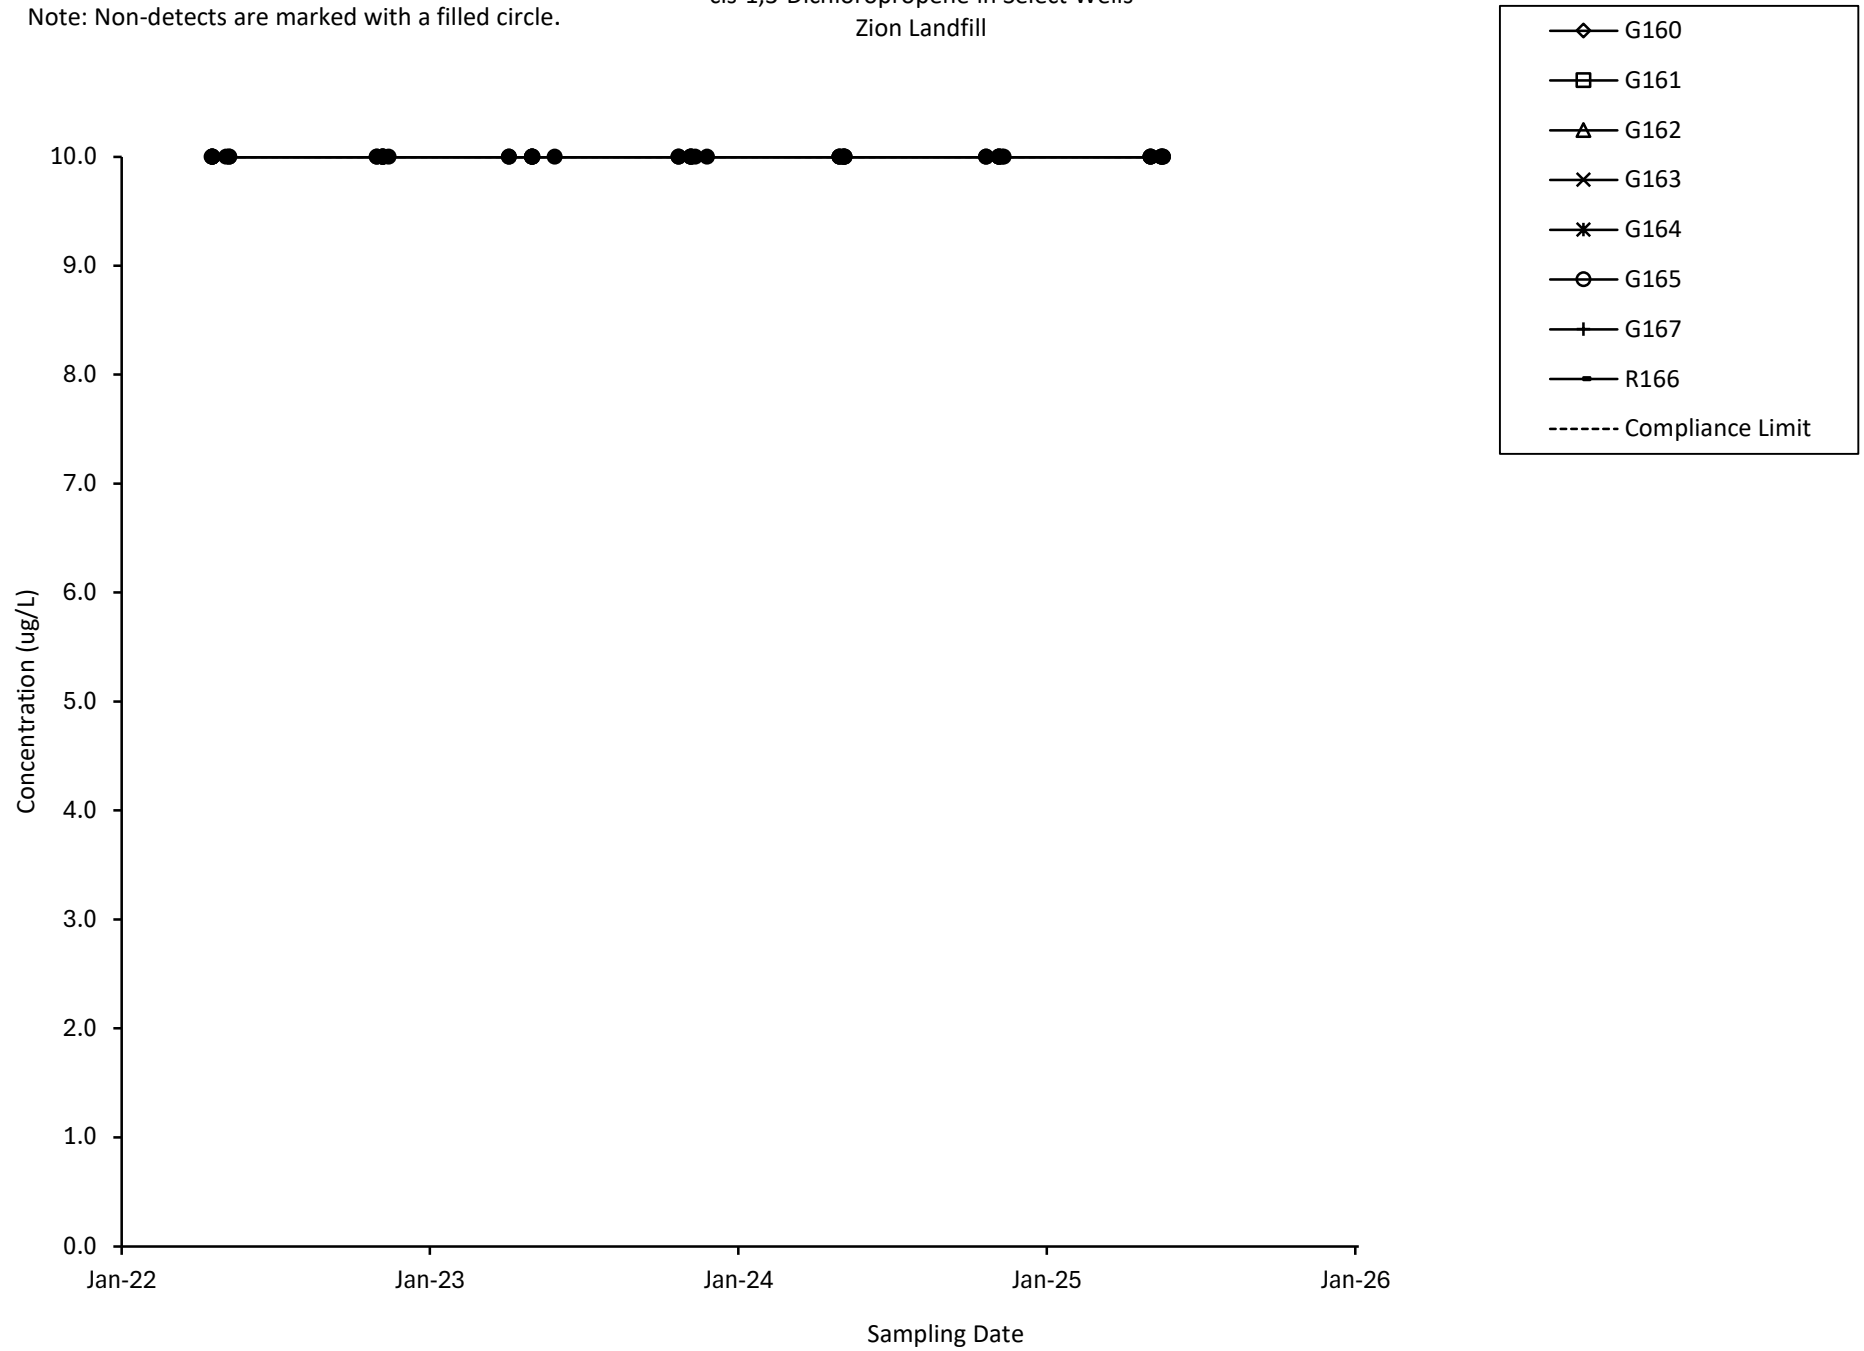

Note: Non-detects are marked with a filled circle.

cis-1,2-Dichloroethene in Select Wells
Zion Landfill

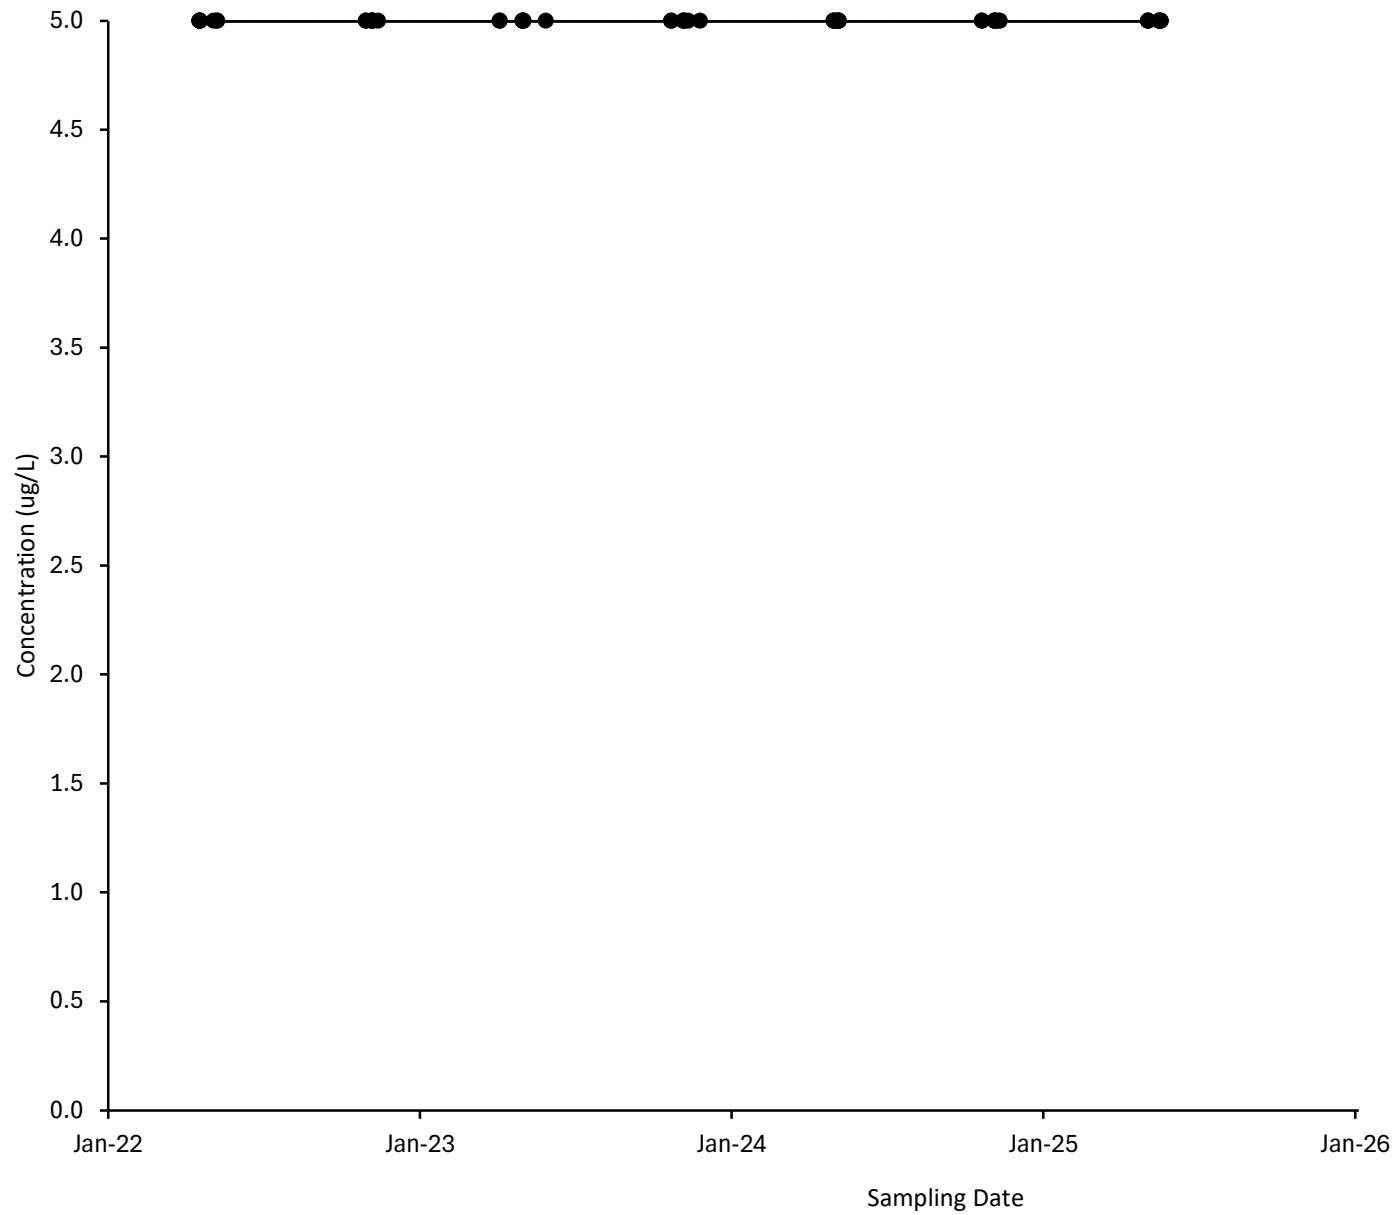

Note: Non-detects are marked with a filled circle.

cis-1,3-Dichloropropene in Select Wells Zion Landfill

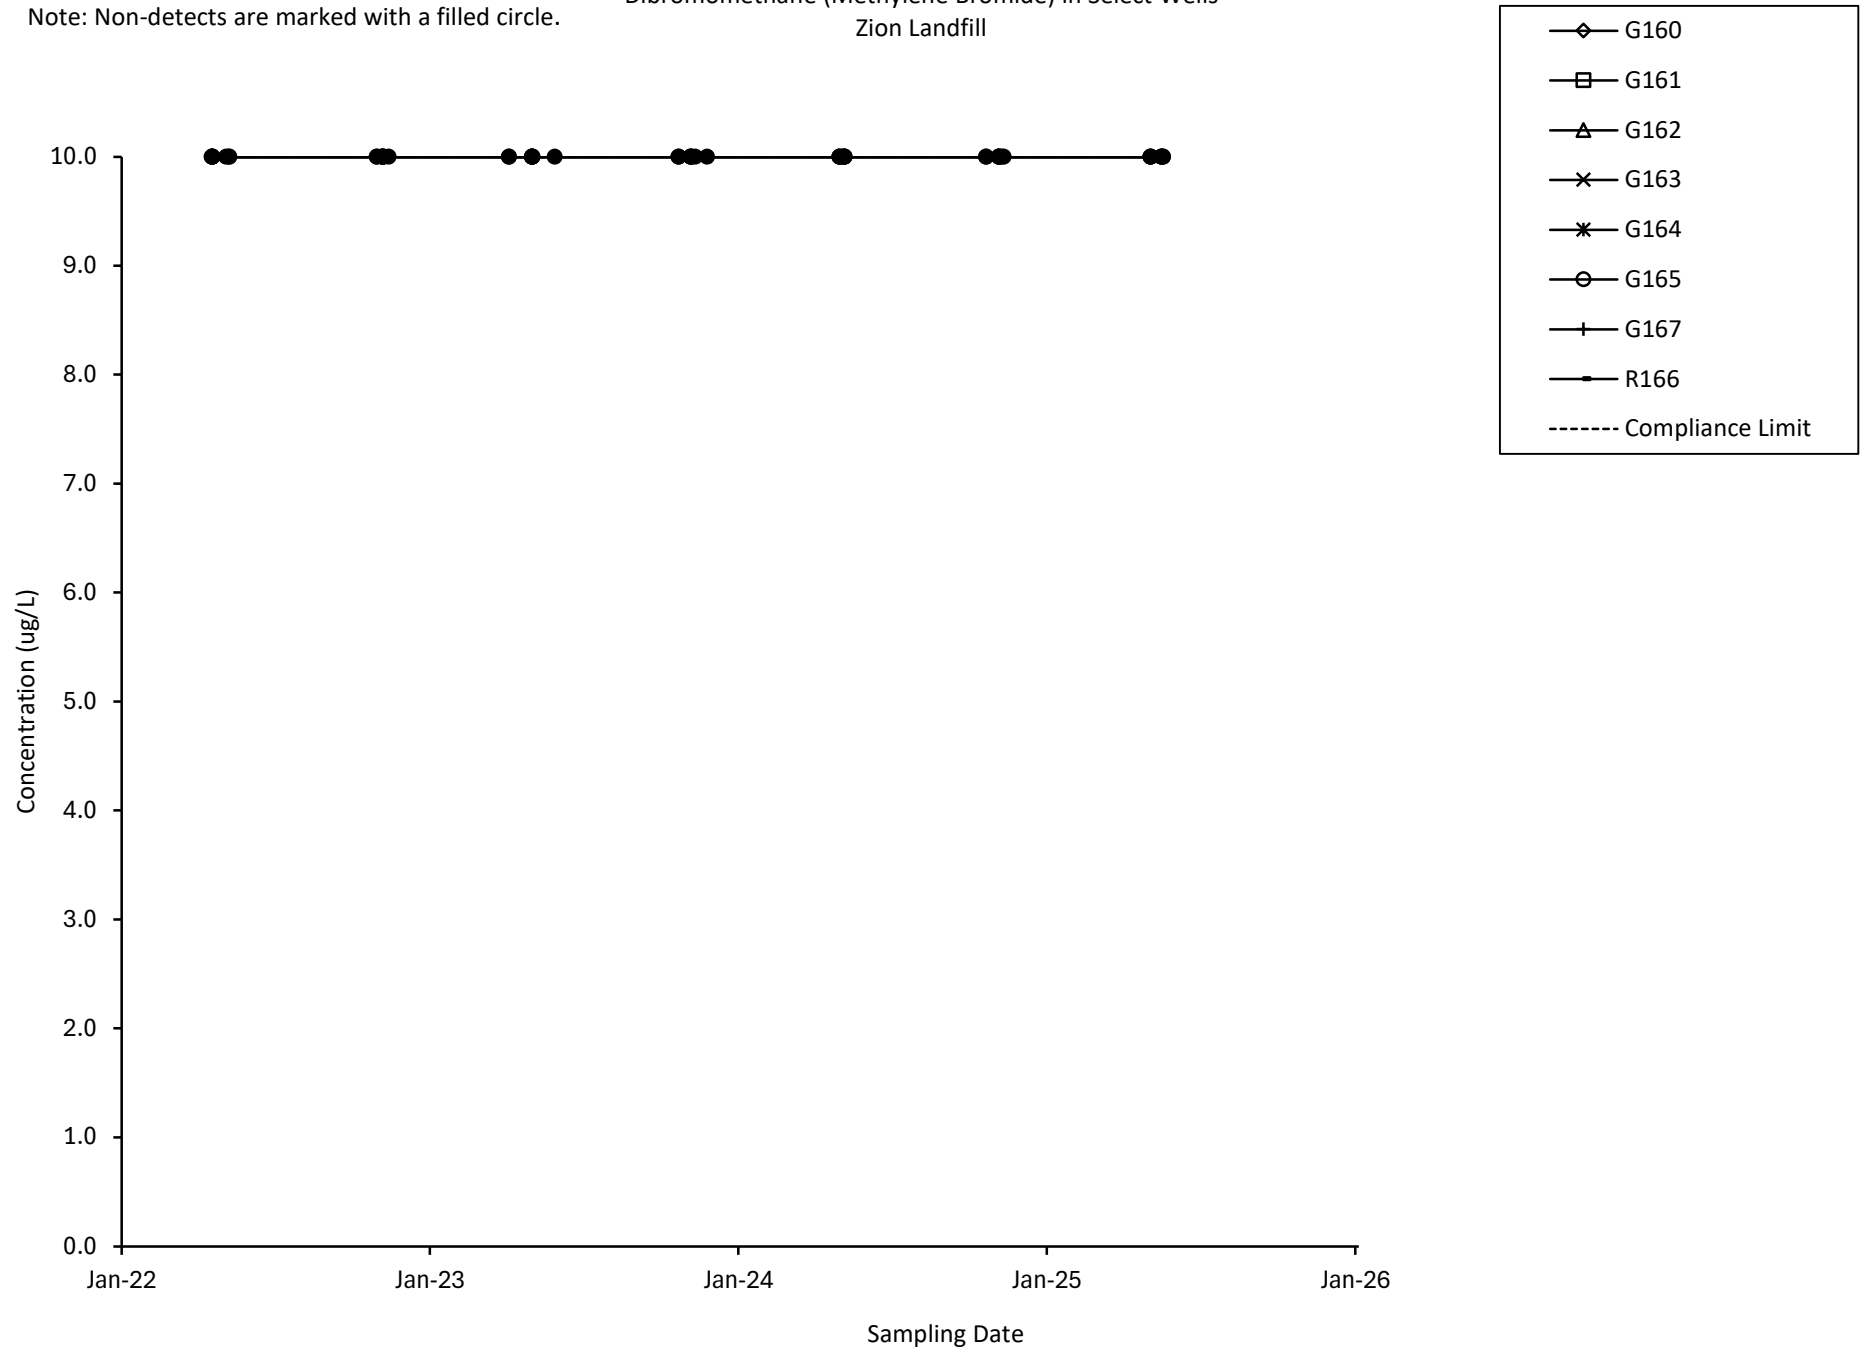

Note: Non-detects are marked with a filled circle.

Dibromochloromethane in Select Wells Zion Landfill

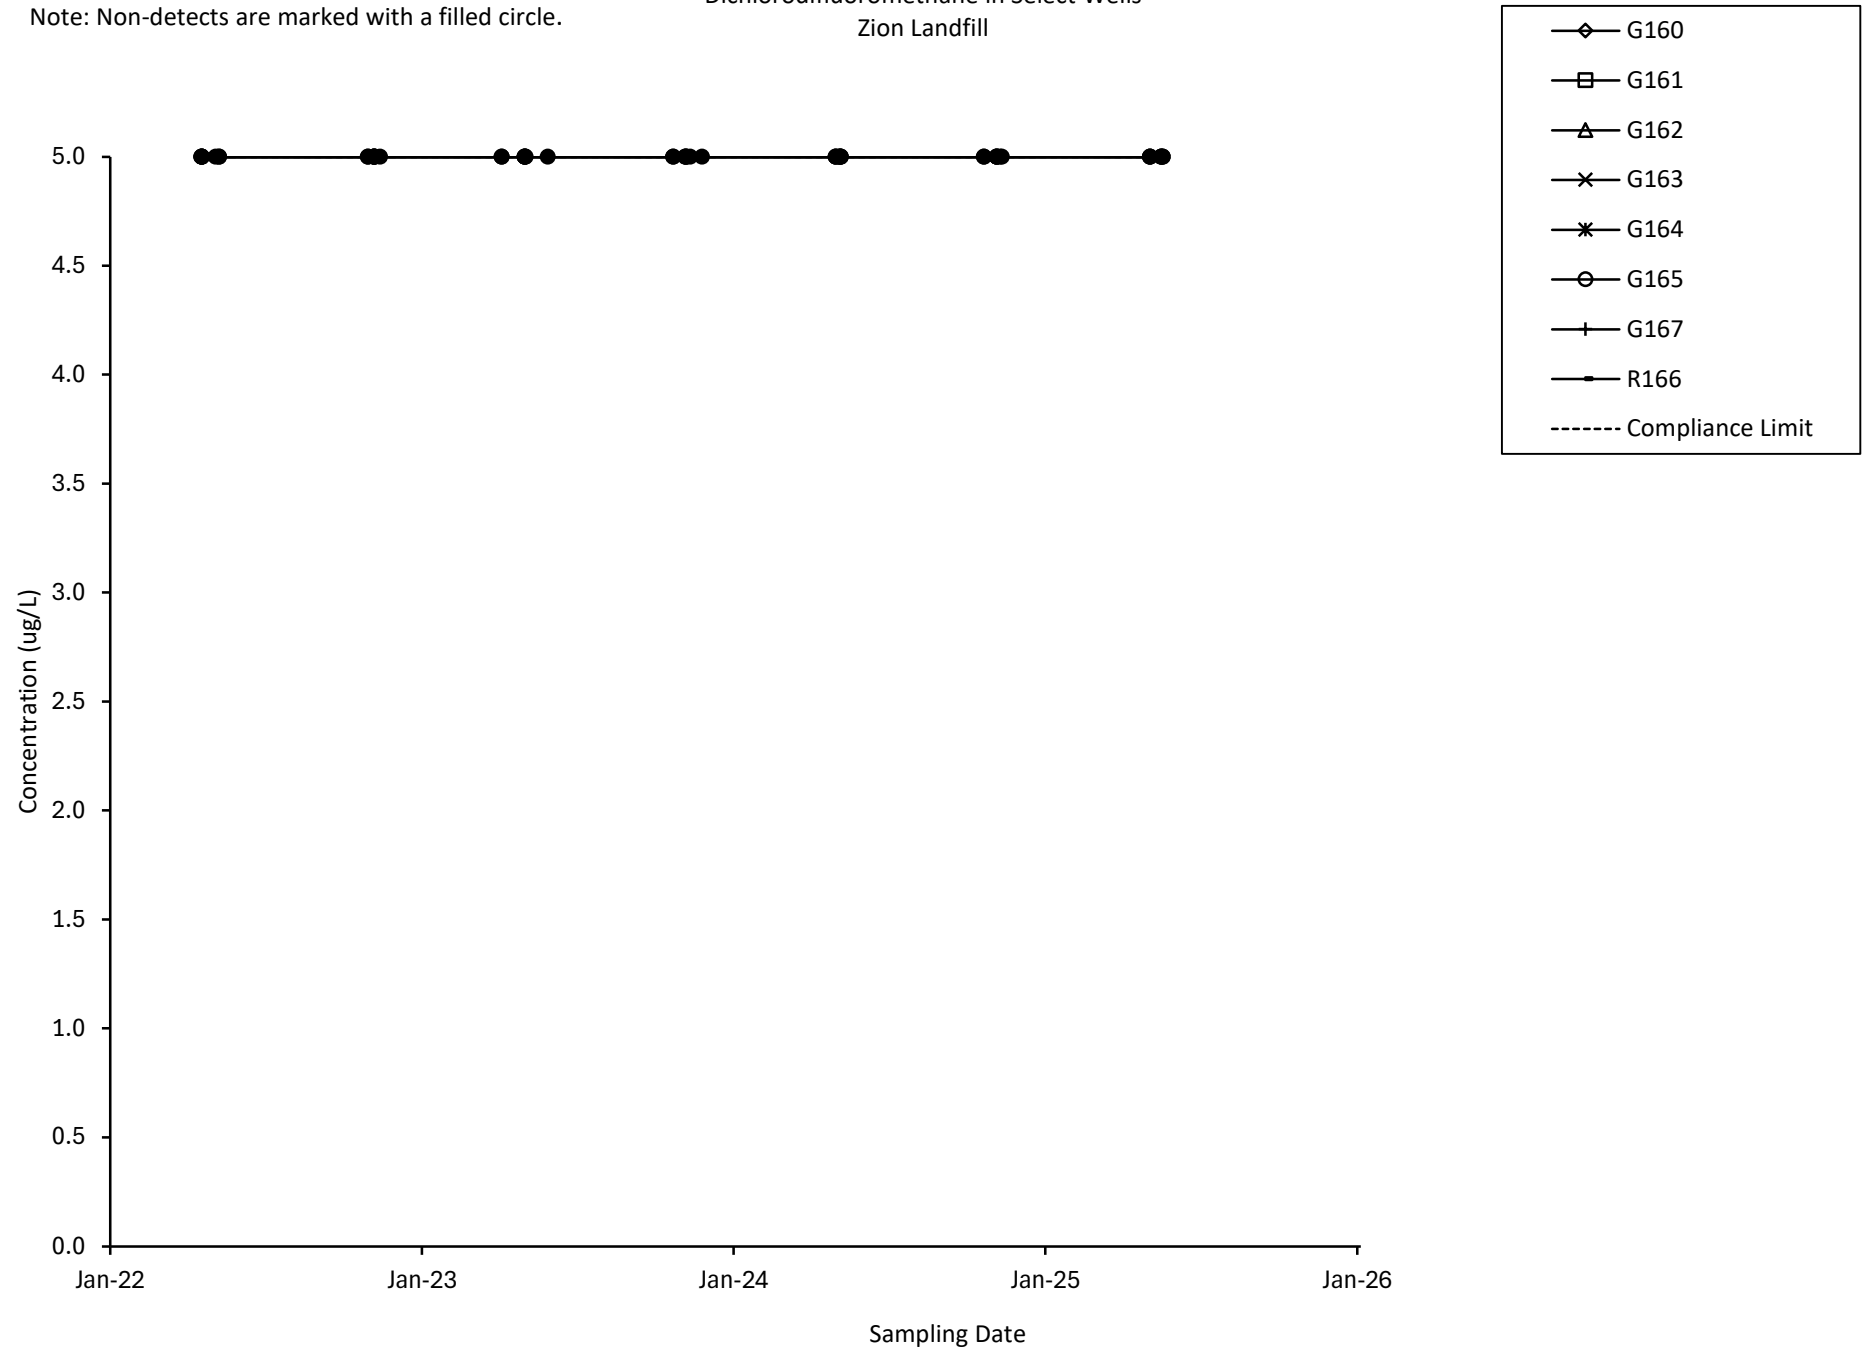

Note: Non-detects are marked with a filled circle.

Dibromomethane (Methylene Bromide) in Select Wells

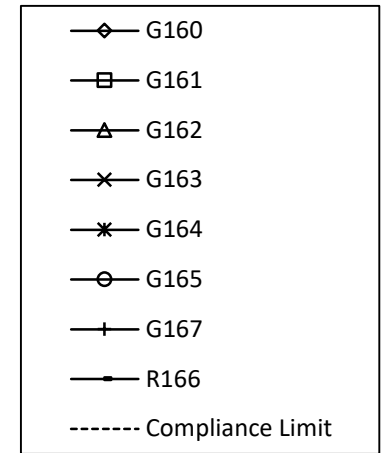

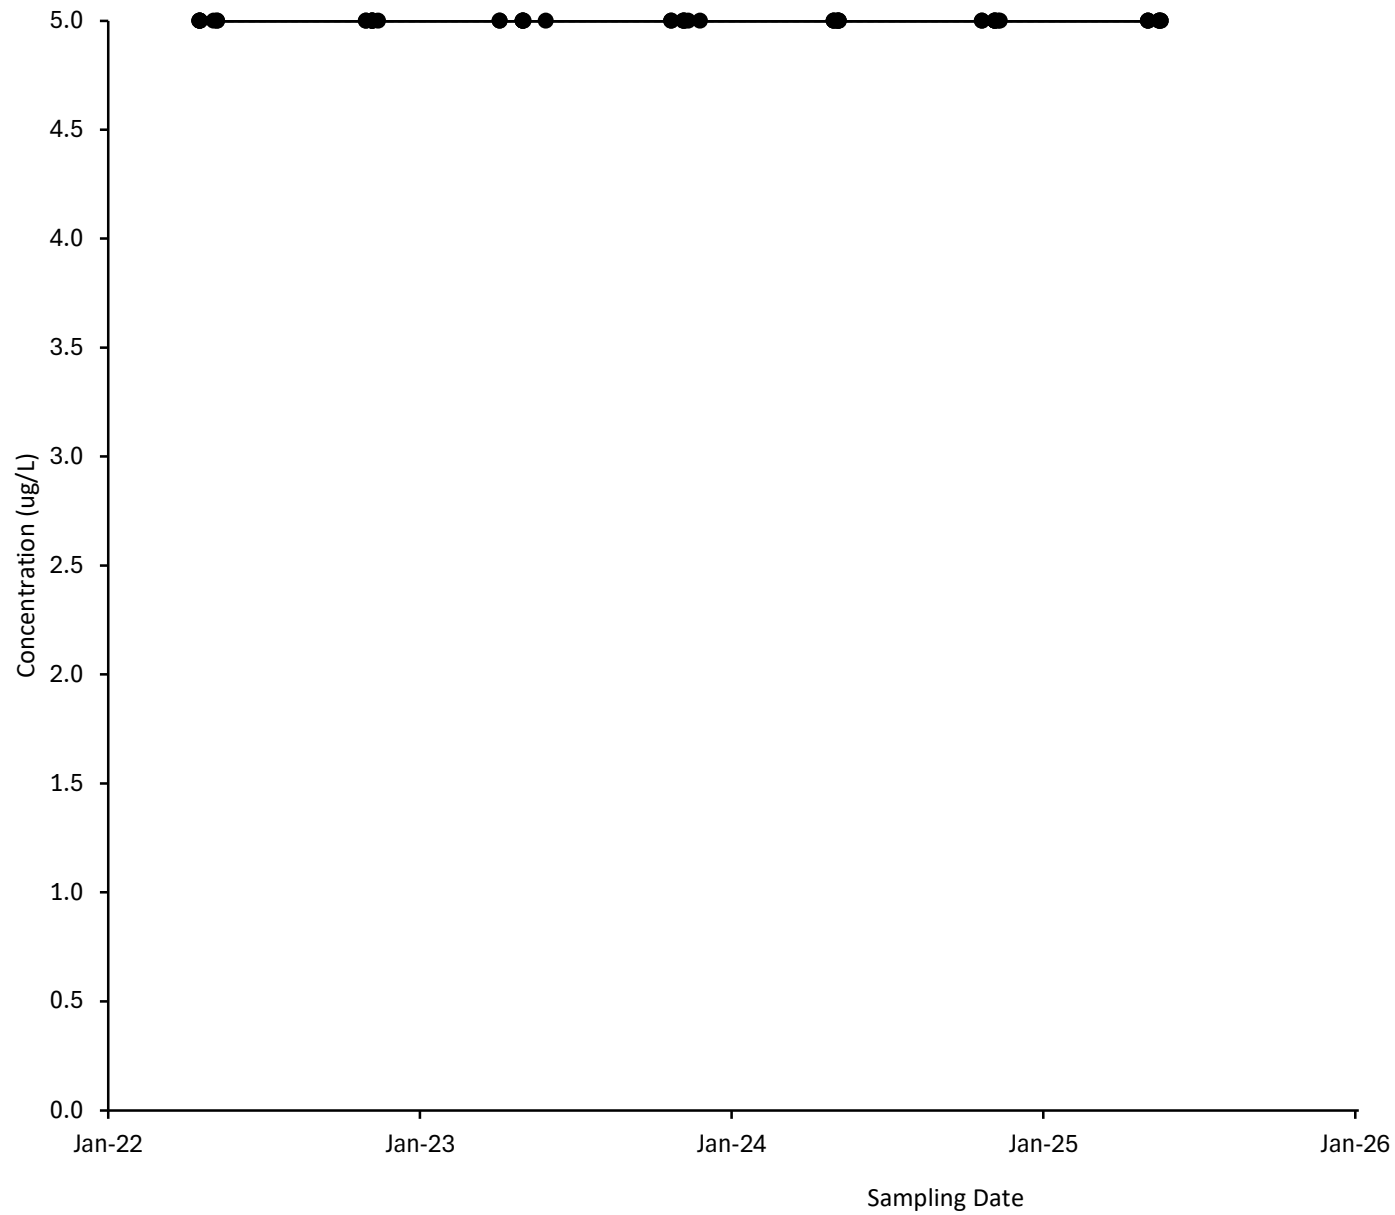

Note: Non-detects are marked with a filled circle.

Dichlorodifluoromethane in Select Wells Zion Landfill

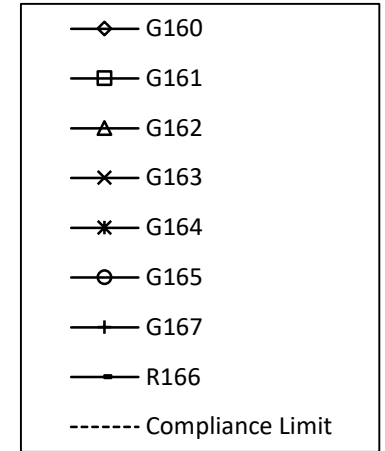

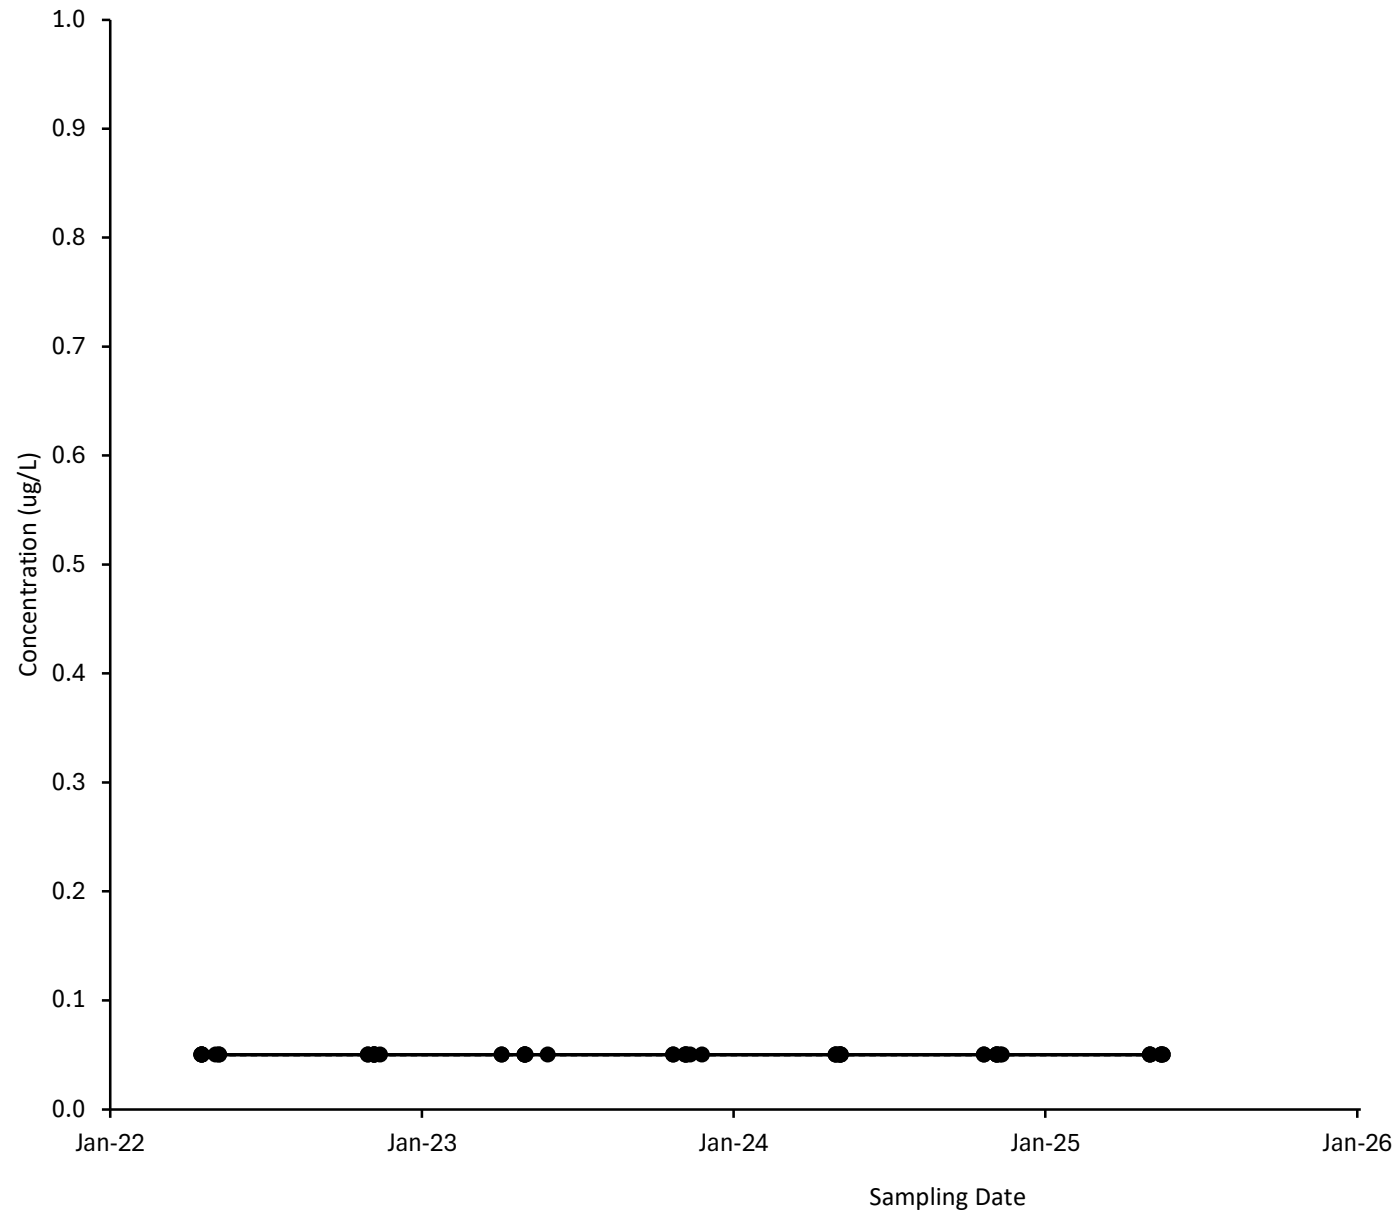

Note: Non-detects are marked with a filled circle.

Ethylbenzene in Select Wells Zion Landfill

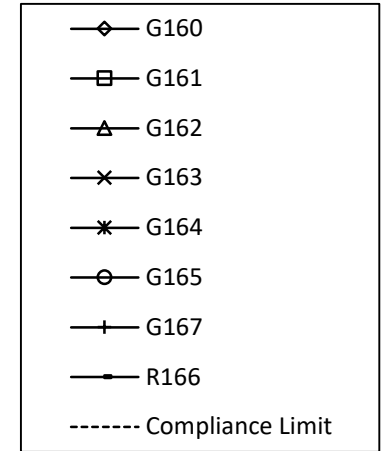

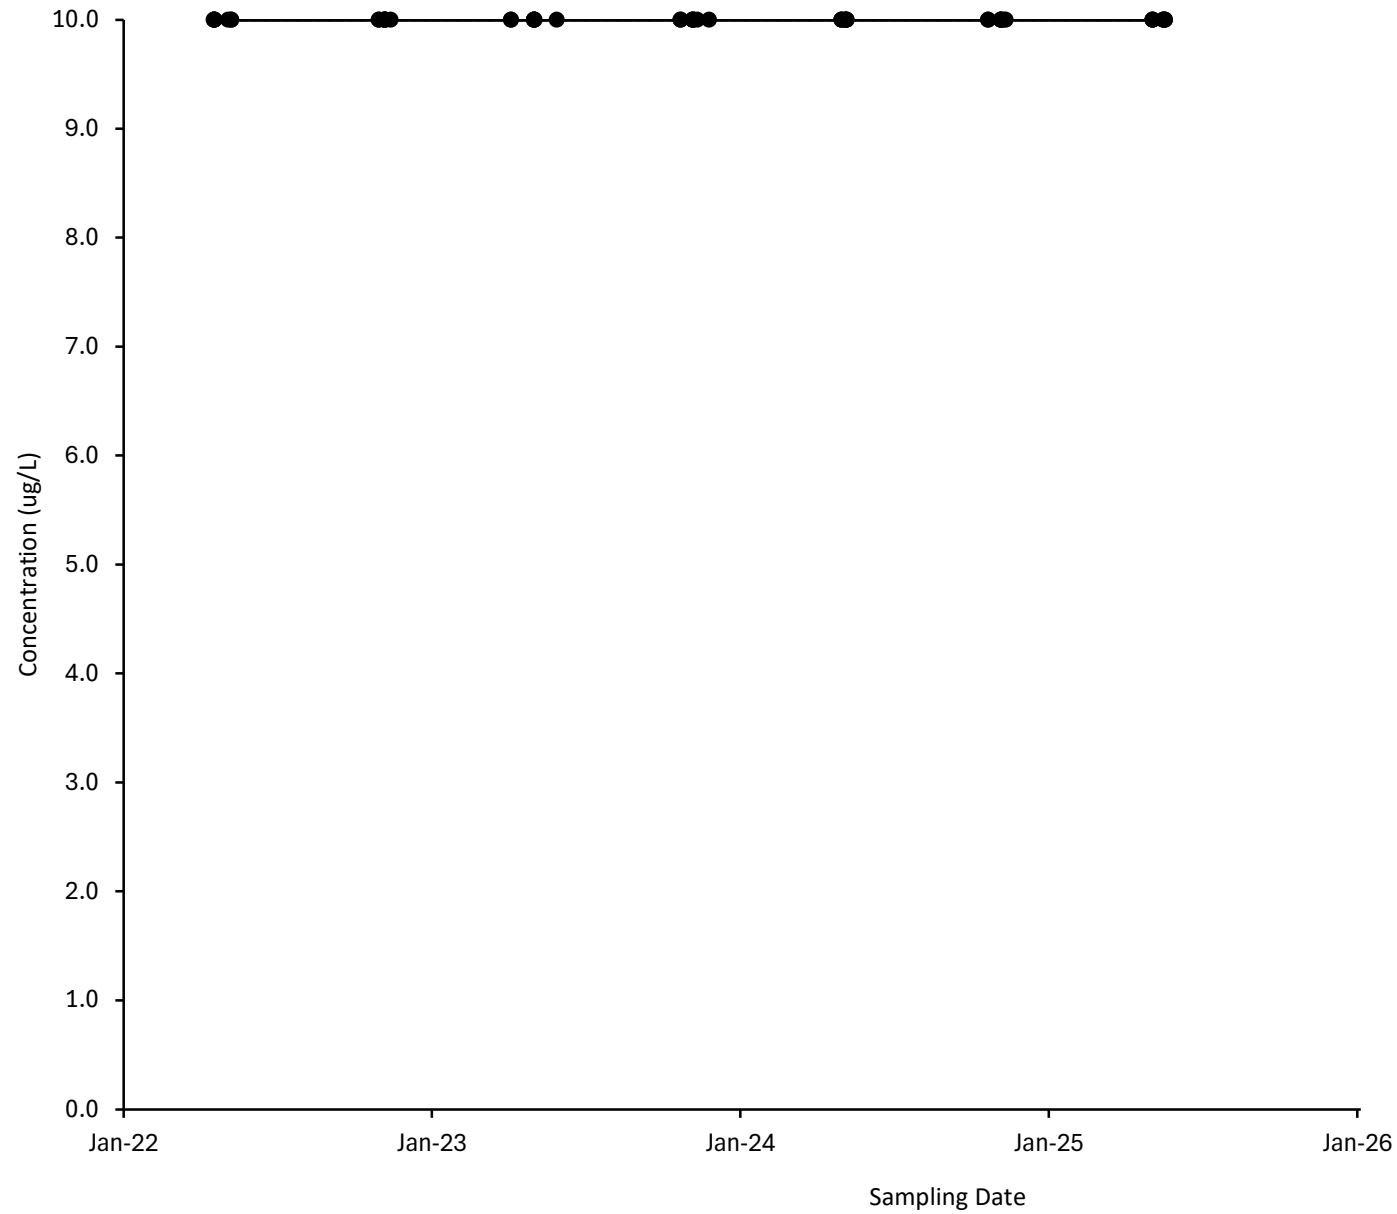

Note: Non-detects are marked with a filled circle.

Ethylene Dibromide (EDB) in Select Wells
Zion Landfill

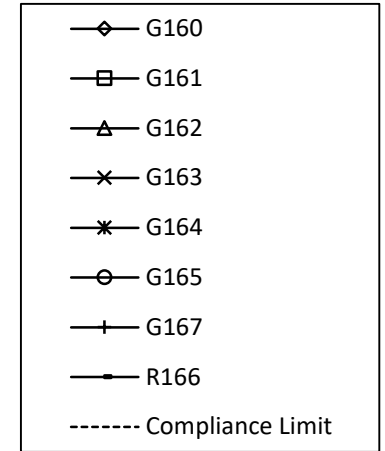

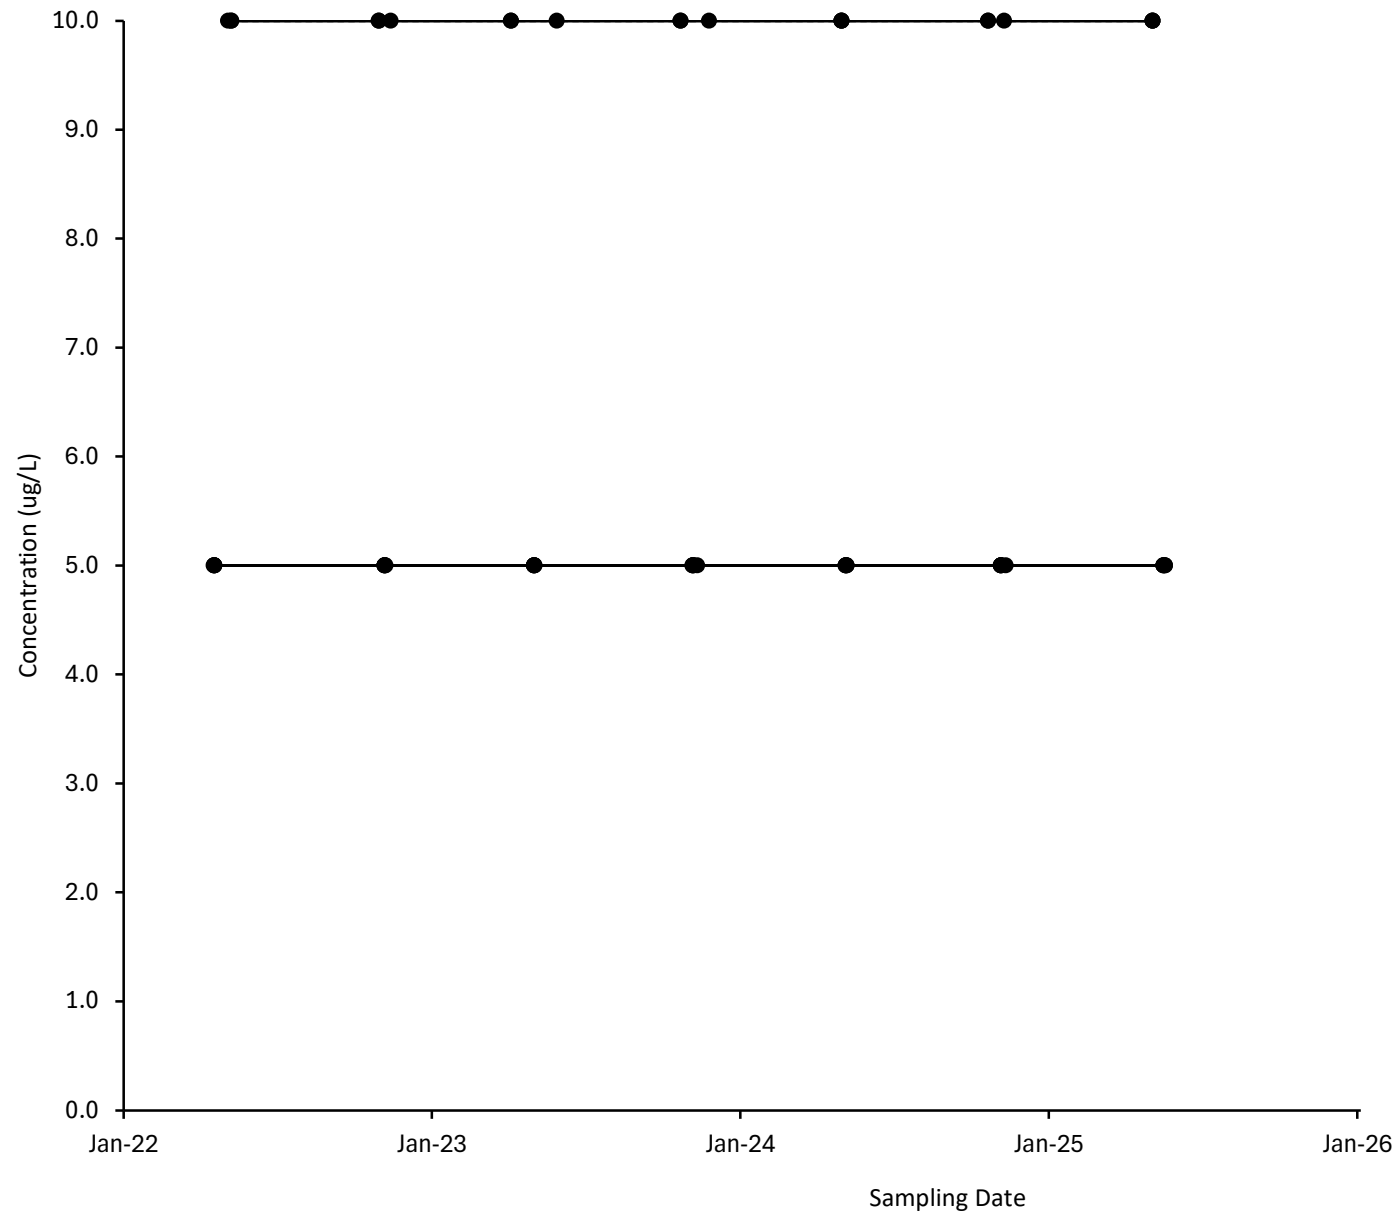

Note: Non-detects are marked with a filled circle.

Hexachlorobutadiene in Select Wells Zion Landfill

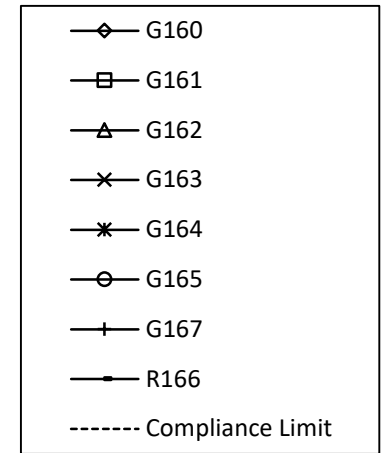

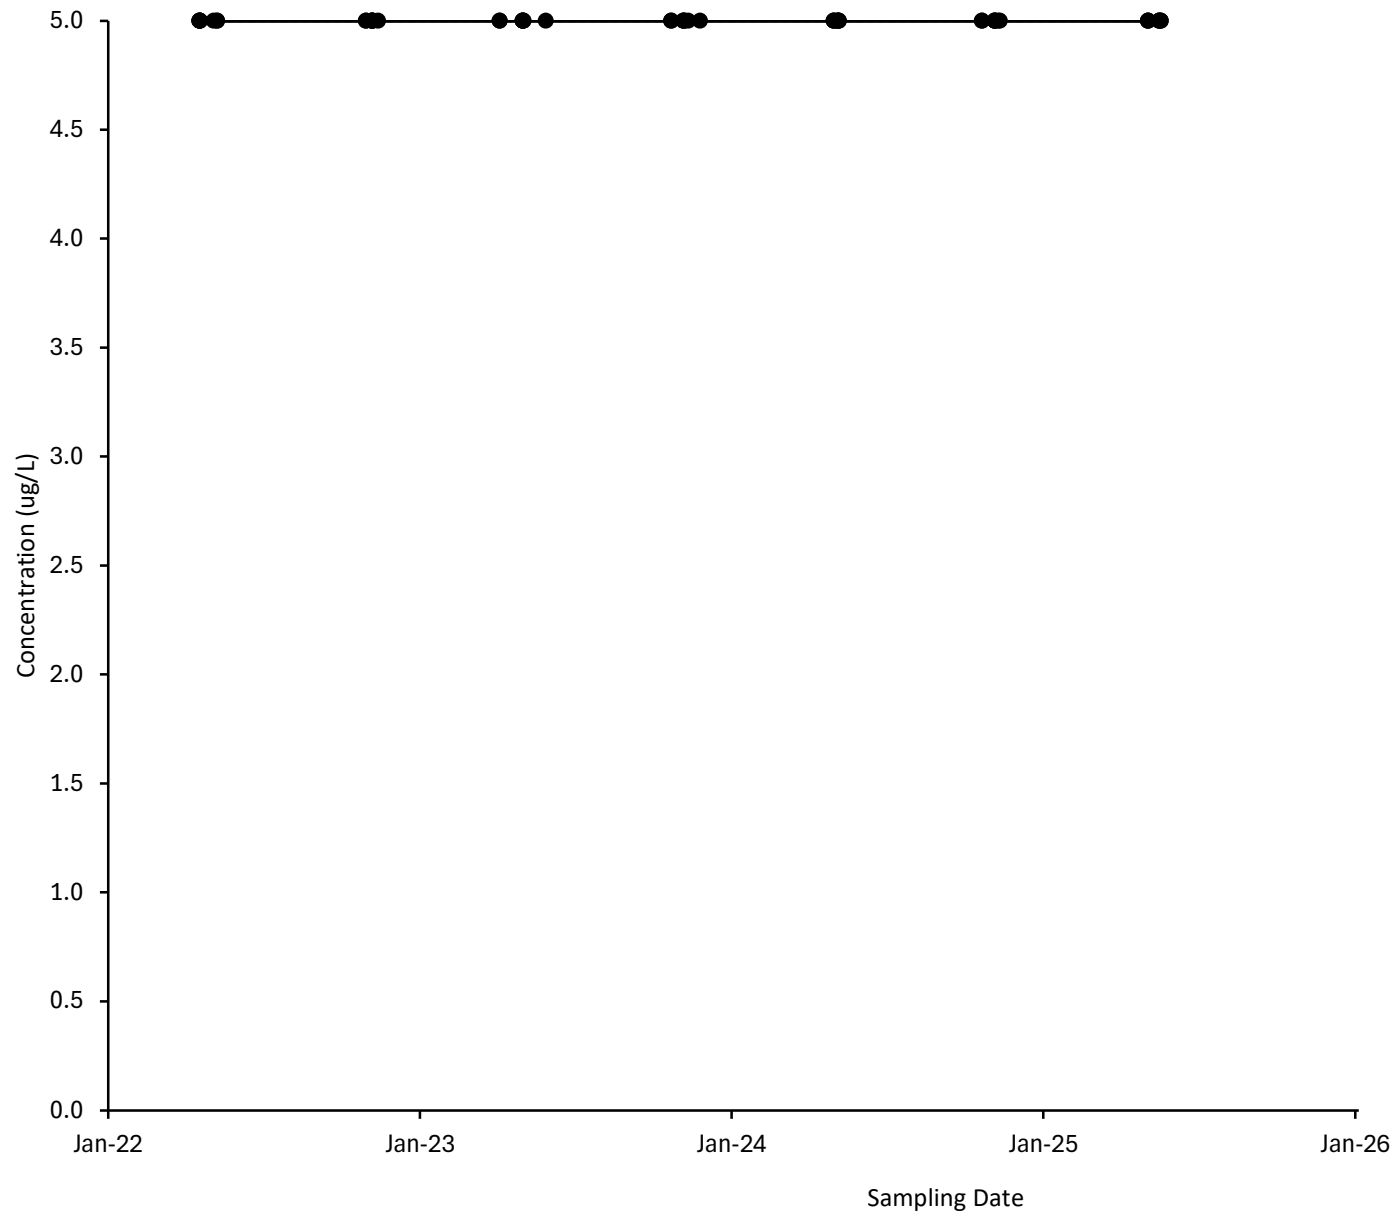

Note: Non-detects are marked with a filled circle.

Iodomethane in Select Wells
Zion Landfill

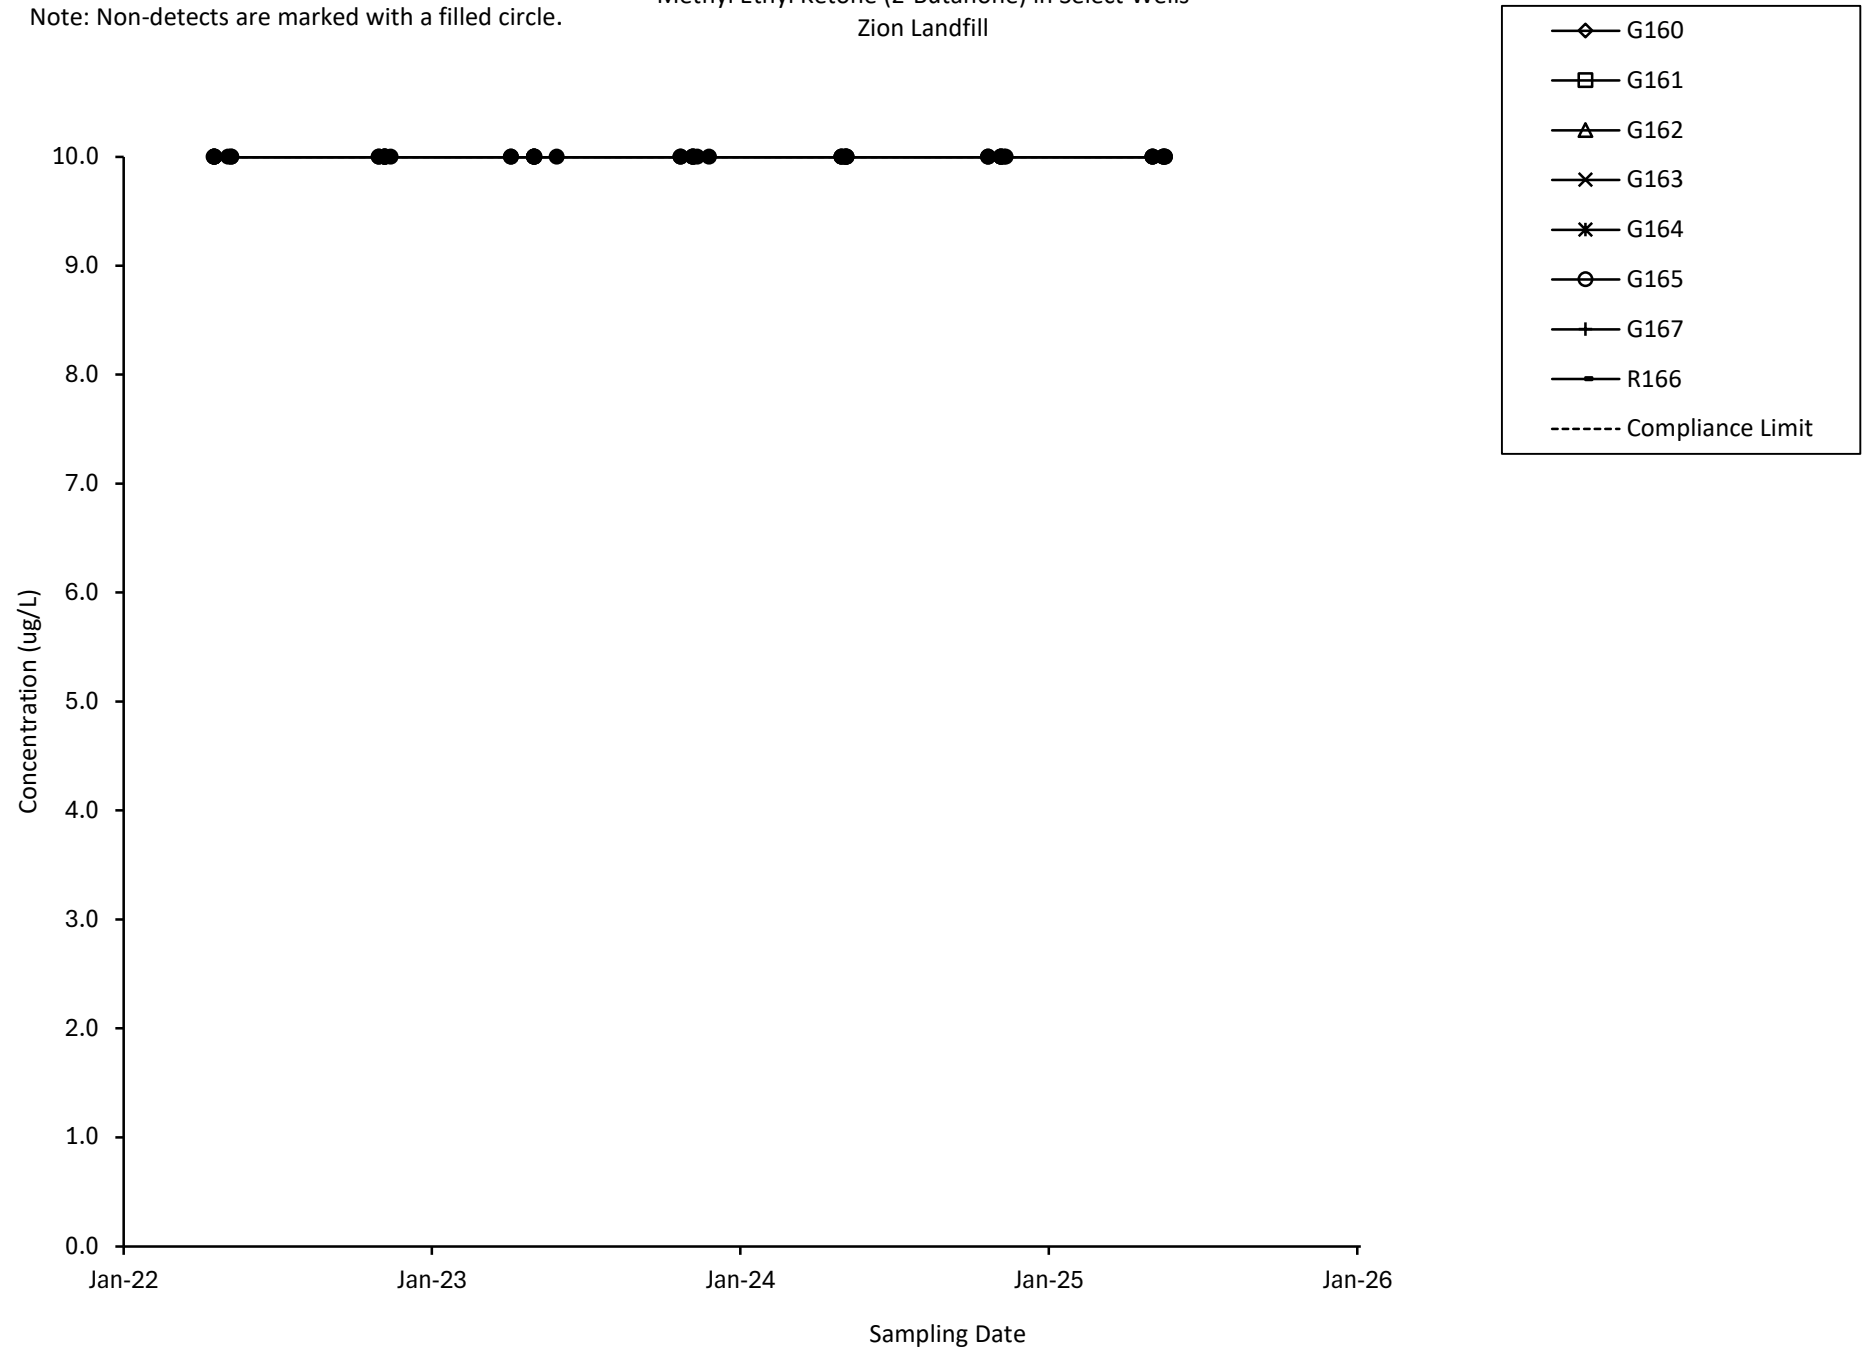

Note: Non-detects are marked with a filled circle.

Isopropylbenzene in Select Wells Zion Landfill

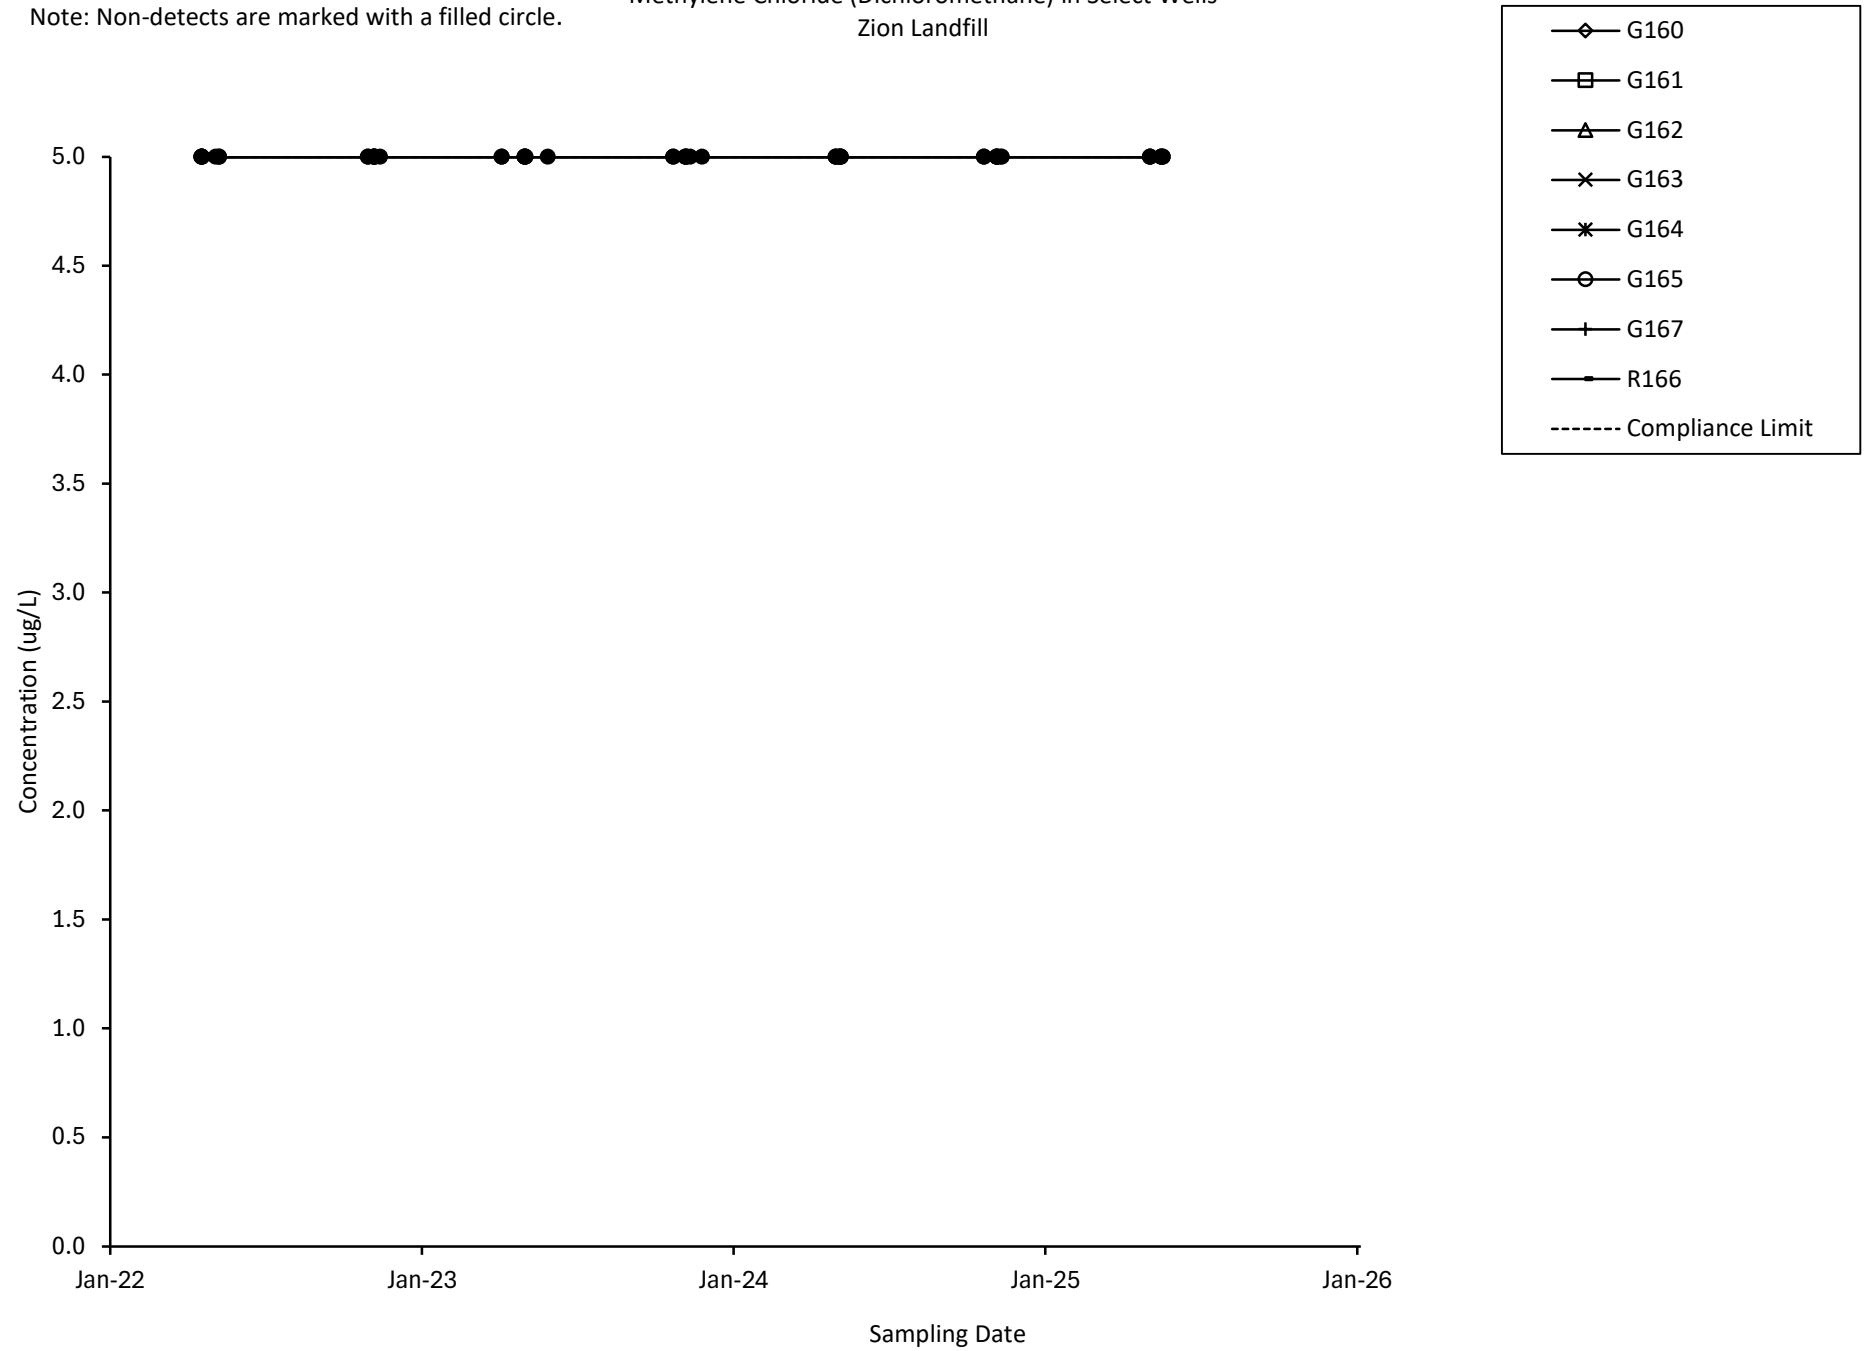

Note: Non-detects are marked with a filled circle.

Methyl Ethyl Ketone (2-Butanone) in Select Wells Zion Landfill

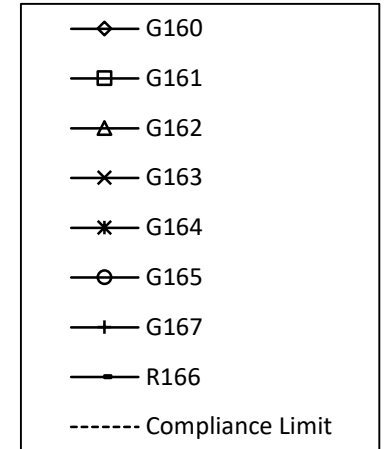

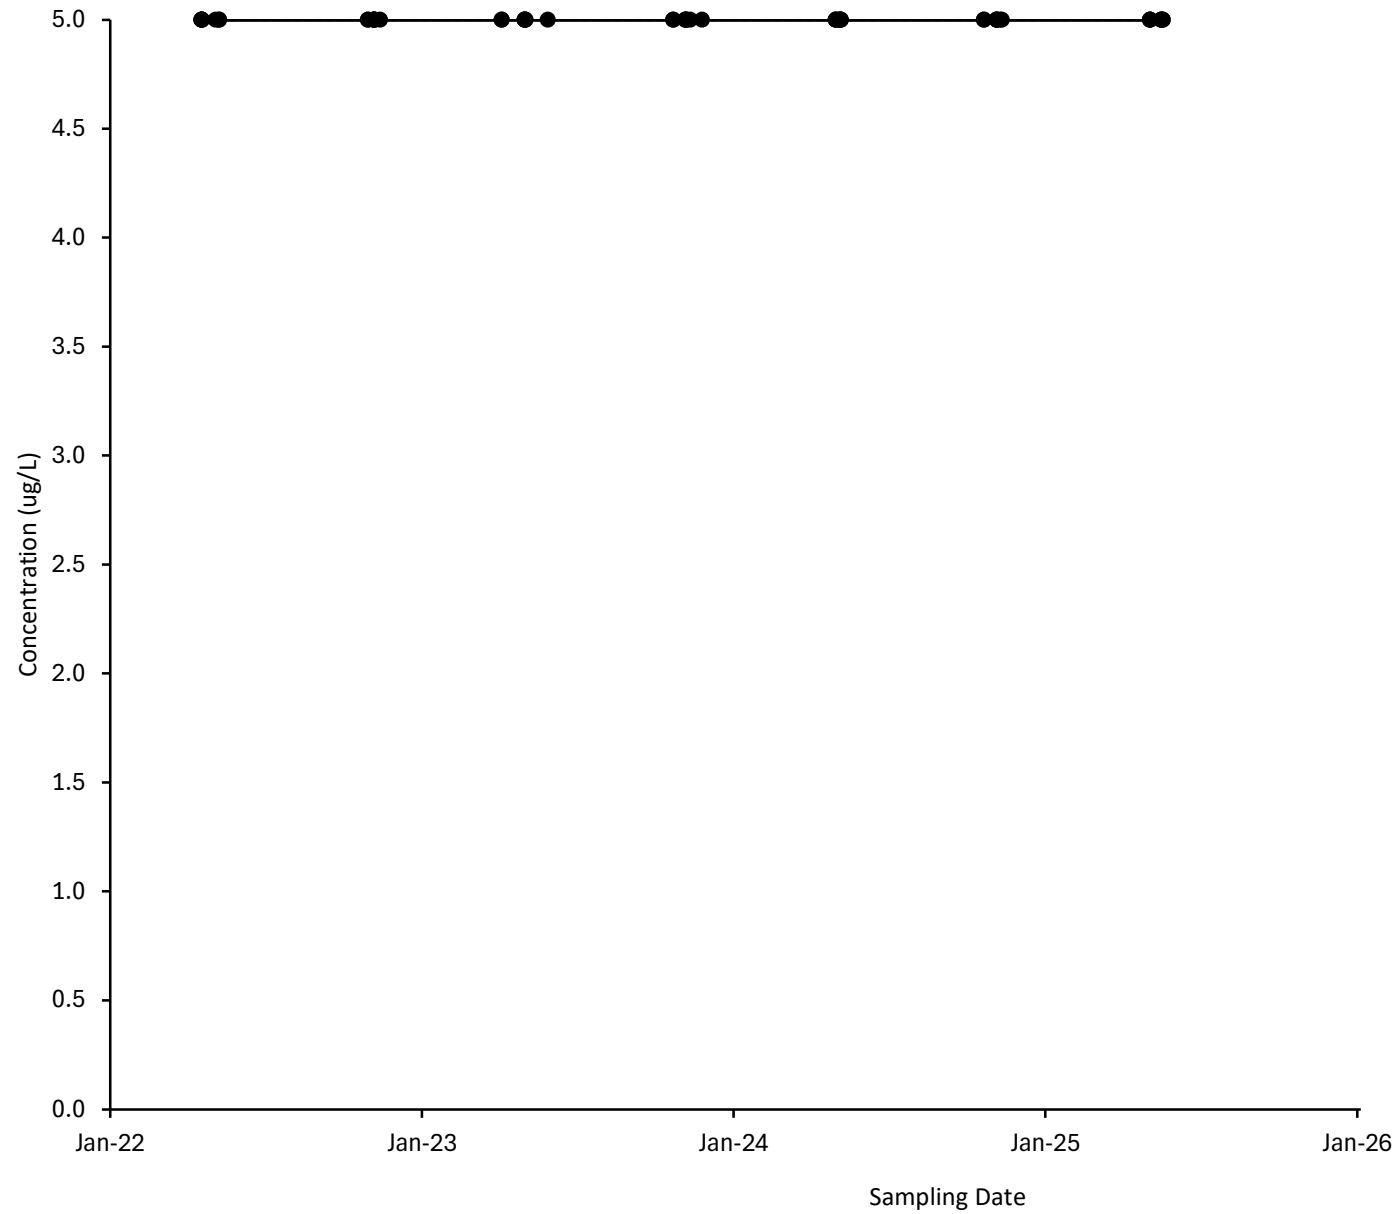

Note: Non-detects are marked with a filled circle.

Methylene Chloride (Dichloromethane) in Select Wells Zion Landfill

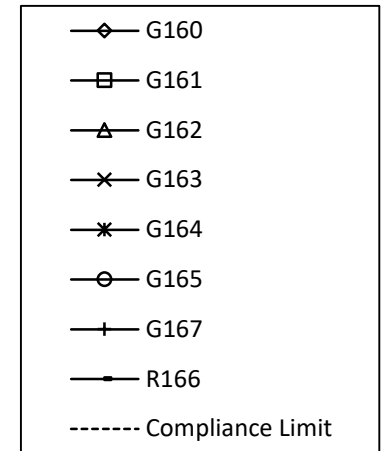

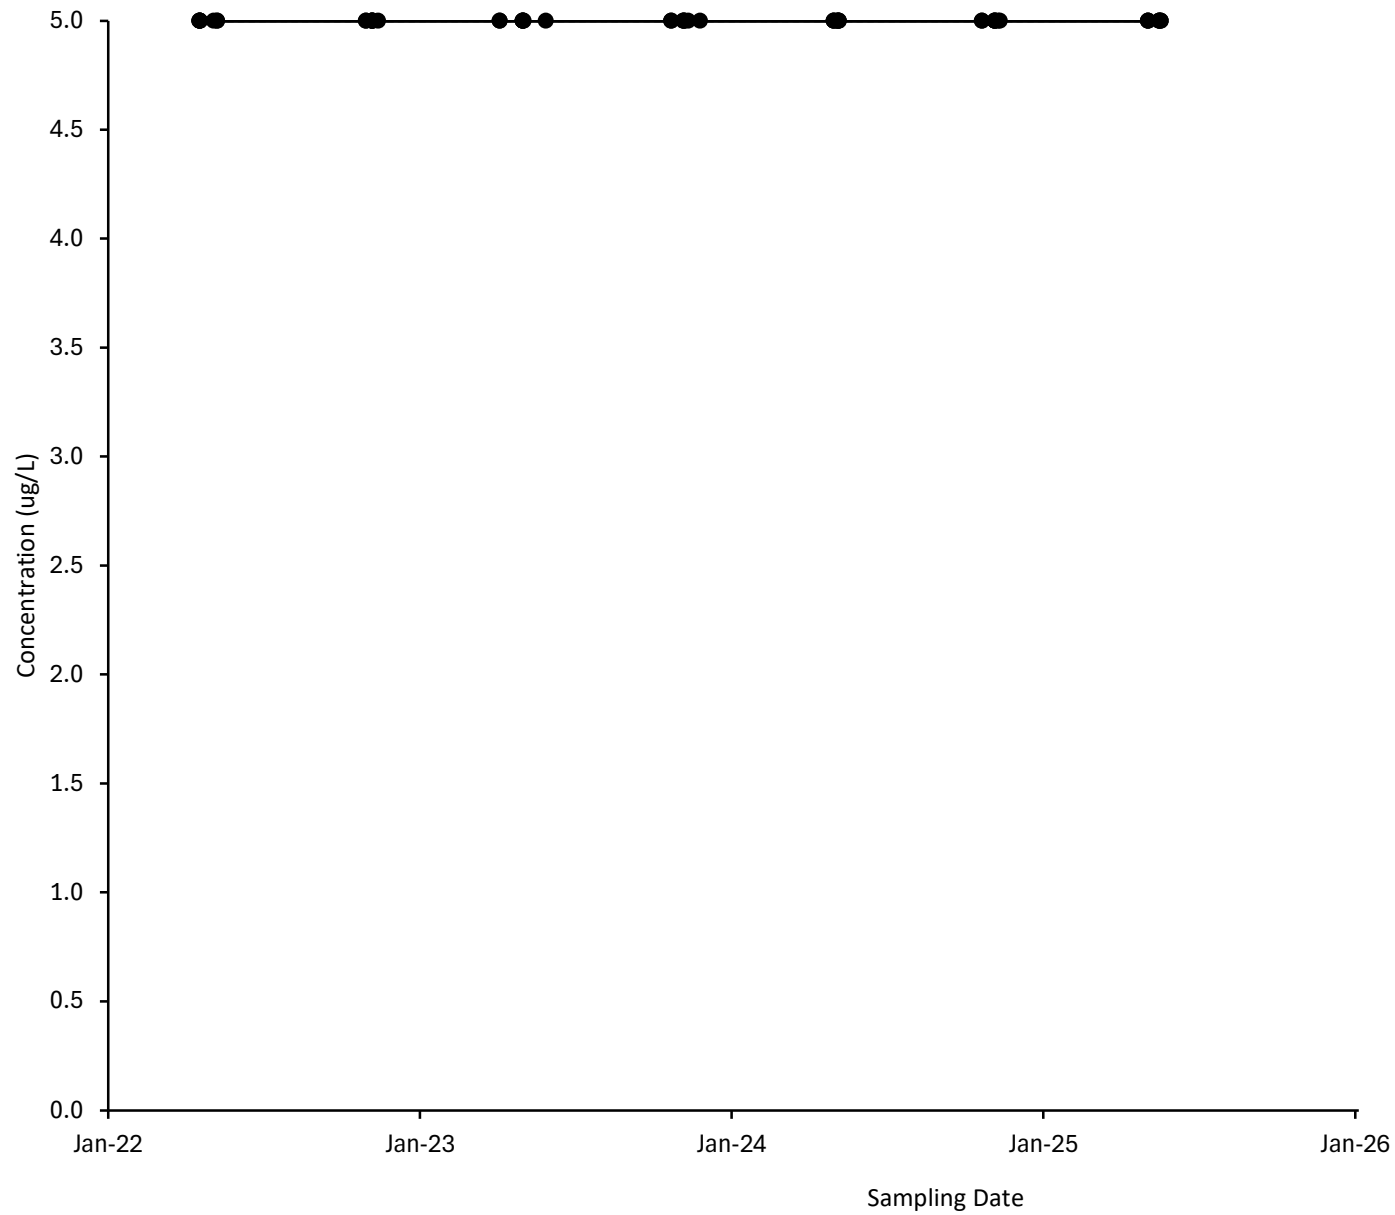

Note: Non-detects are marked with a filled circle.

Naphthalene in Select Wells Zion Landfill

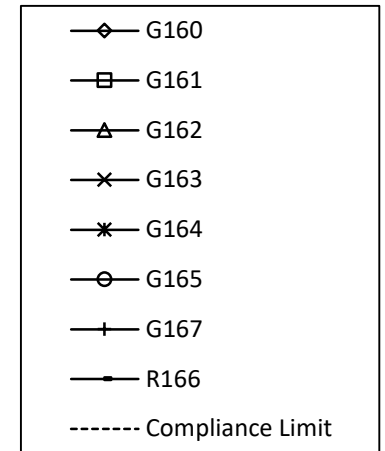

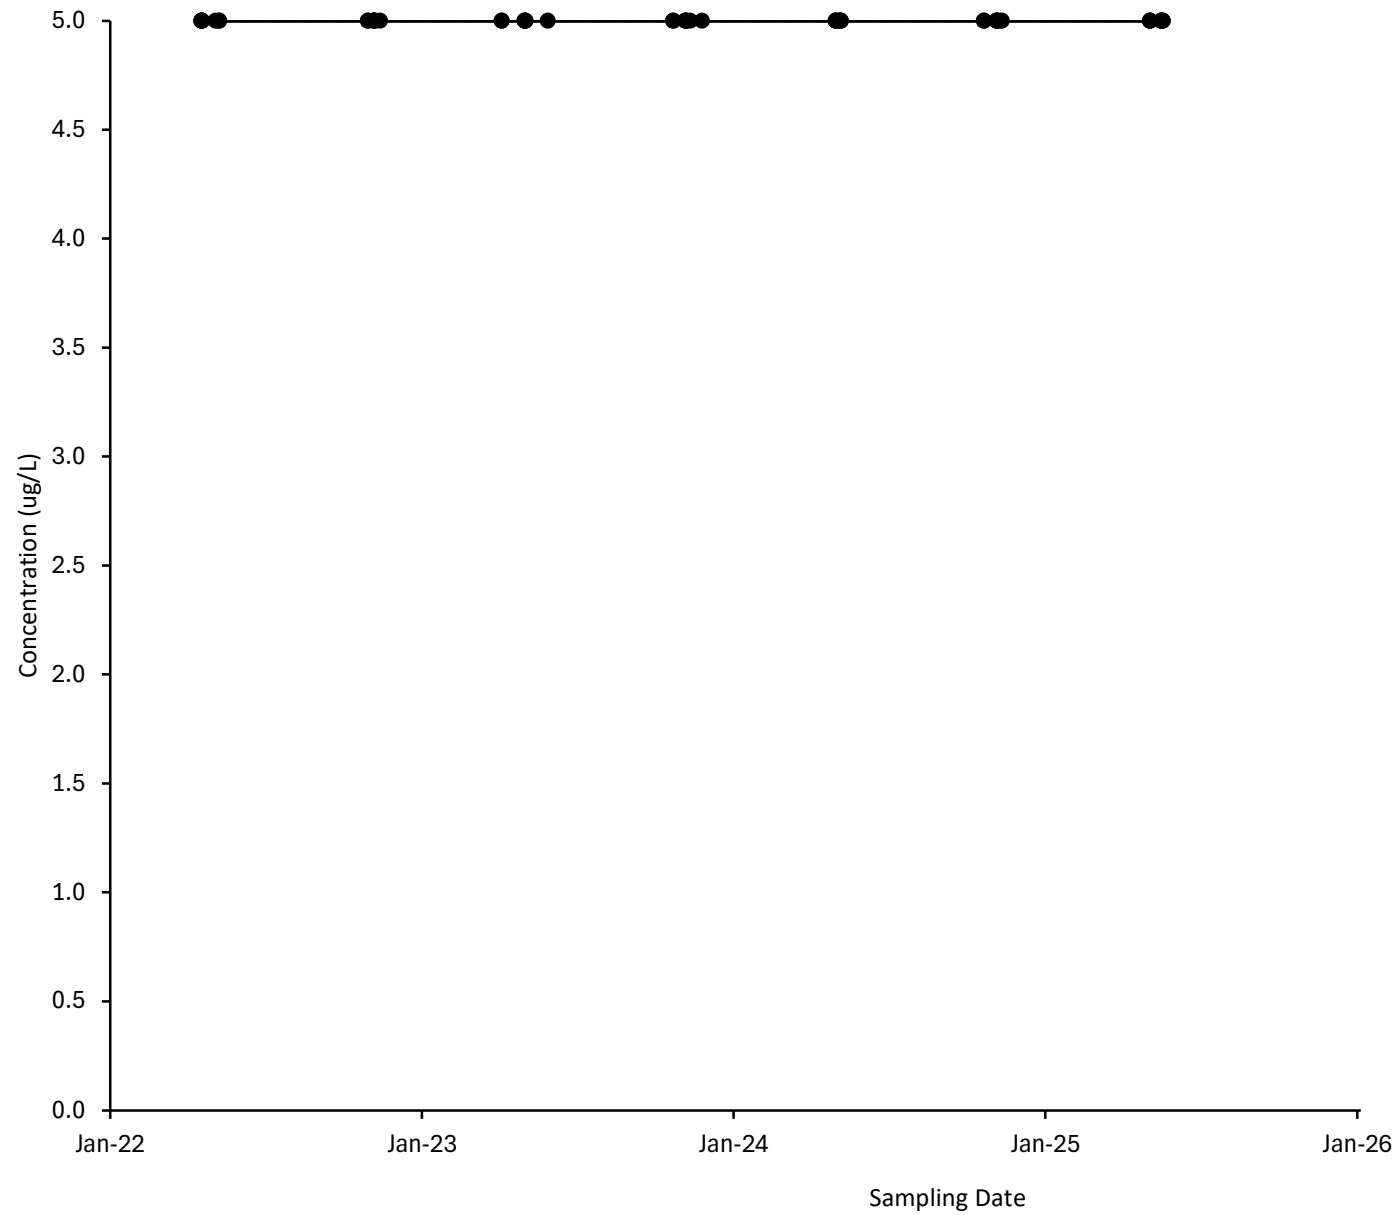

Note: Non-detects are marked with a filled circle.

n-Butylbenzene in Select Wells Zion Landfill

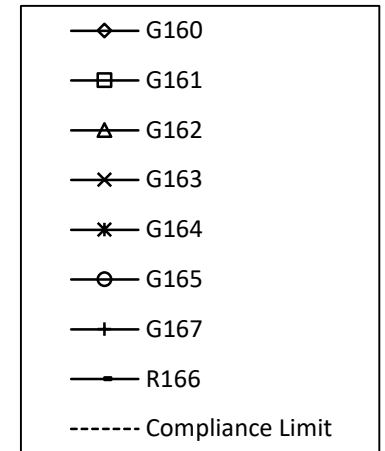

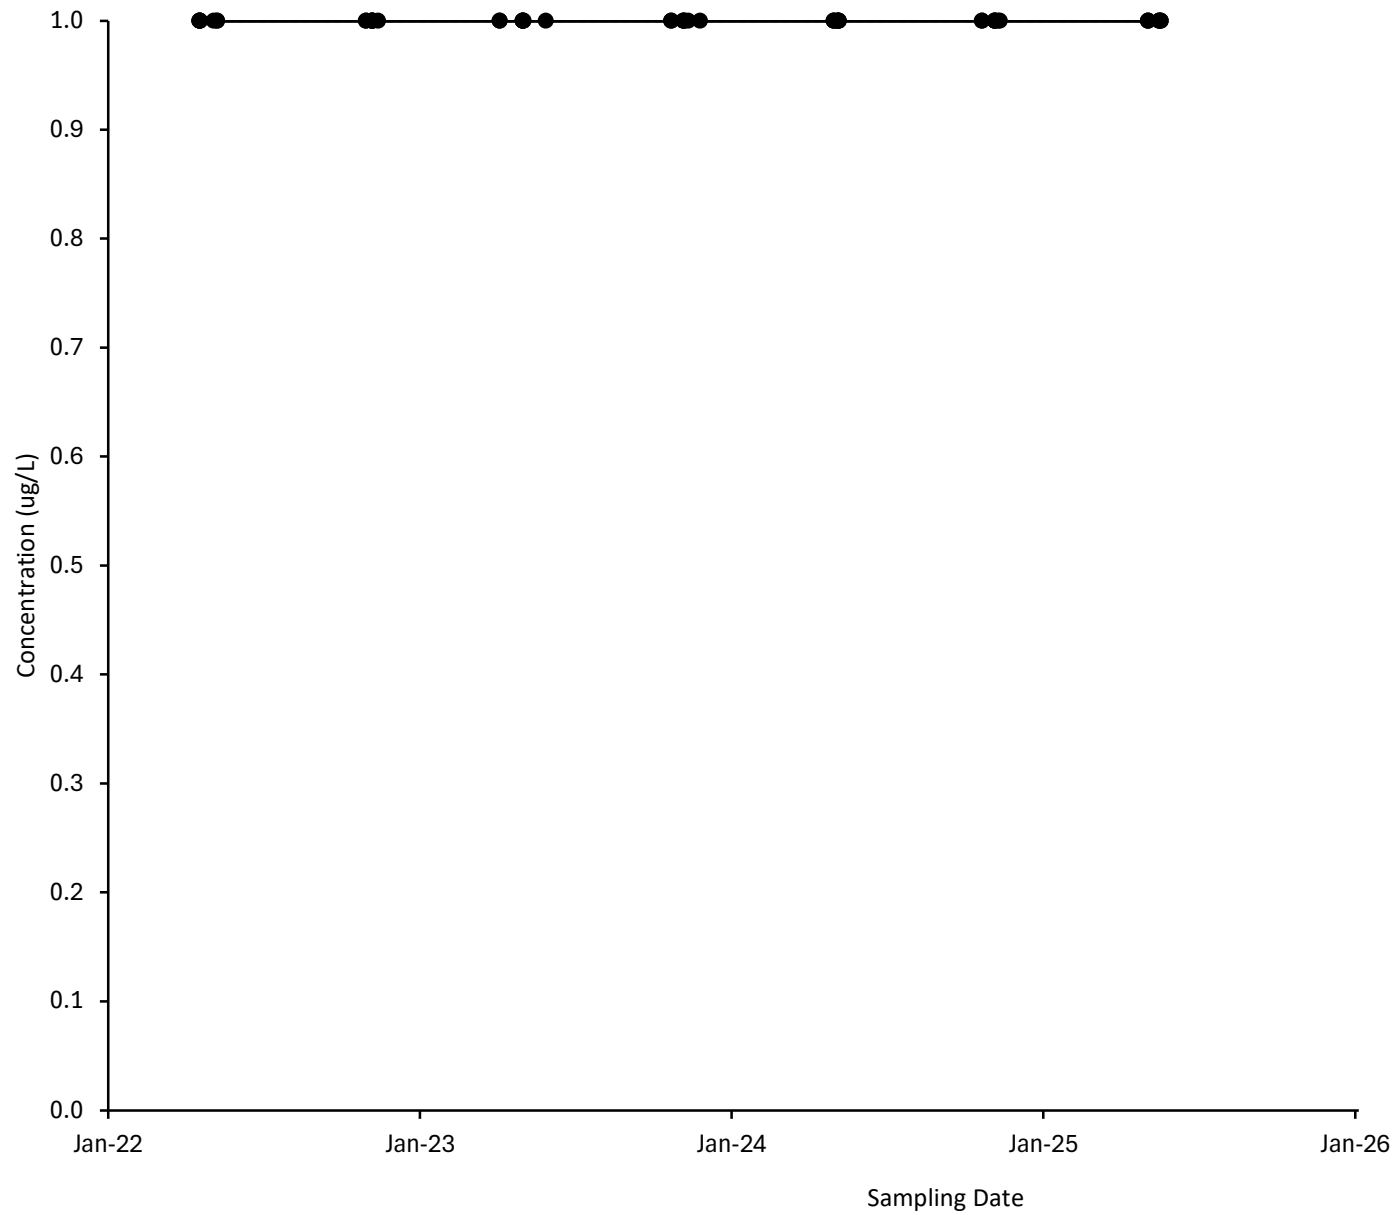

n-Propylbenzene in Select Wells Zion Landfill

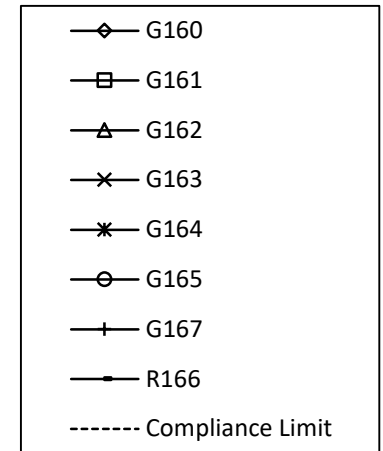

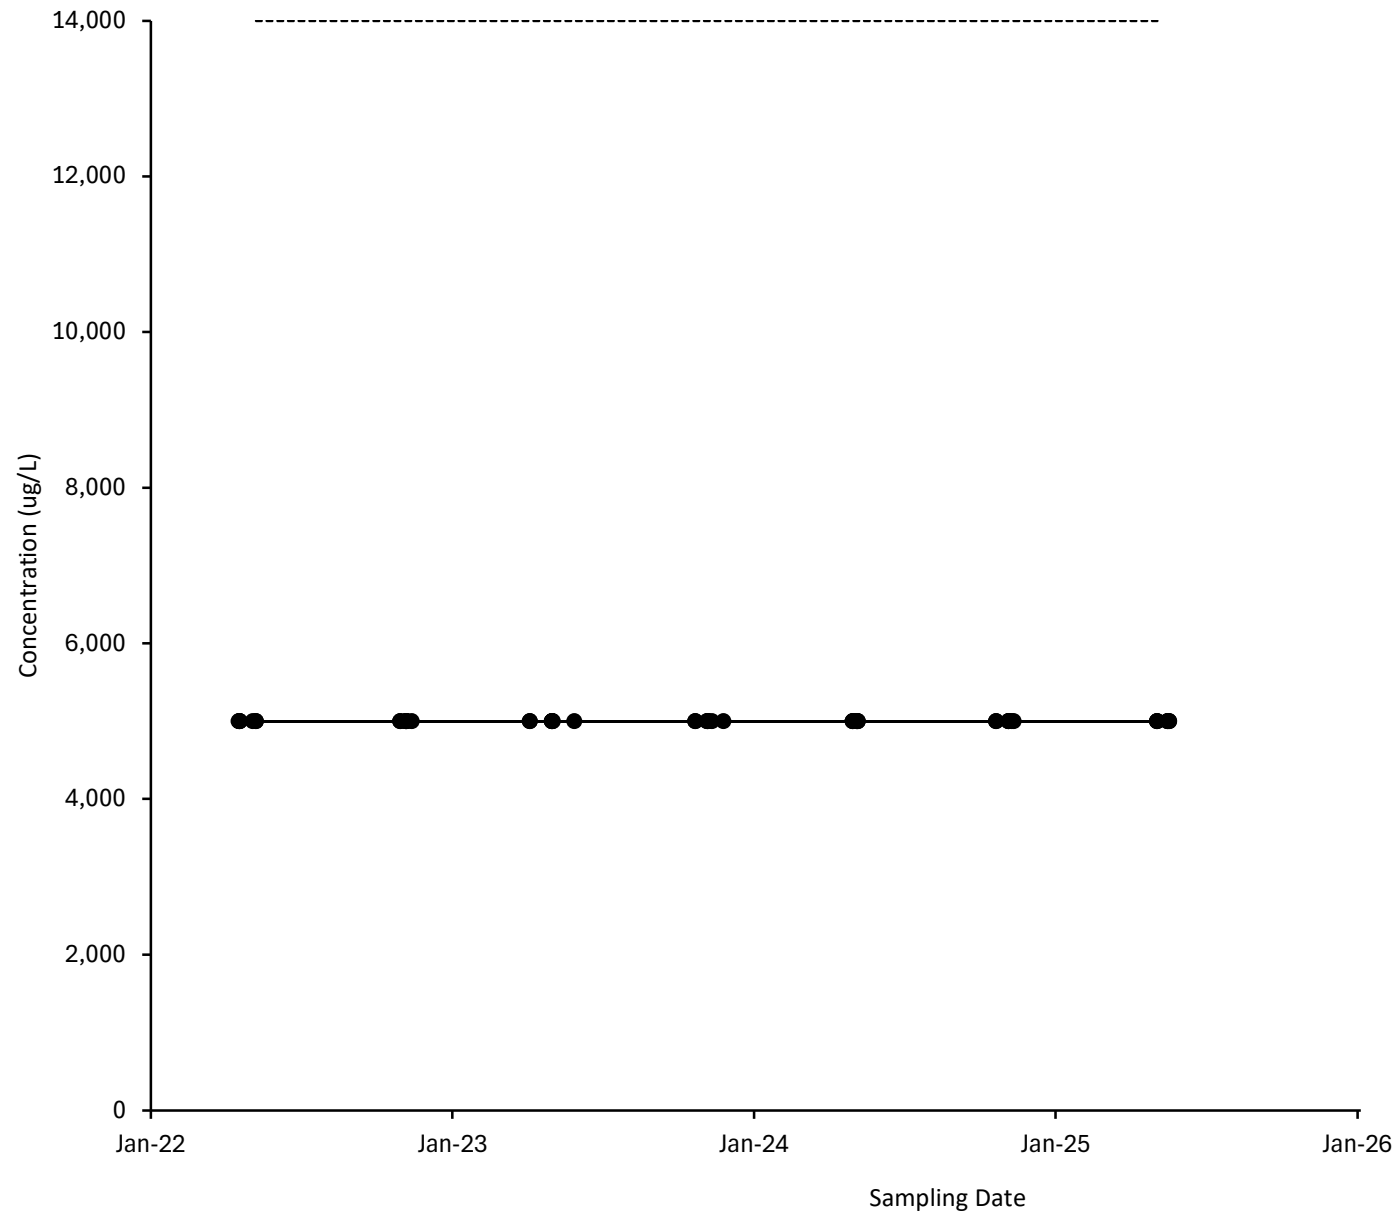

Note: Non-detects are marked with a filled circle.

o-Chlorotoluene in Select Wells Zion Landfill

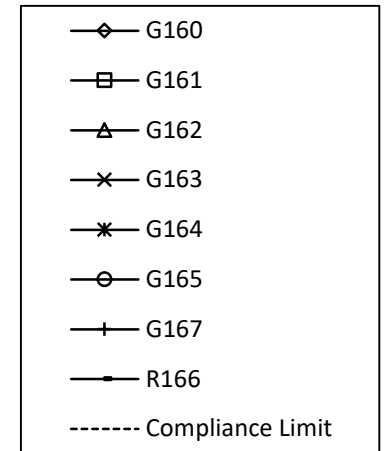

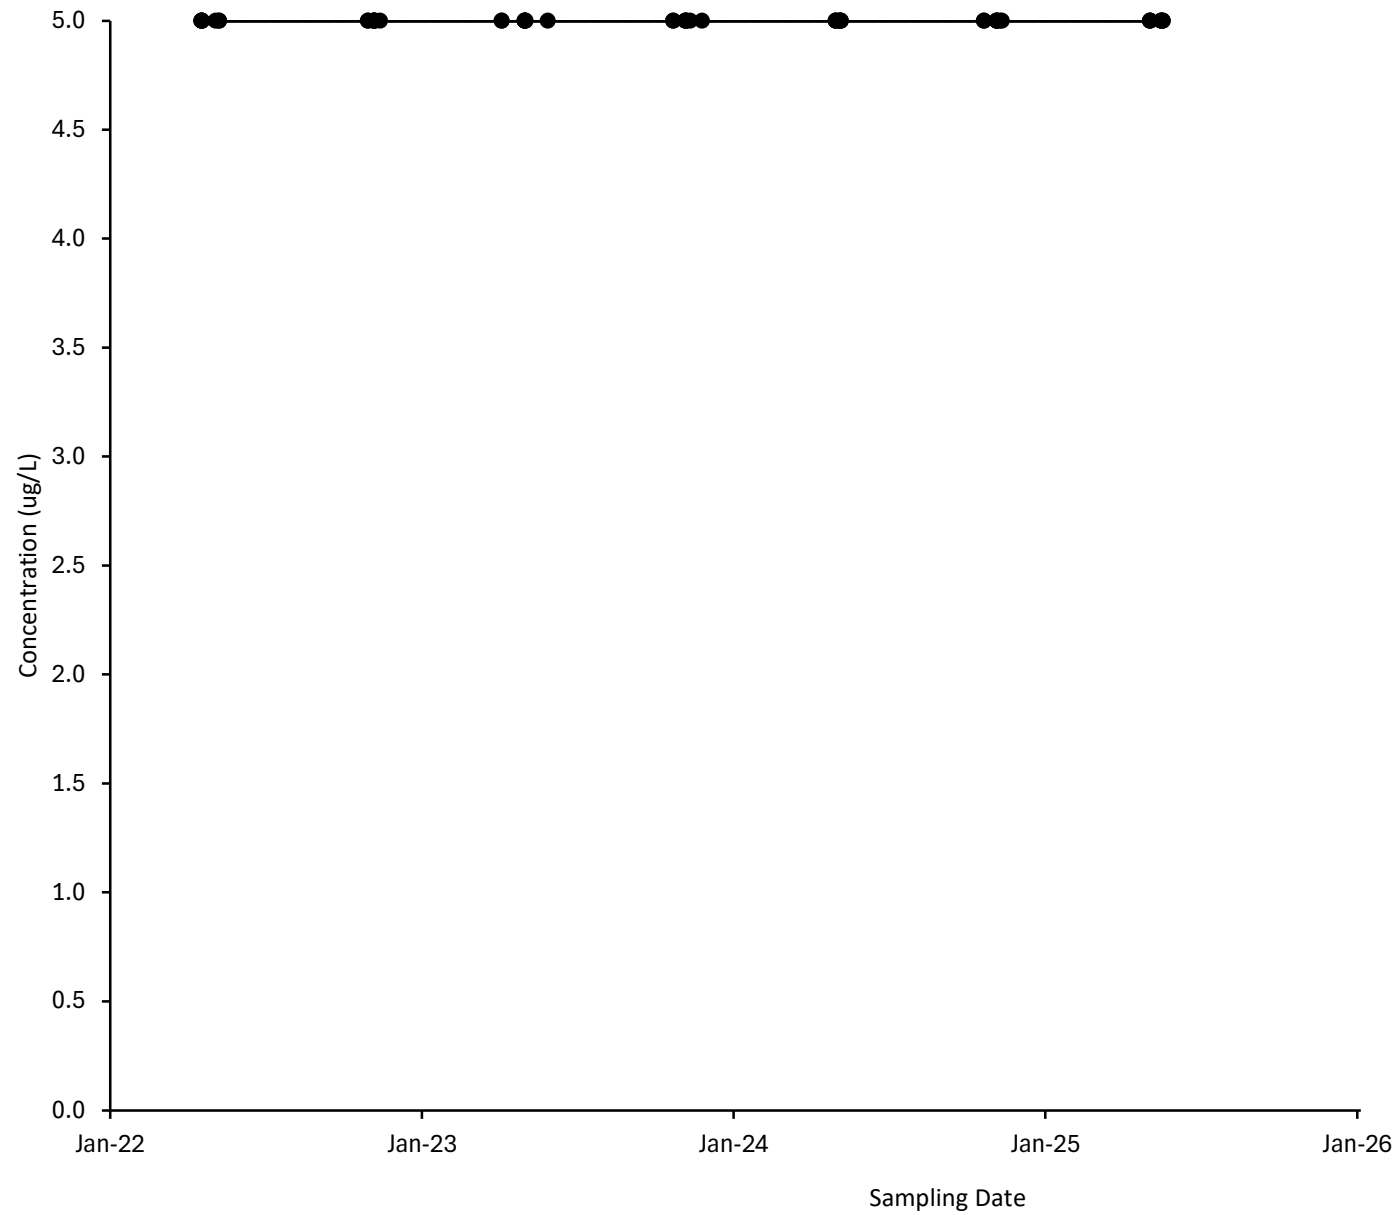

Note: Non-detects are marked with a filled circle.

Oil (hexane soluble or equivalent) in Select Wells
Zion Landfill

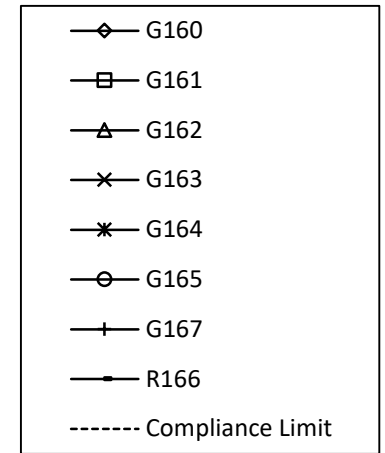

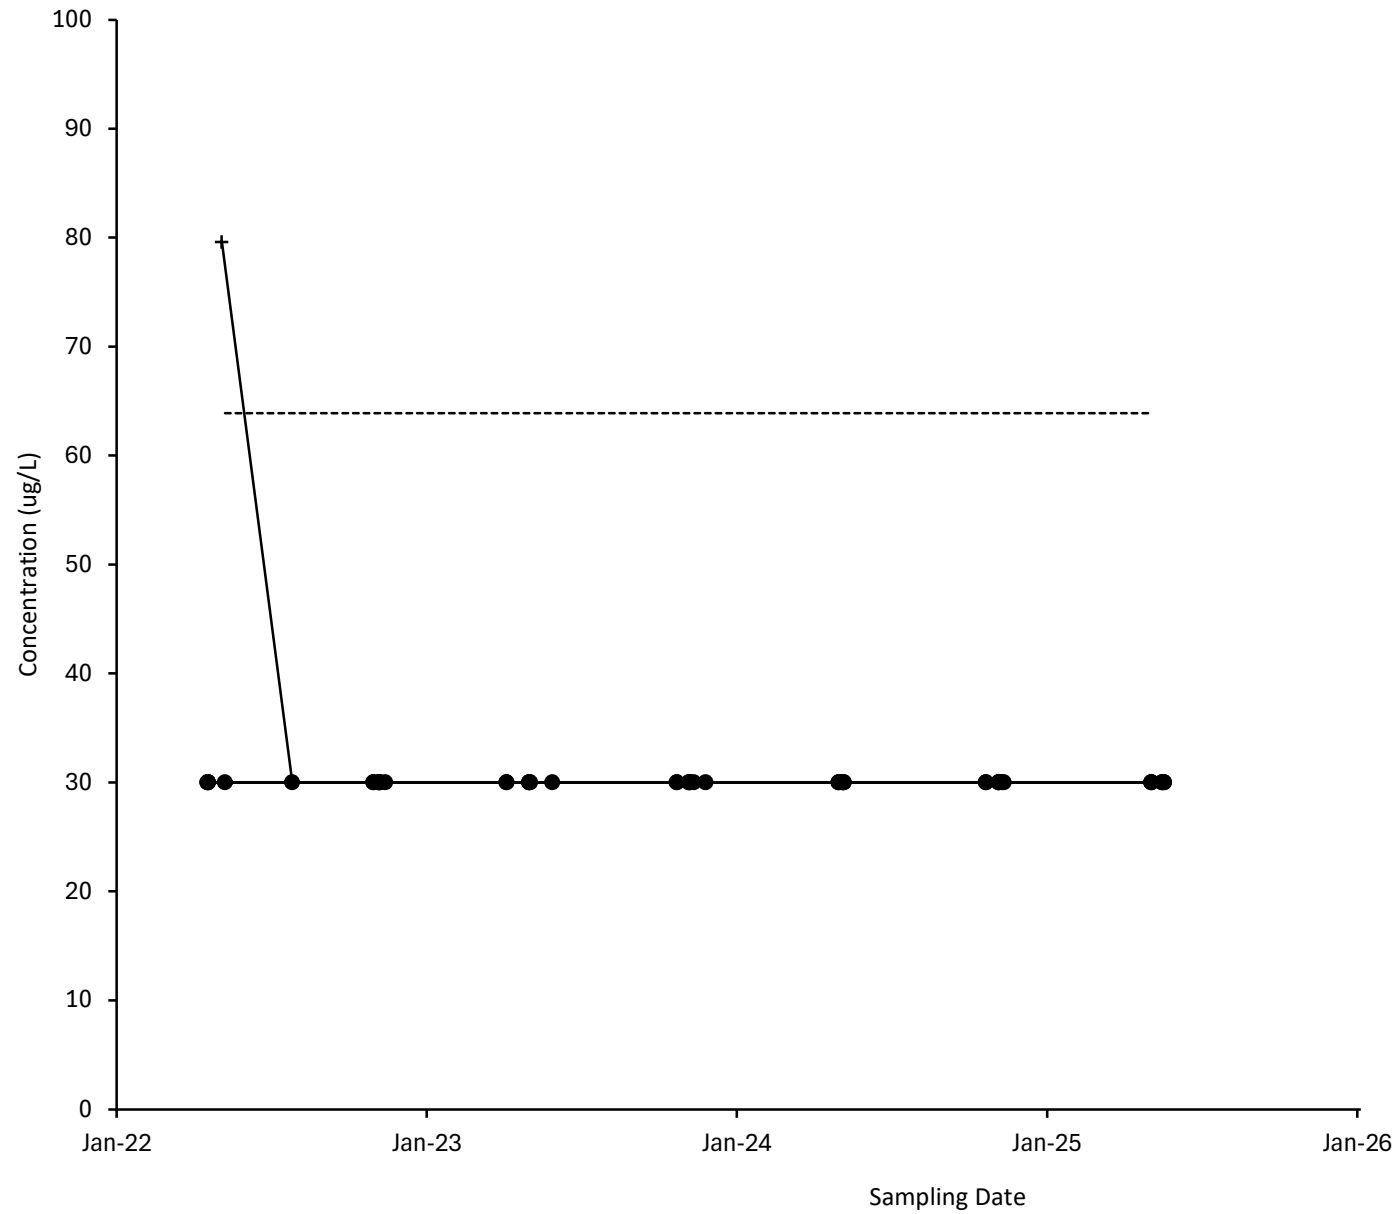

Note: Non-detects are marked with a filled circle.

p-Chlorotoluene in Select Wells
Zion Landfill

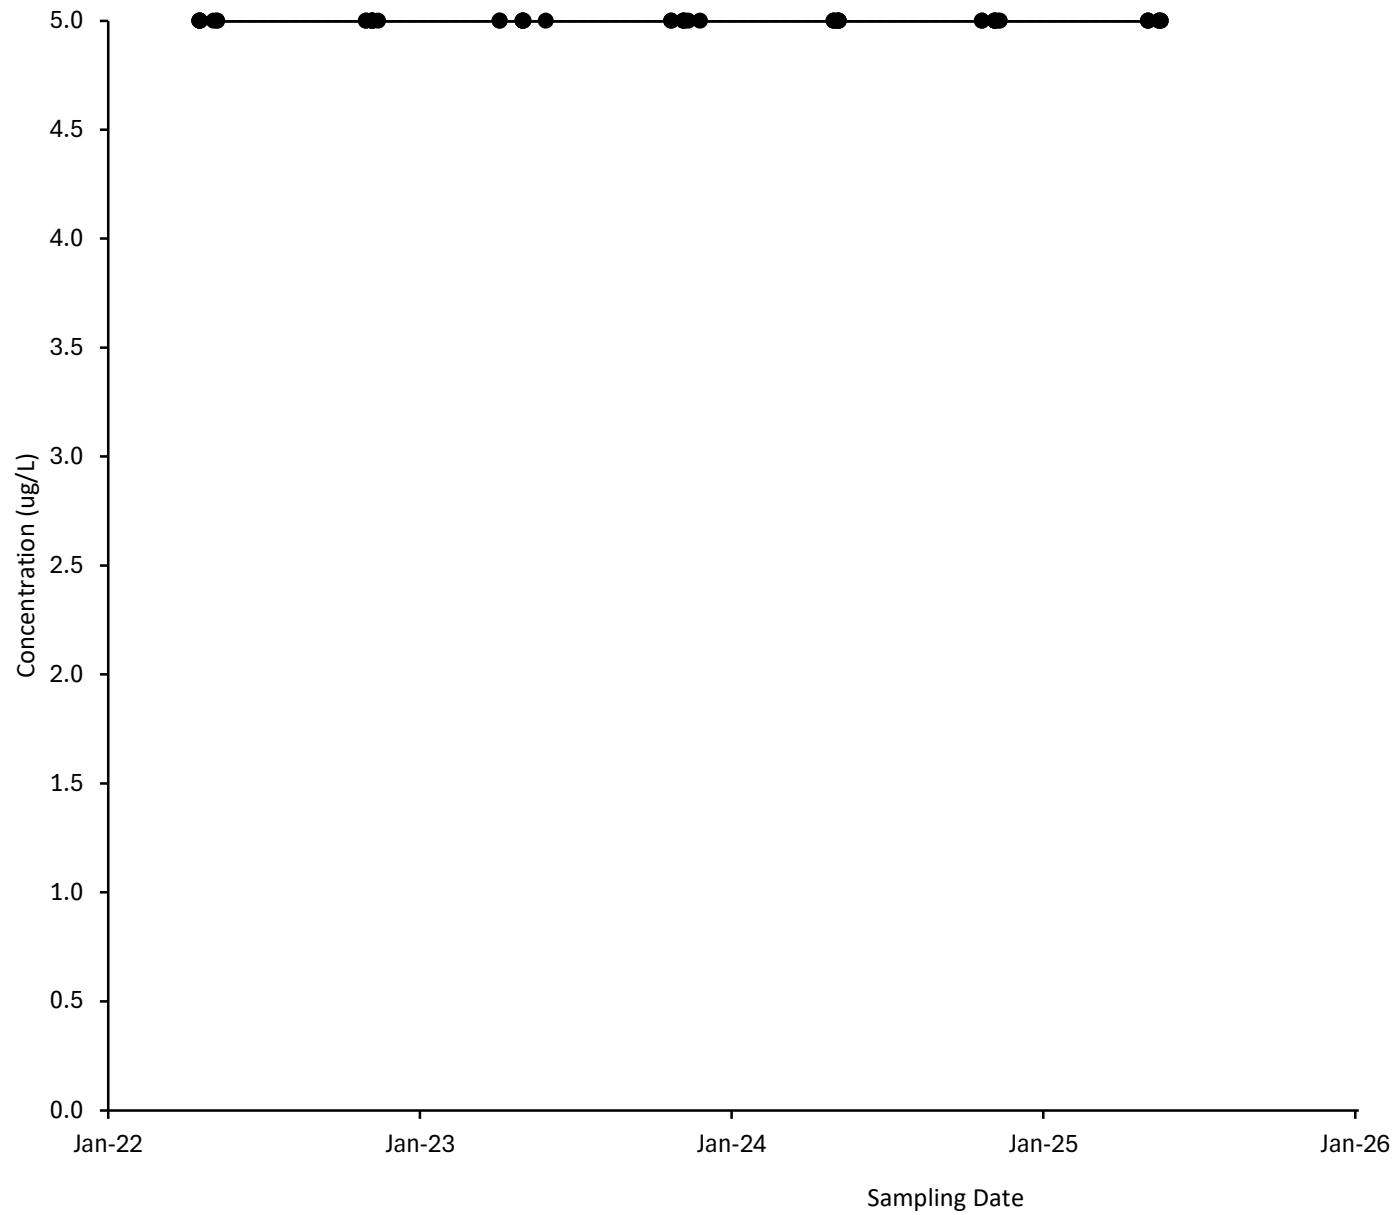

Note: Non-detects are marked with a filled circle.

Phenols, Total in Select Wells
Zion Landfill

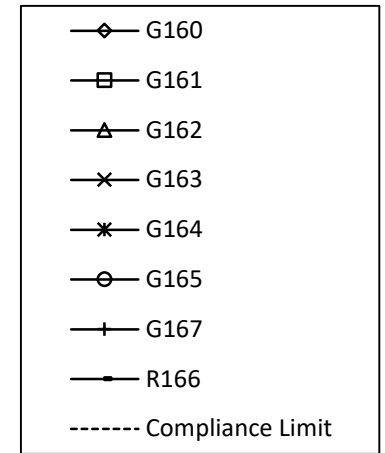

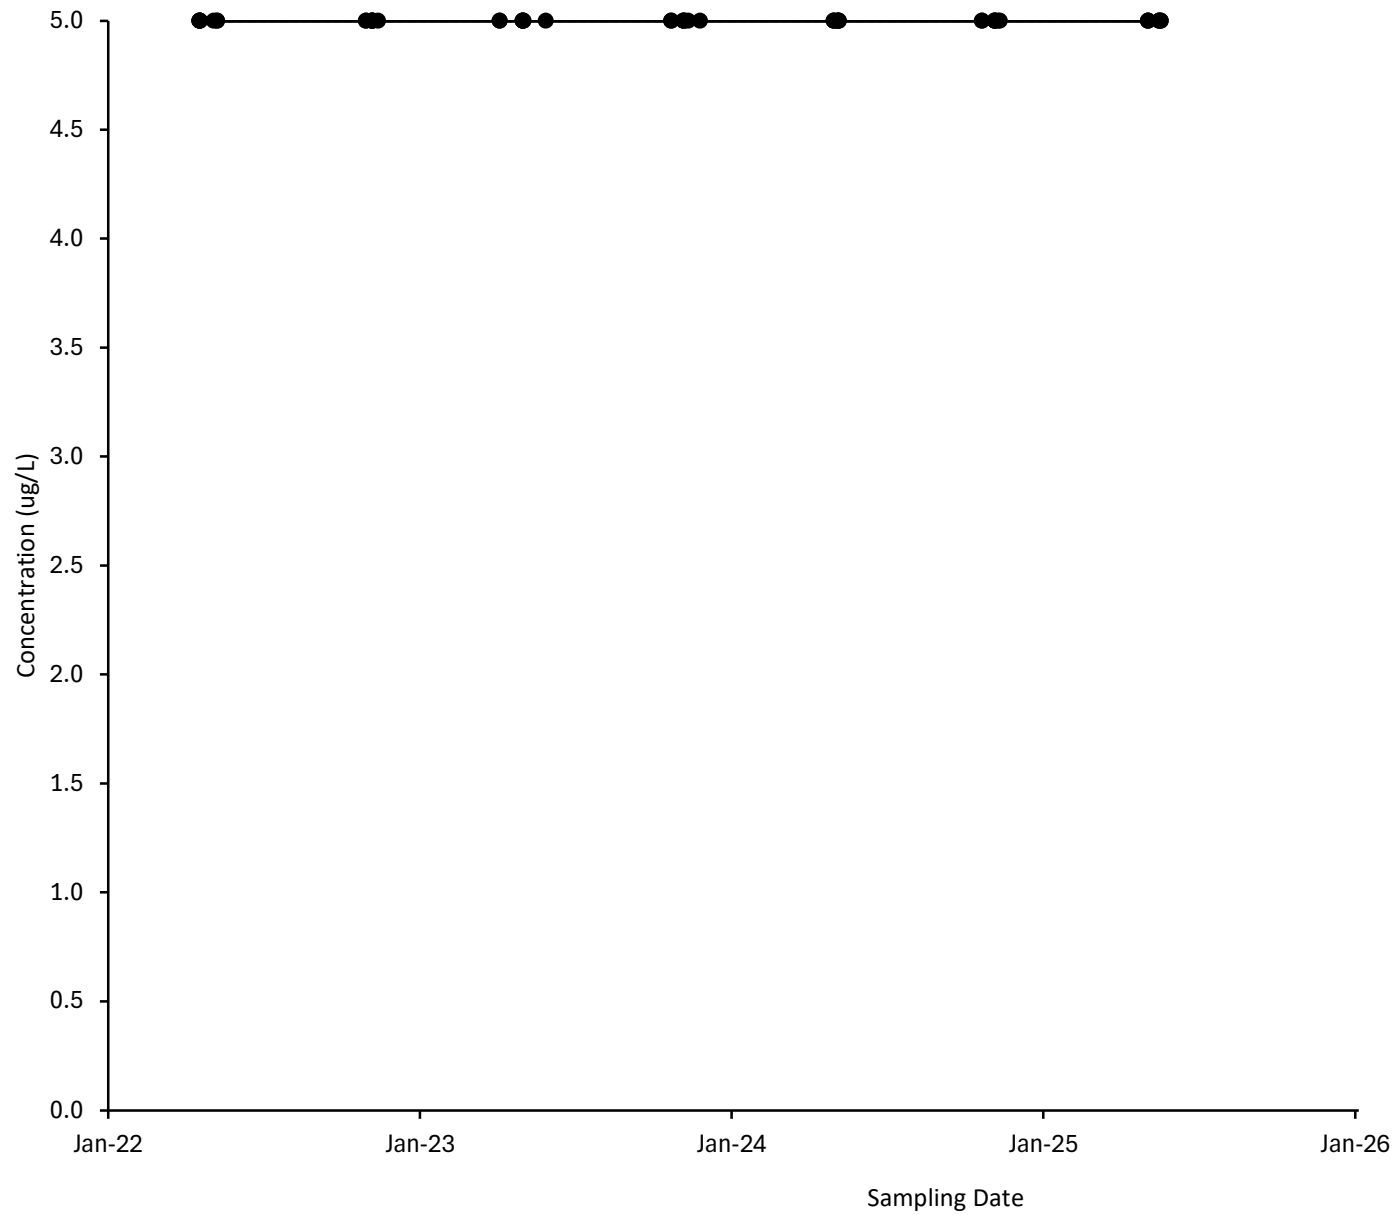

p-Isopropyltoluene in Select Wells
Zion Landfill

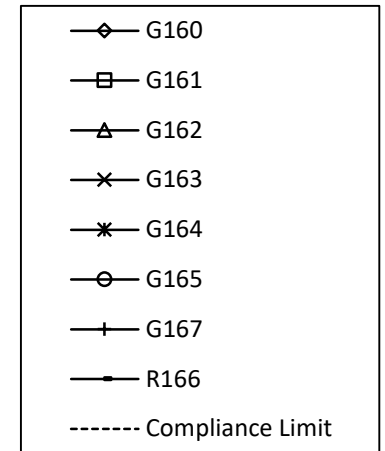

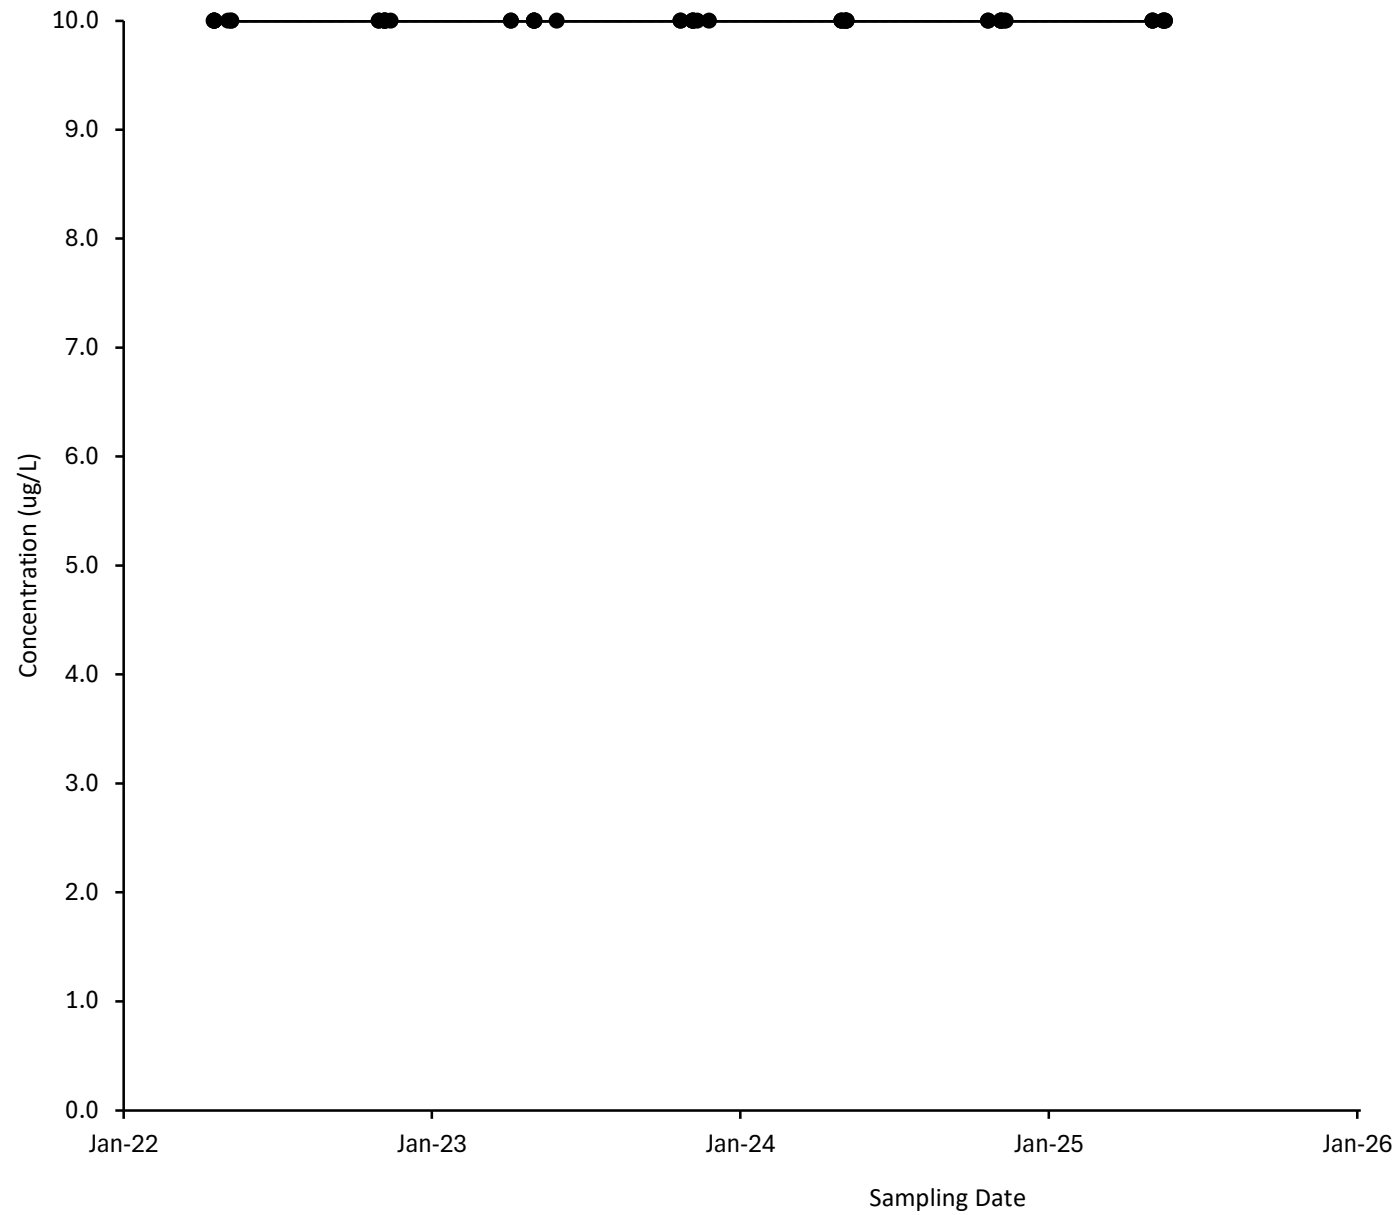

Note: Non-detects are marked with a filled circle.

sec-Butylbenzene in Select Wells Zion Landfill

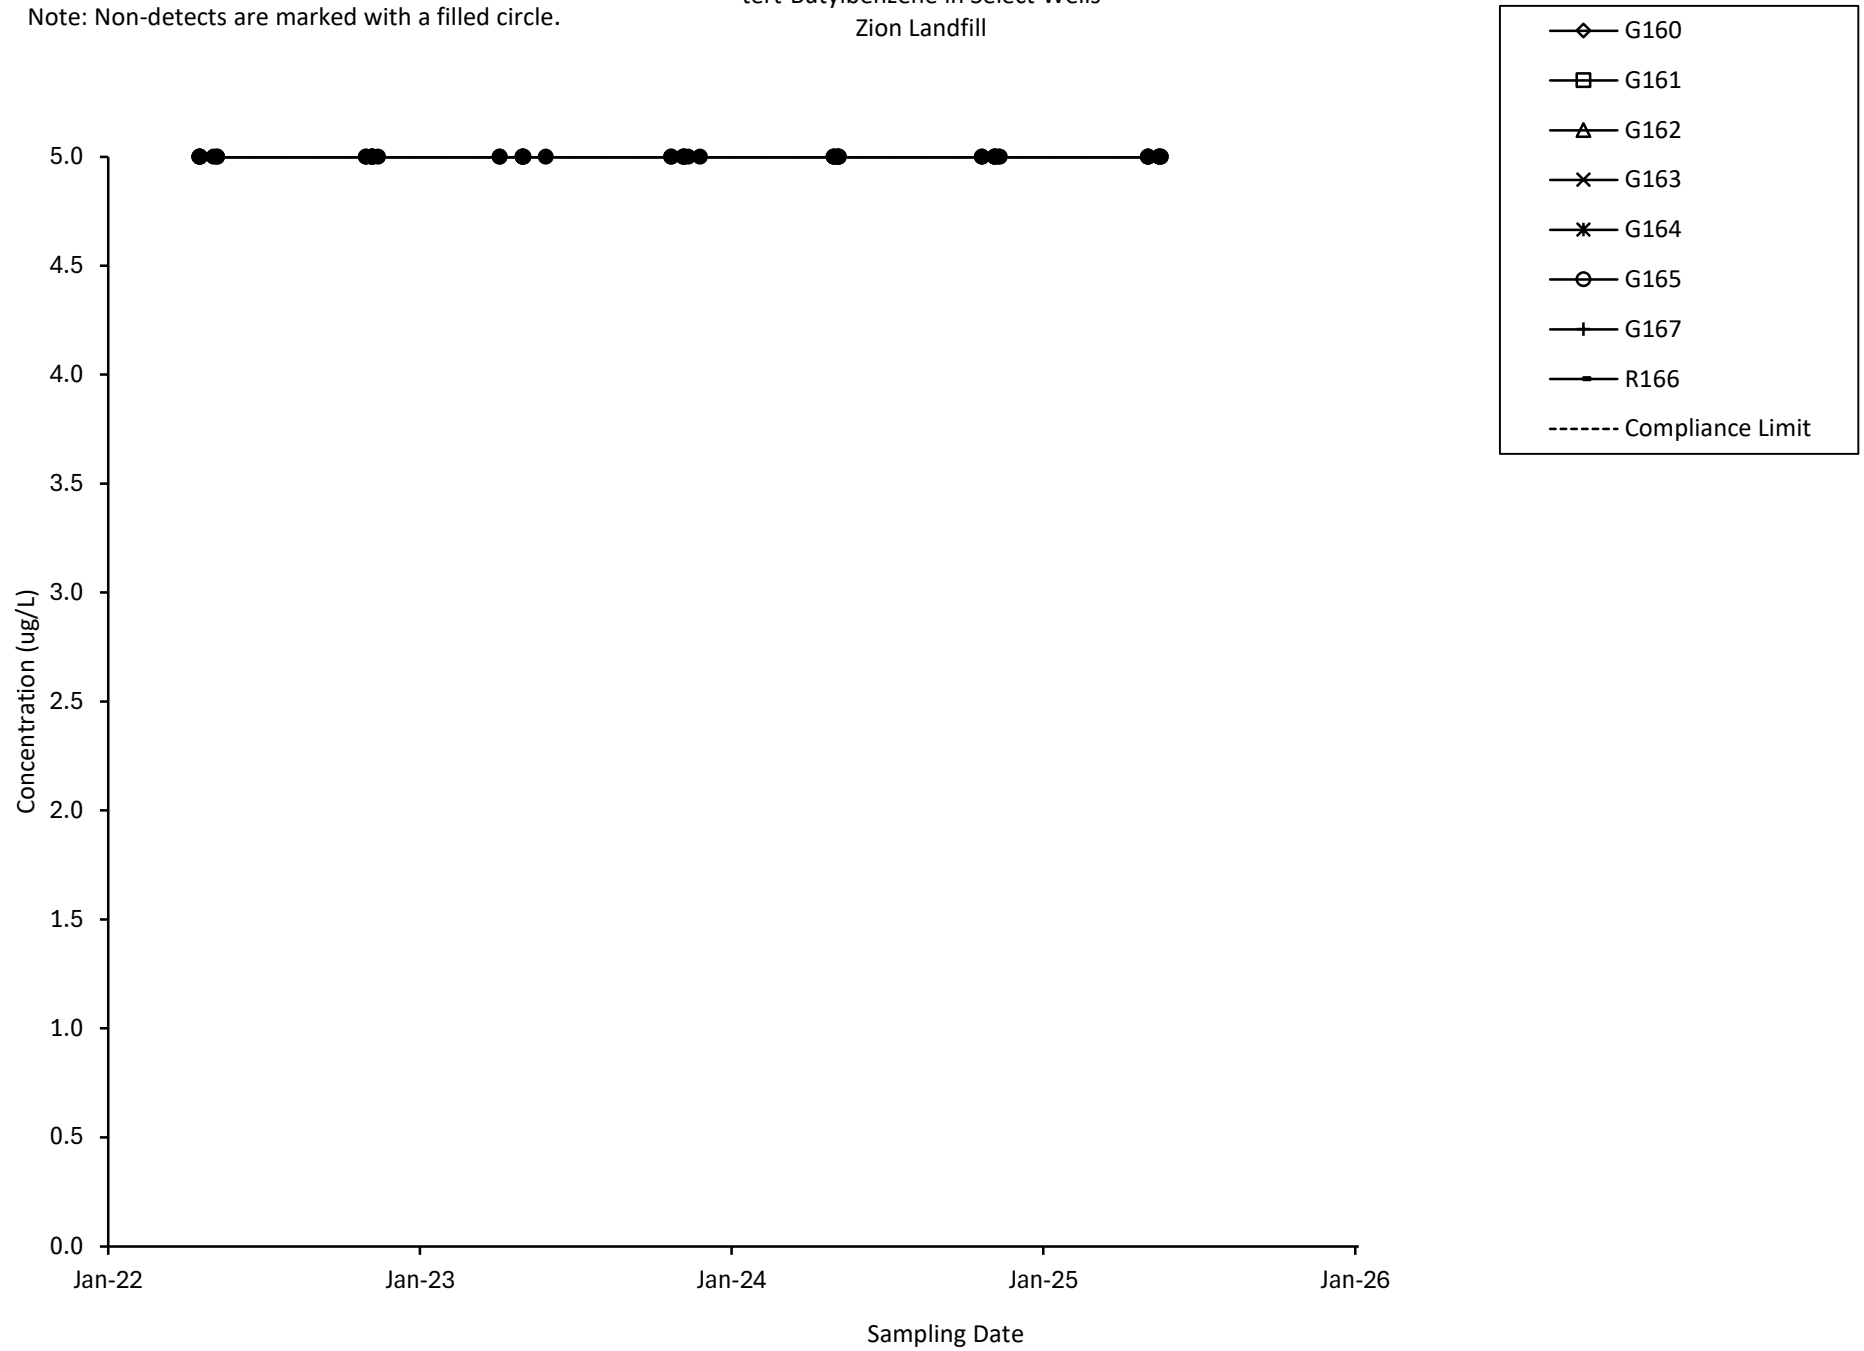

Note: Non-detects are marked with a filled circle.

Styrene in Select Wells Zion Landfill

Note: Non-detects are marked with a filled circle.

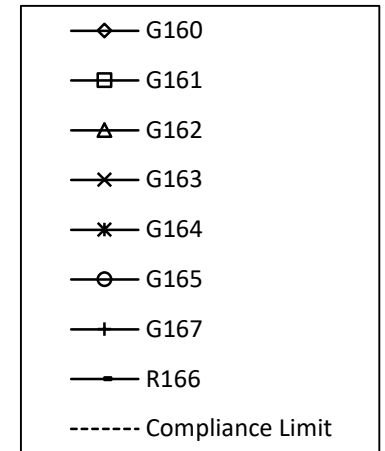

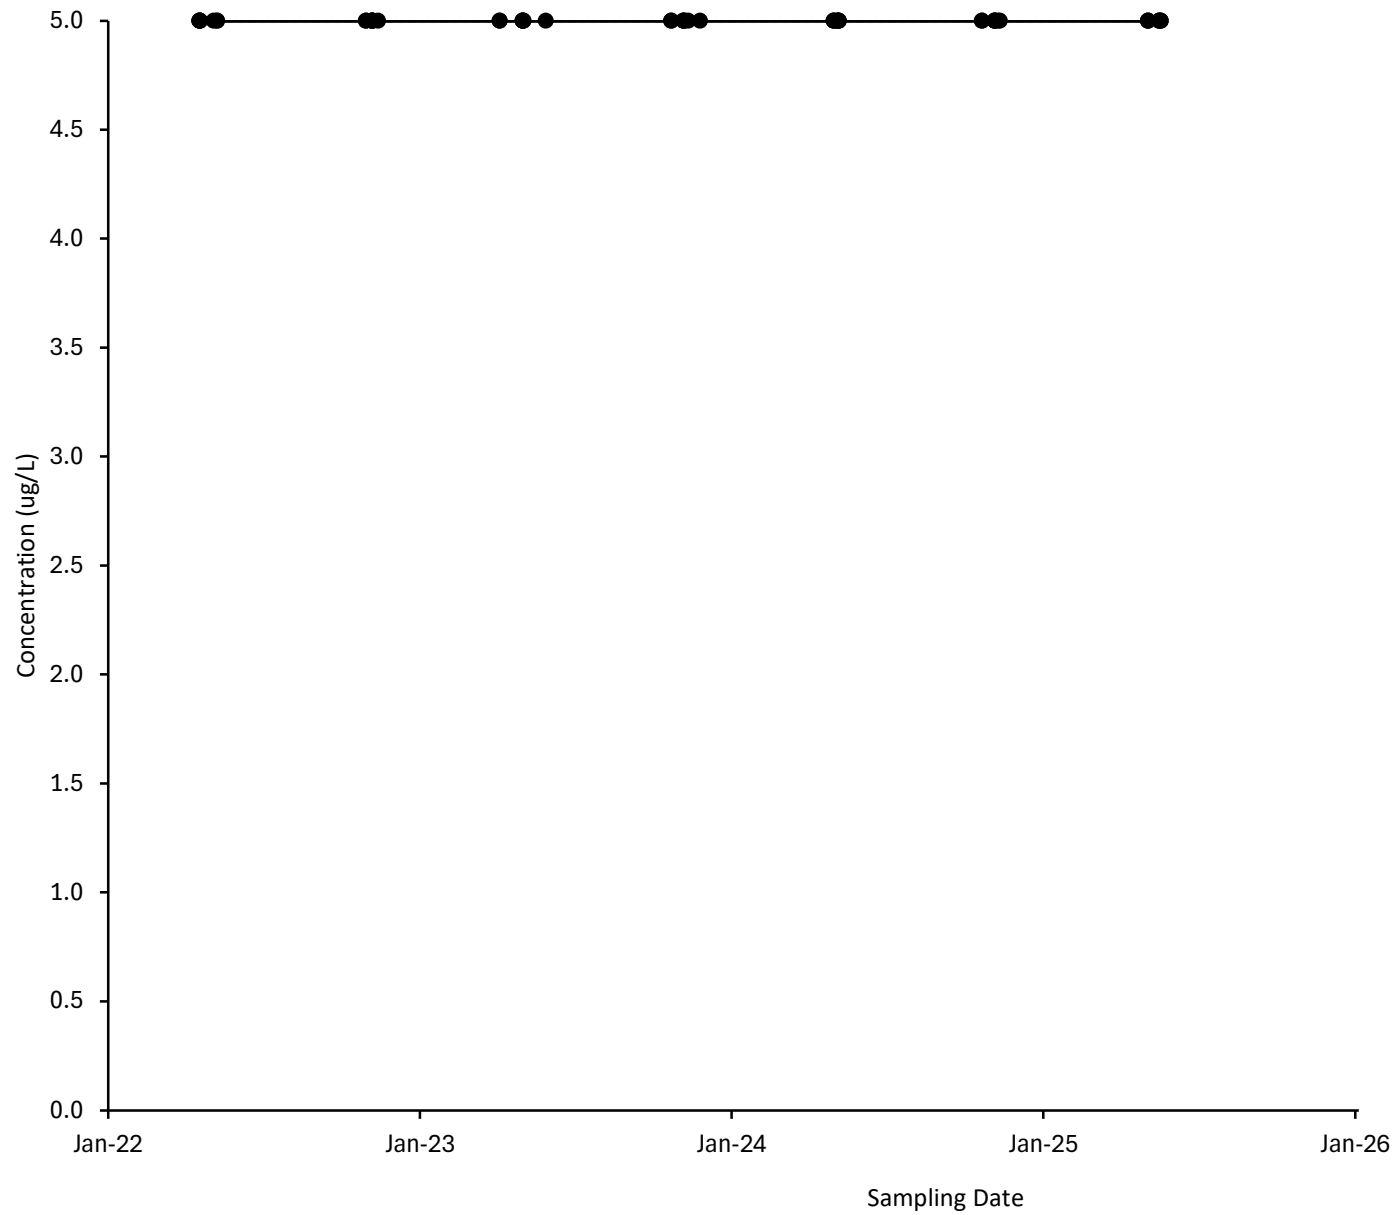

tert-Butylbenzene in Select Wells Zion Landfill

Note: Non-detects are marked with a filled circle.

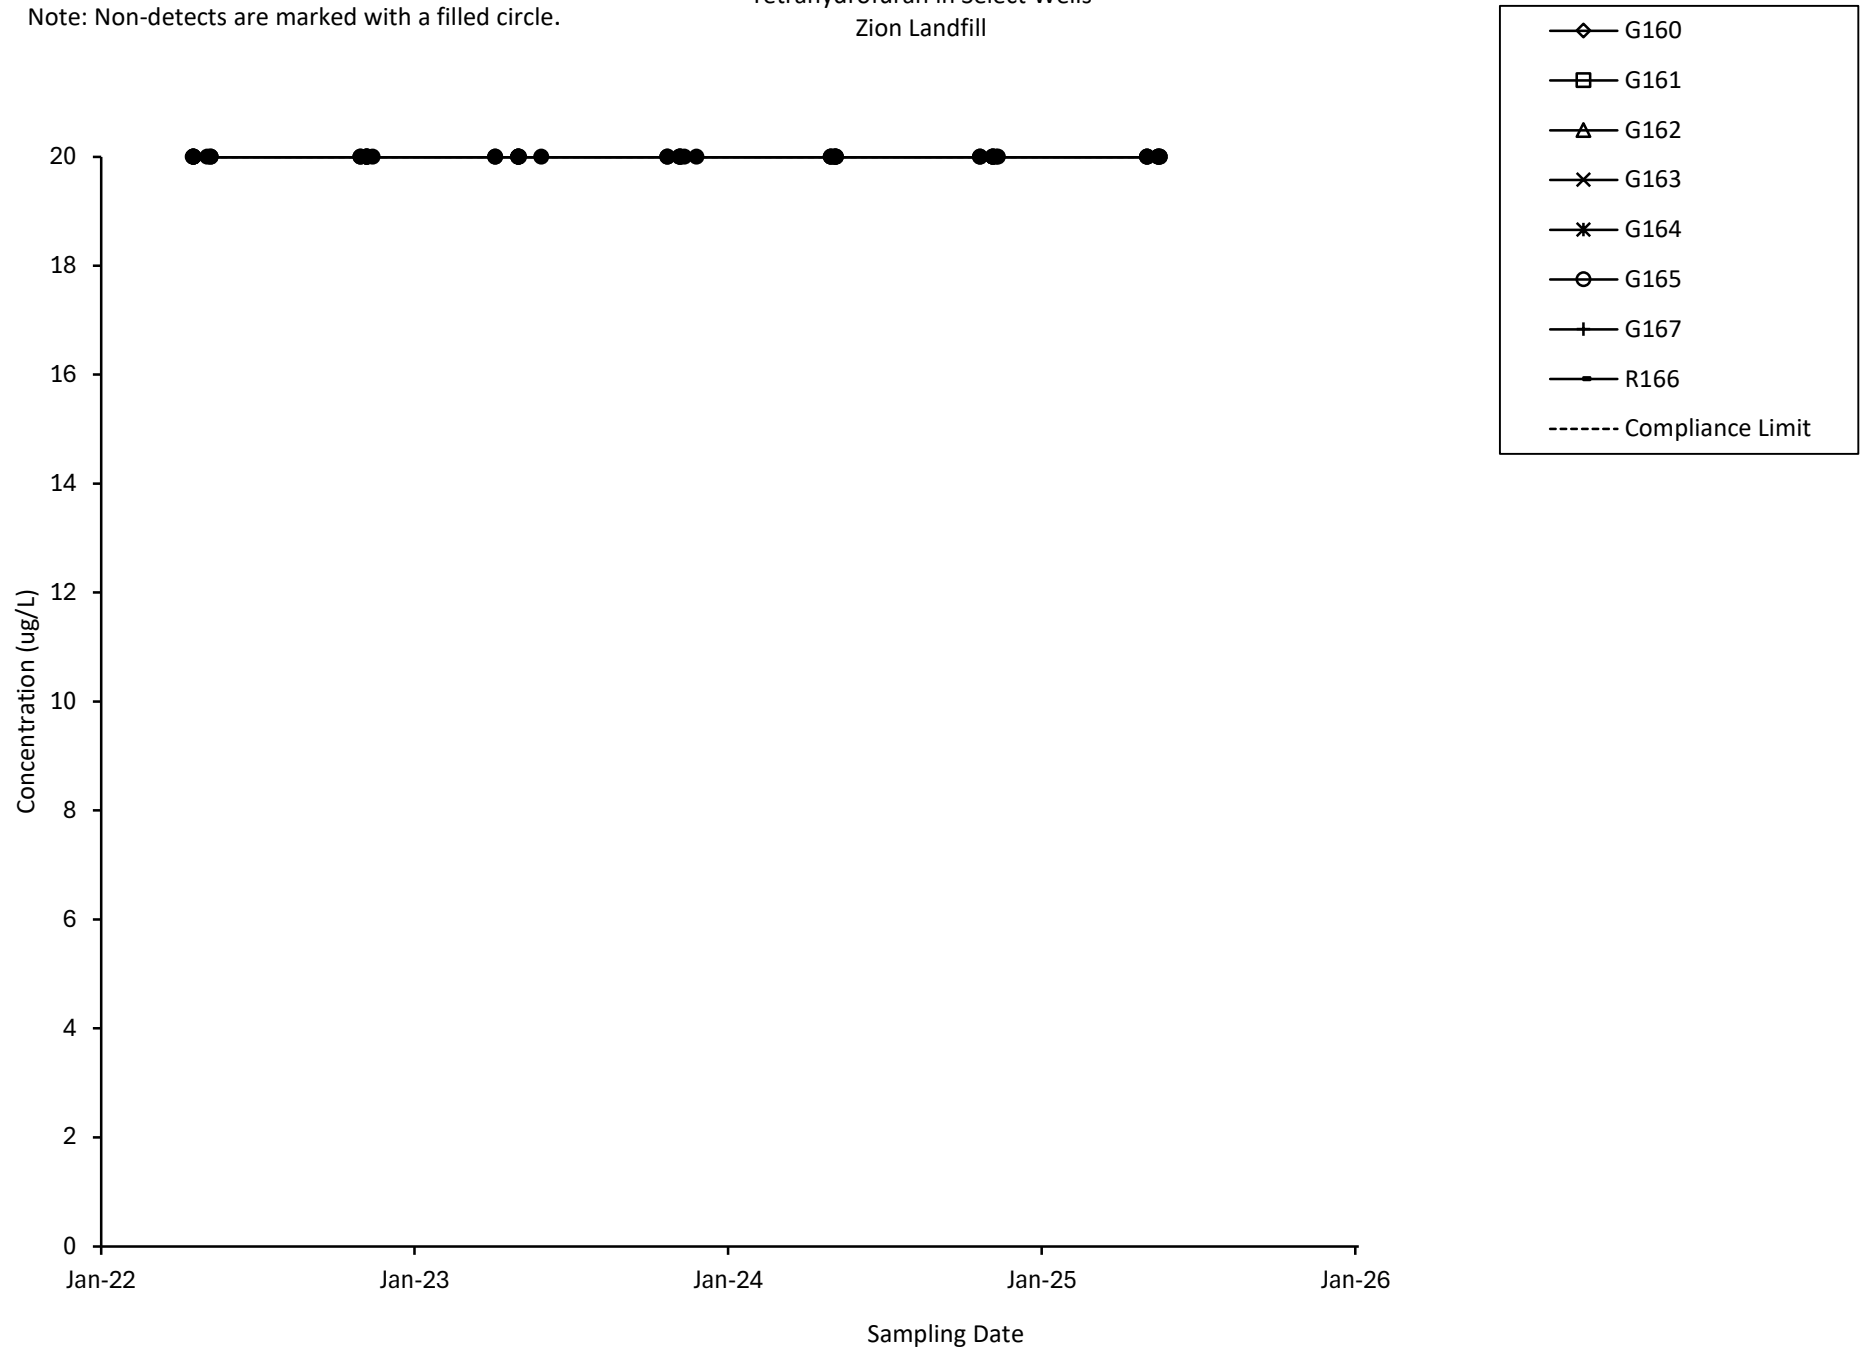

Tetrachloroethene in Select Wells

Zion Landfill

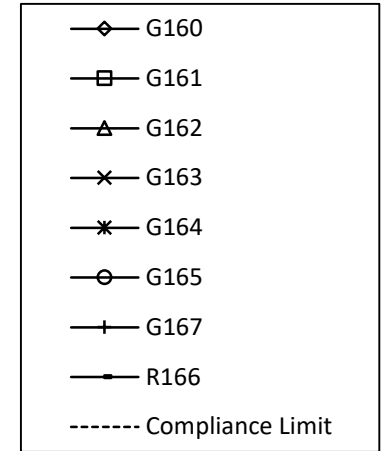

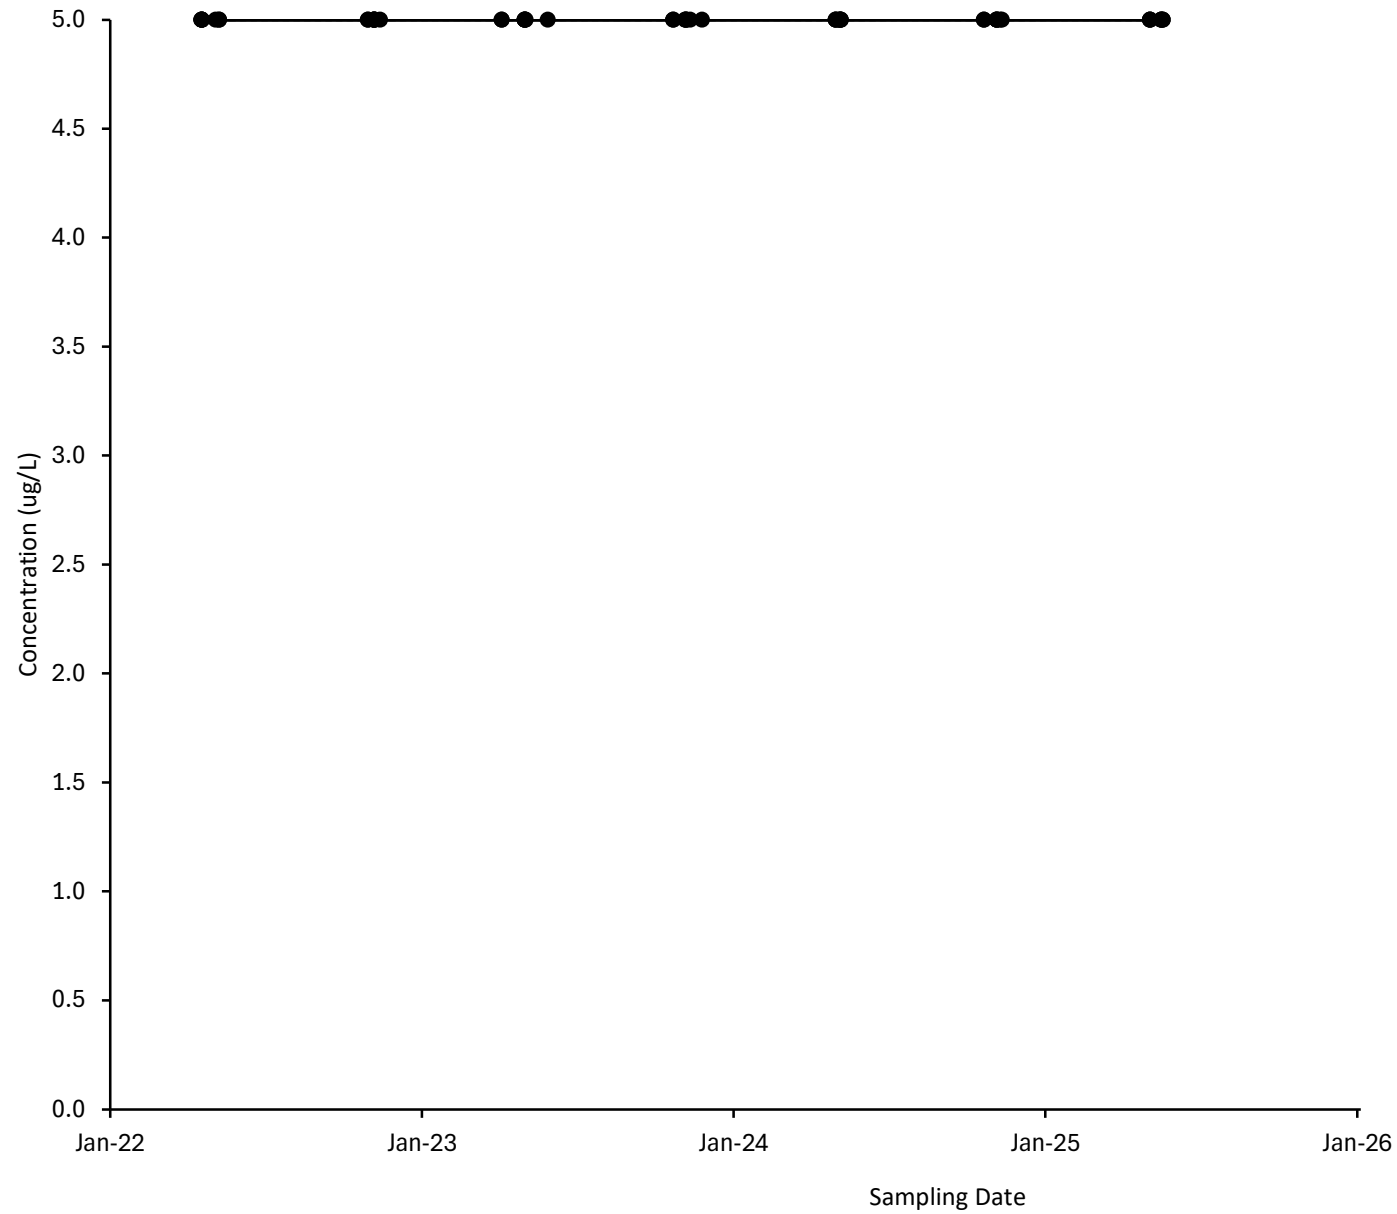

Note: Non-detects are marked with a filled circle.

Tetrahydrofuran in Select Wells Zion Landfill

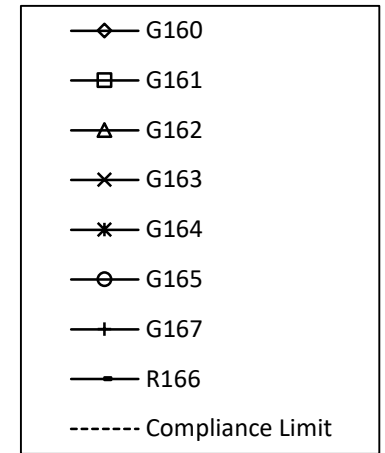

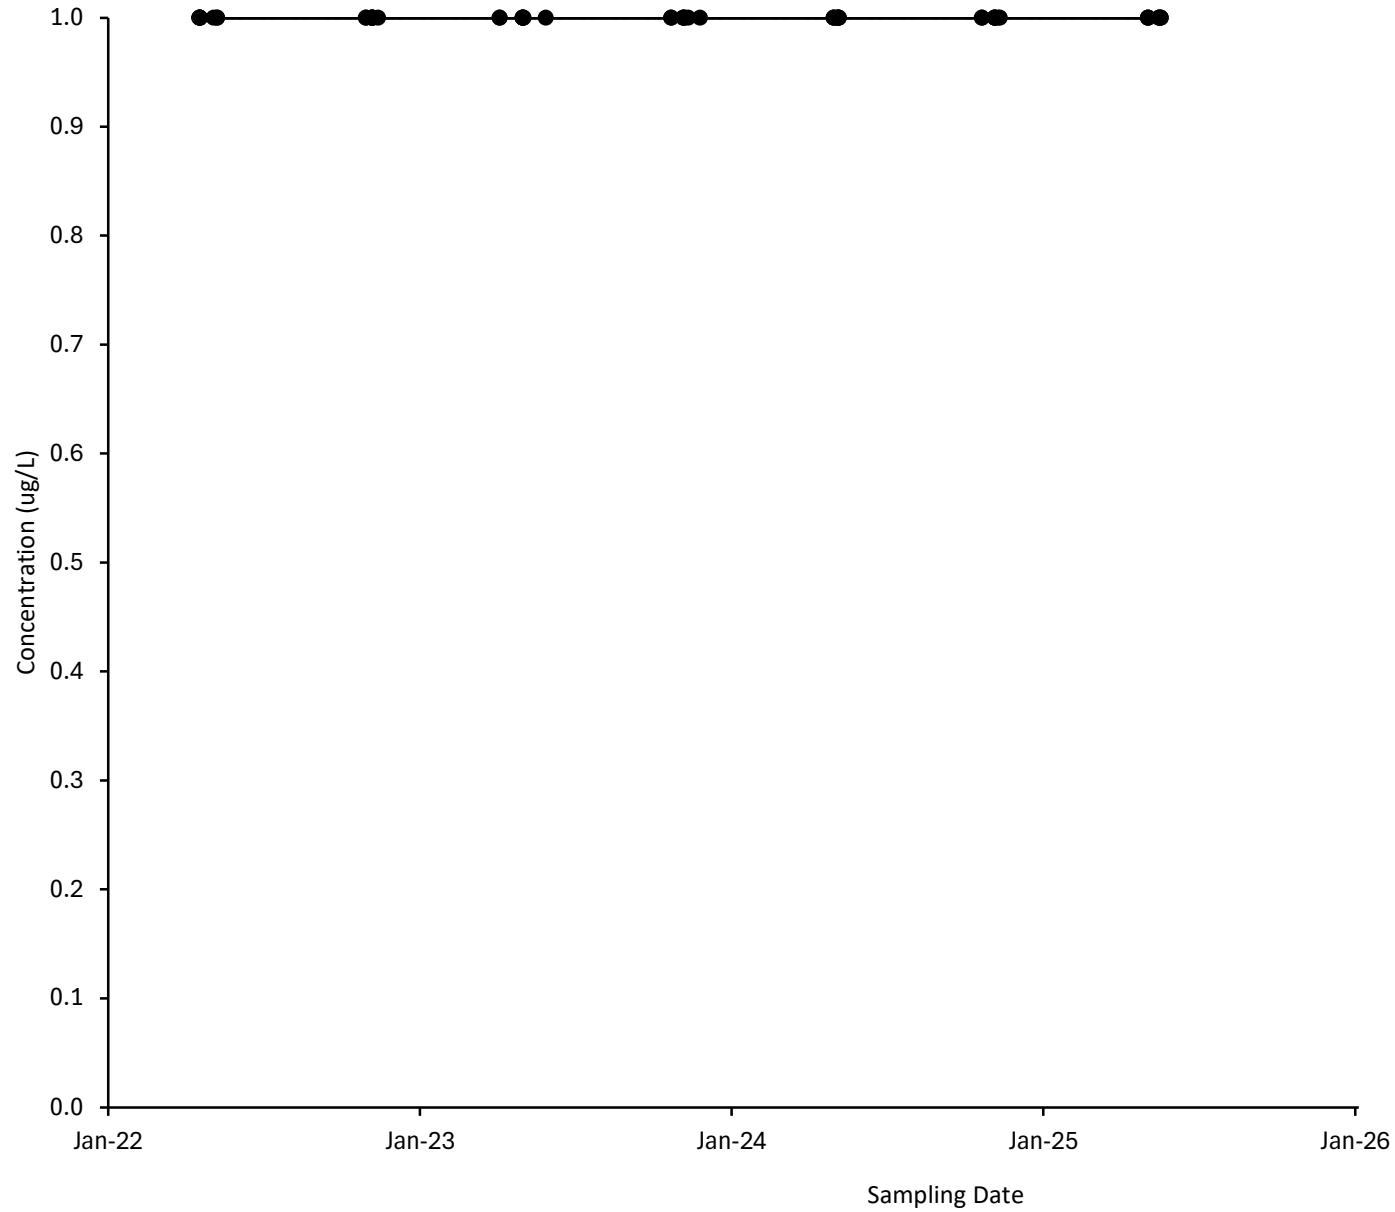

Note: Non-detects are marked with a filled circle.

Toluene in Select Wells
Zion Landfill

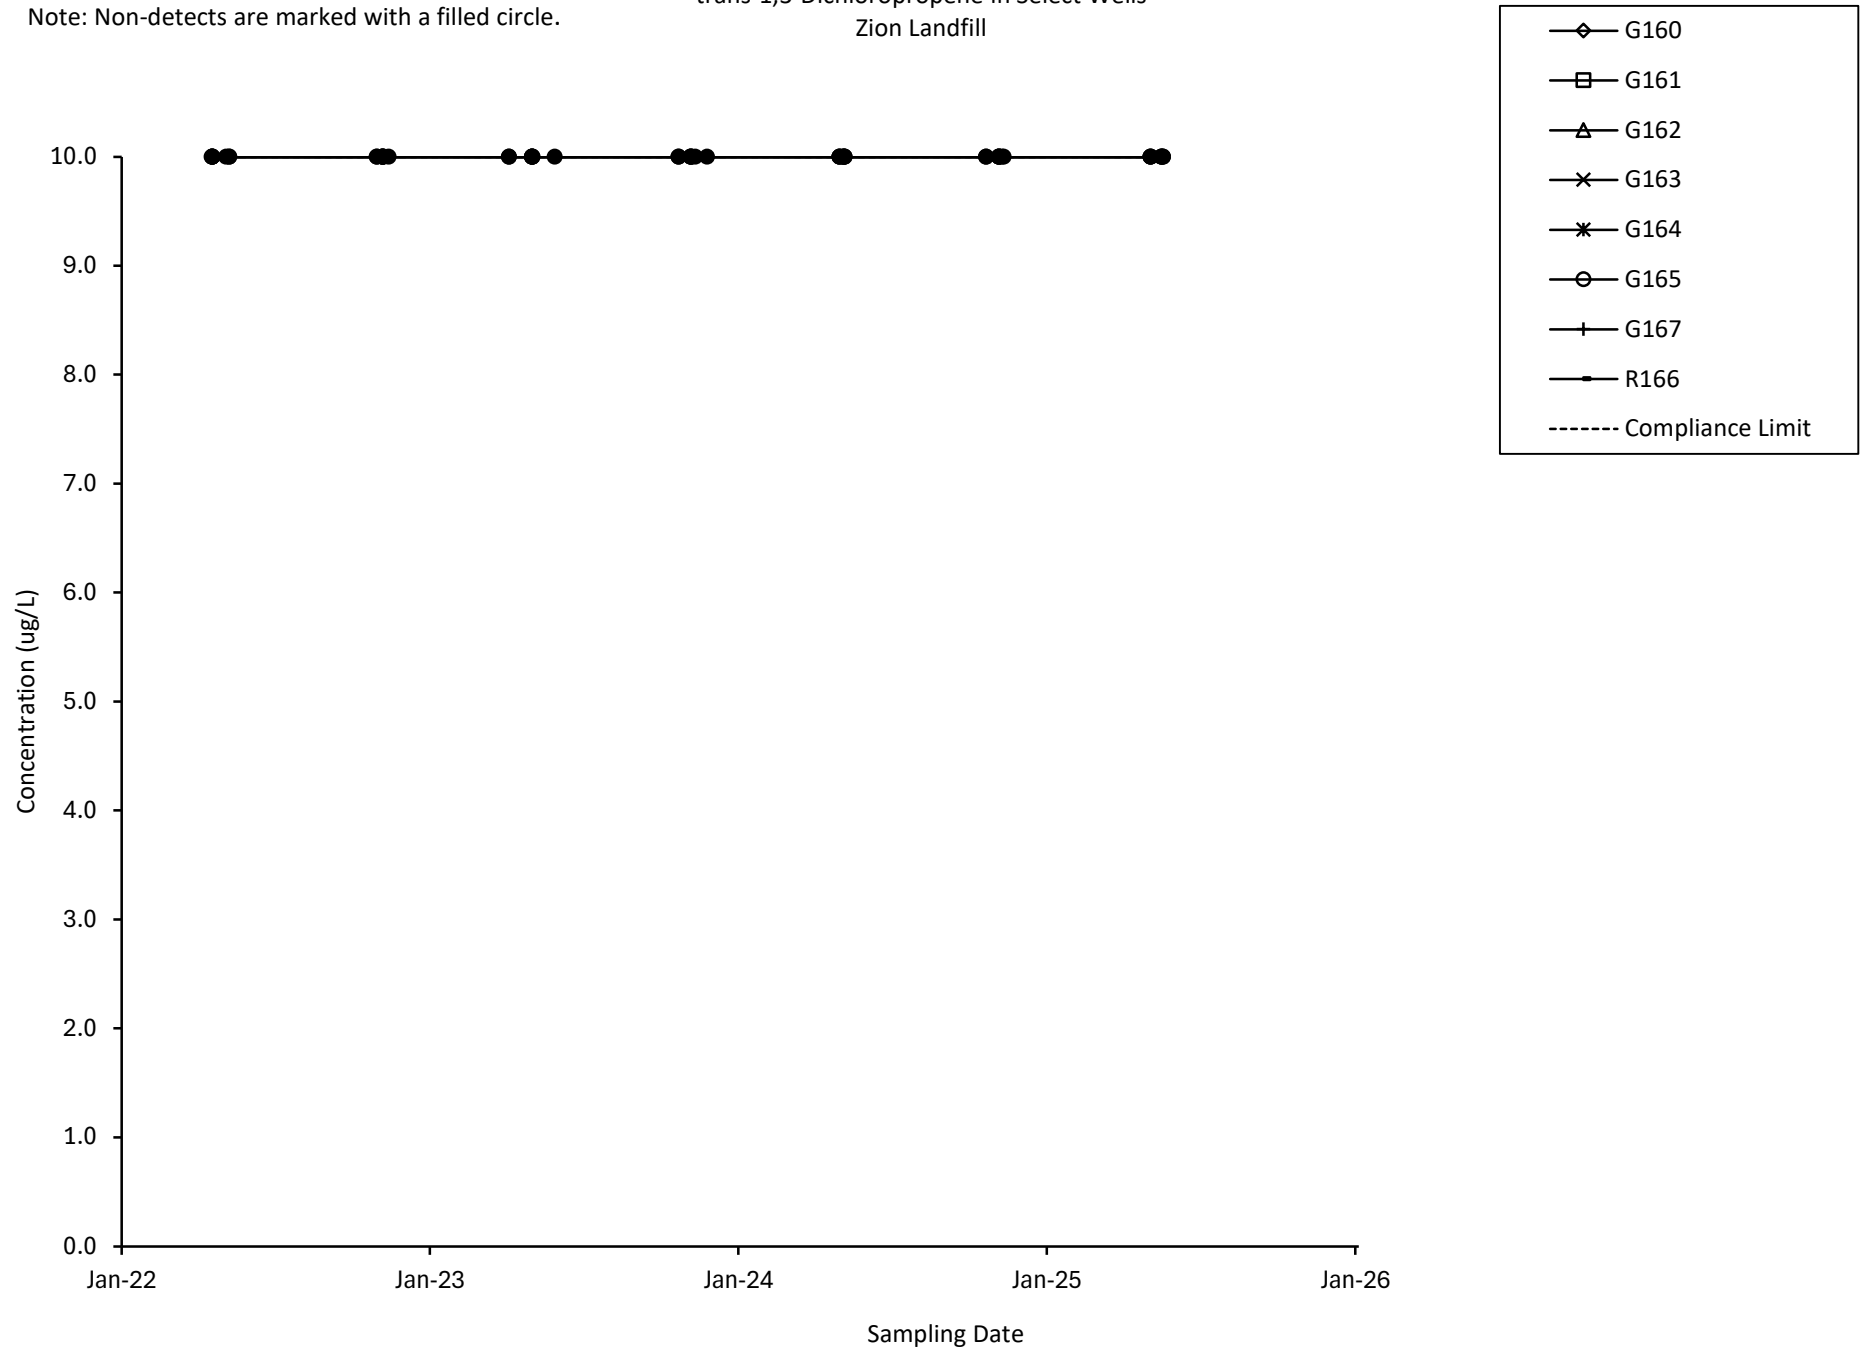

Note: Non-detects are marked with a filled circle.

trans-1,2-Dichloroethene in Select Wells Zion Landfill

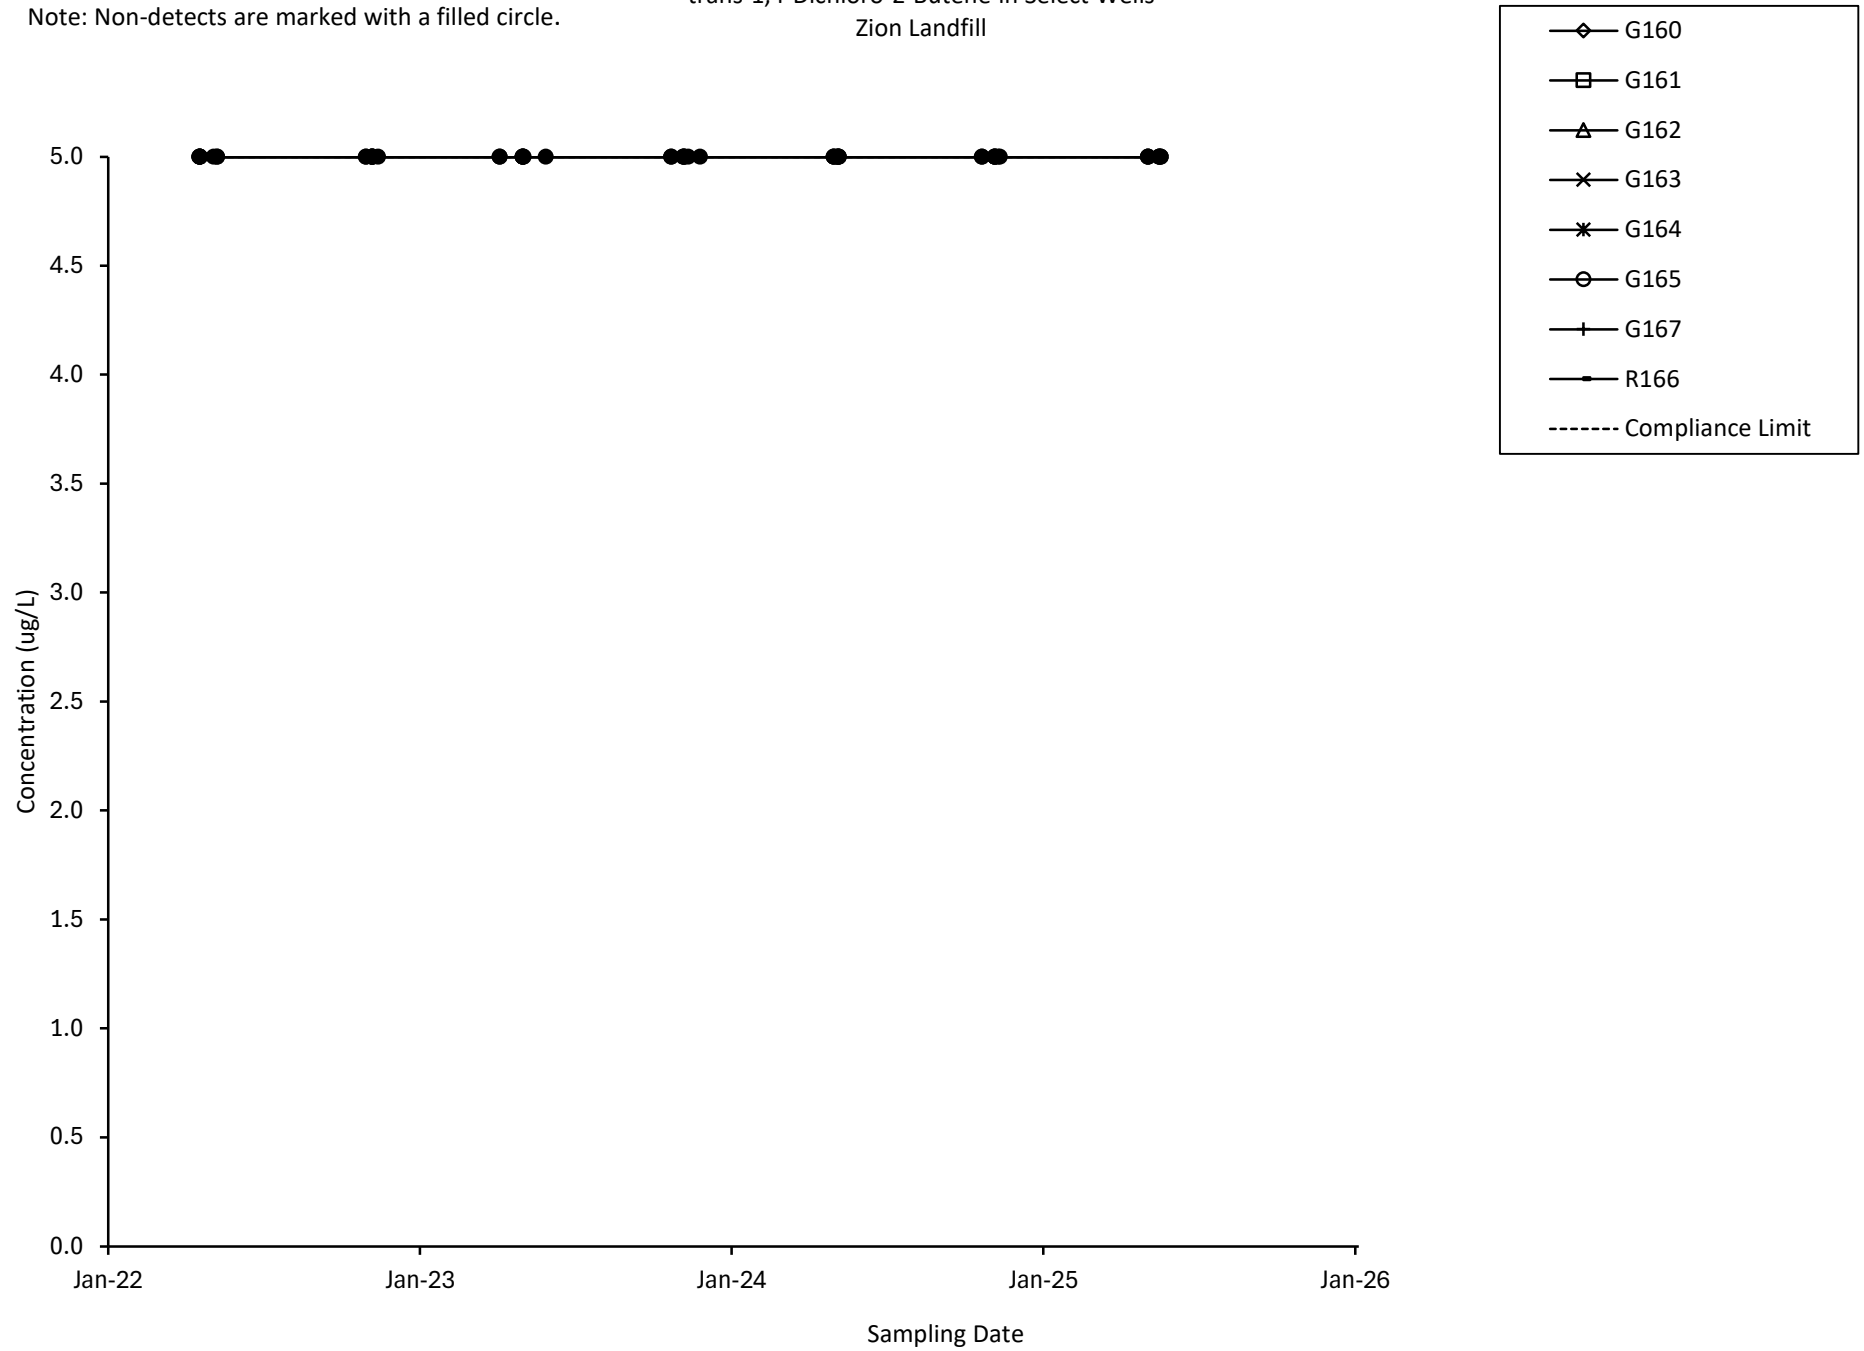

Note: Non-detects are marked with a filled circle.

trans-1,3-Dichloropropene in Select Wells Zion Landfill

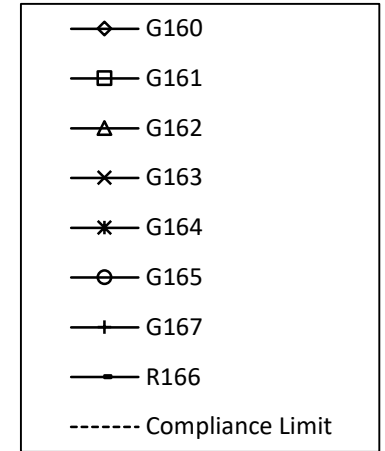

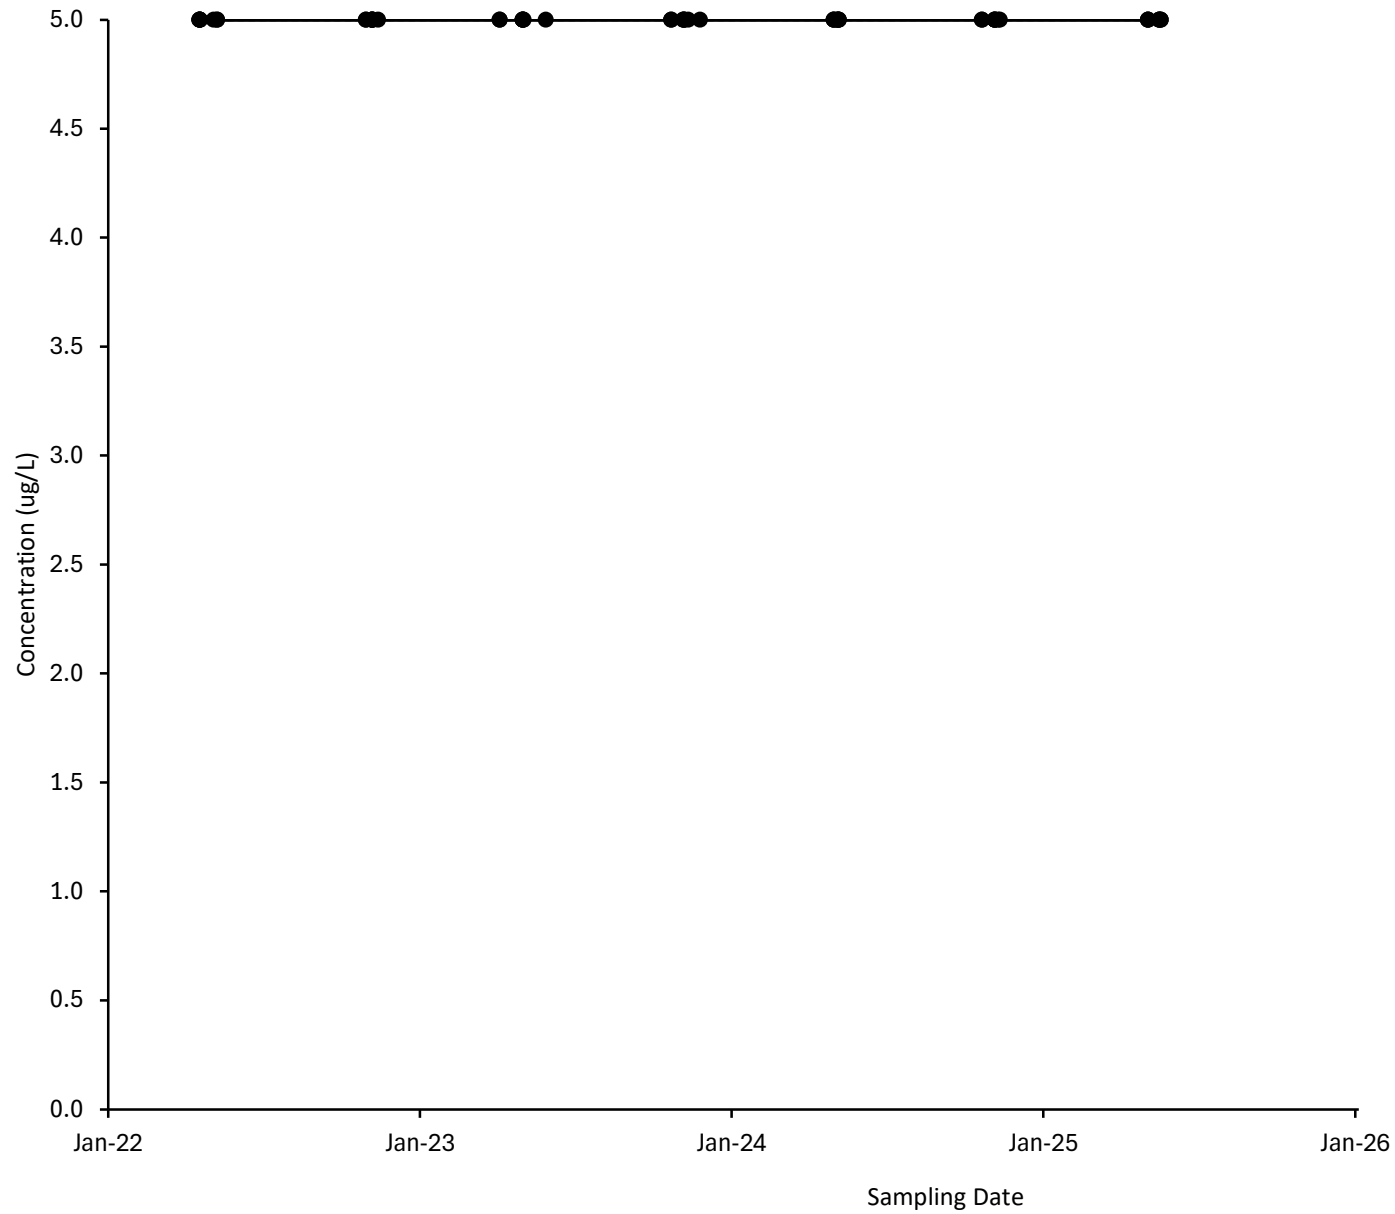

Note: Non-detects are marked with a filled circle.

trans-1,4-Dichloro-2-Butene in Select Wells Zion Landfill

Note: Non-detects are marked with a filled circle.

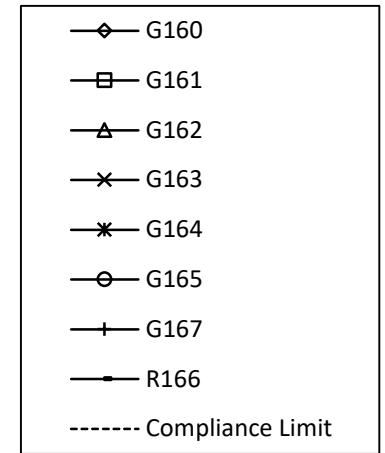

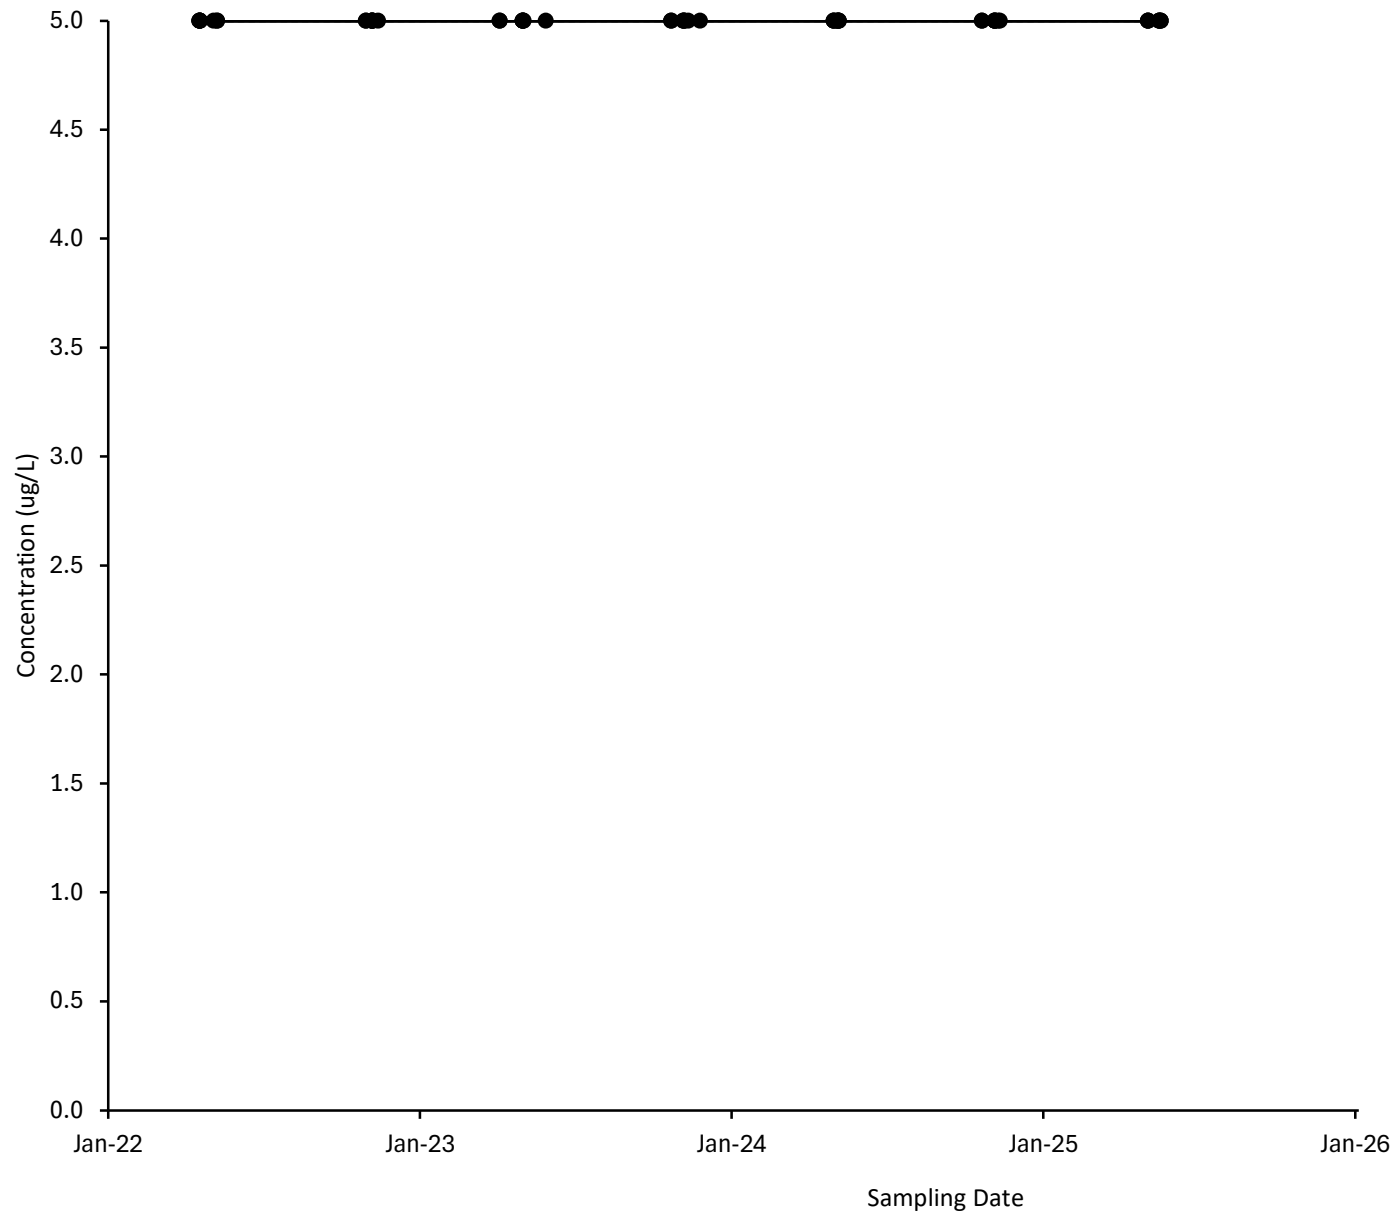

Trichloroethene in Select Wells Zion Landfill

Note: Non-detects are marked with a filled circle.

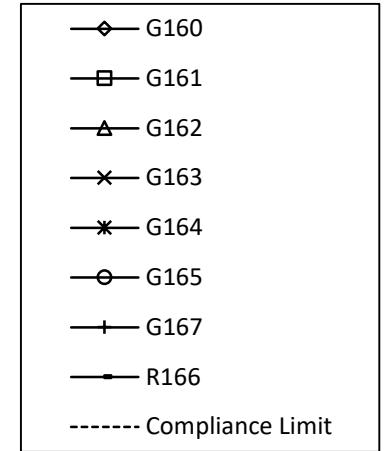

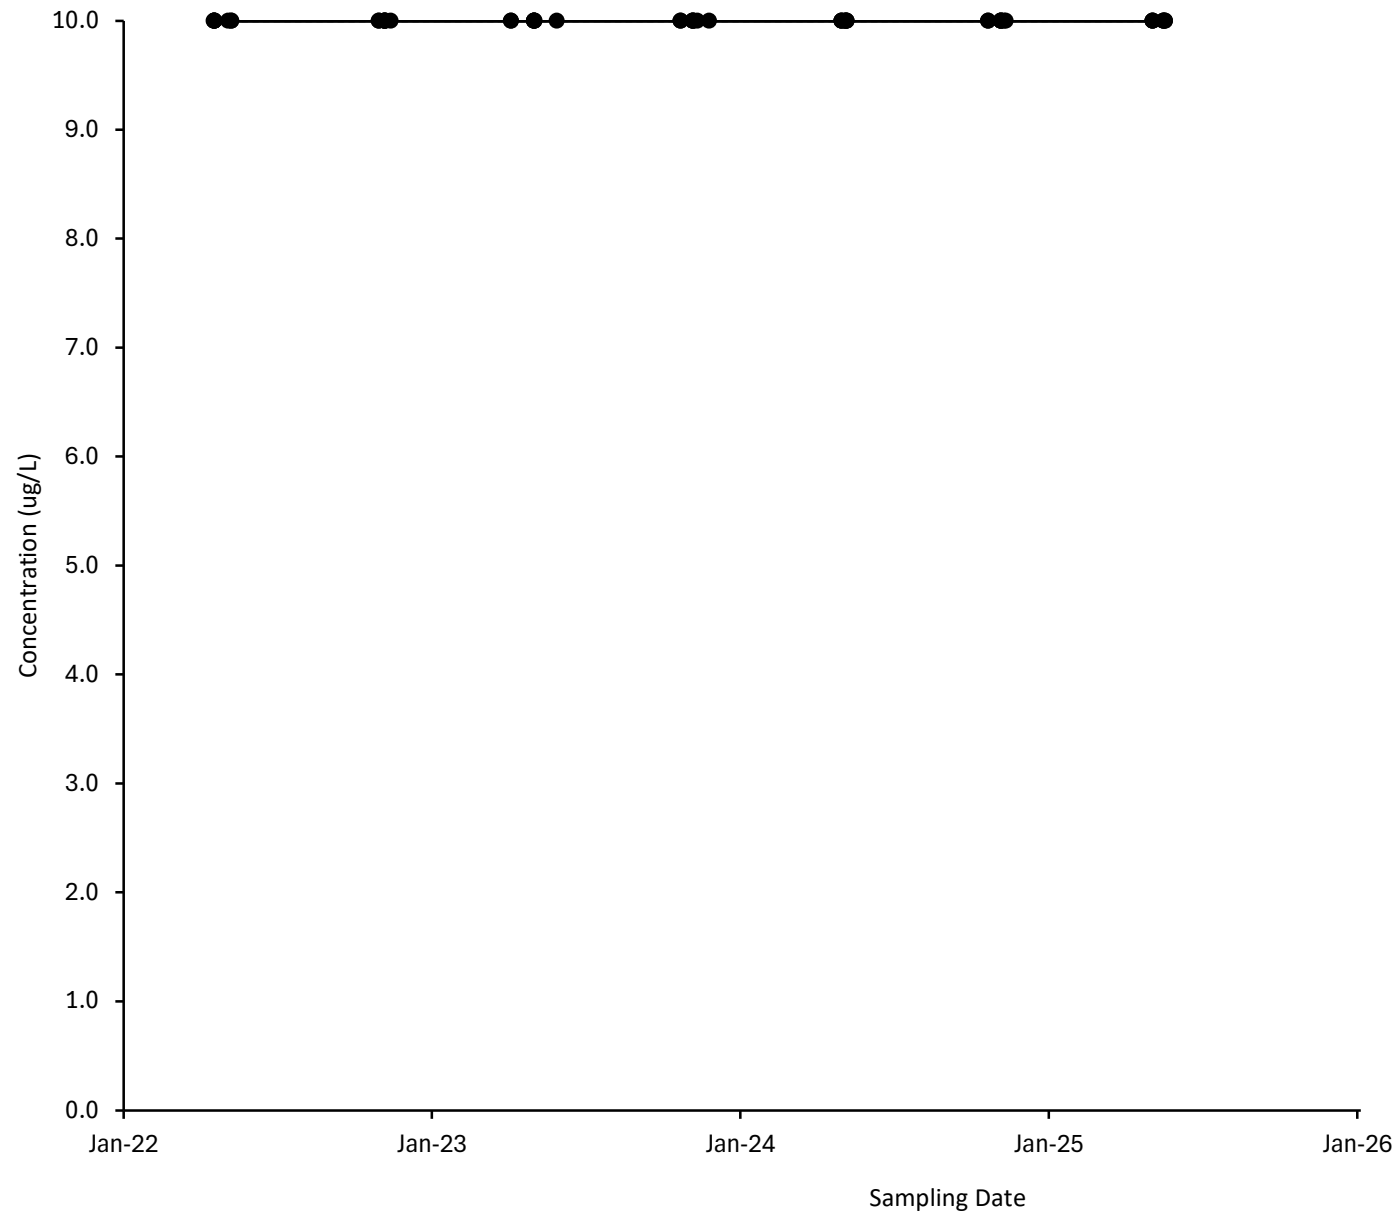

Trichlorofluoromethane in Select Wells

Zion Landfill

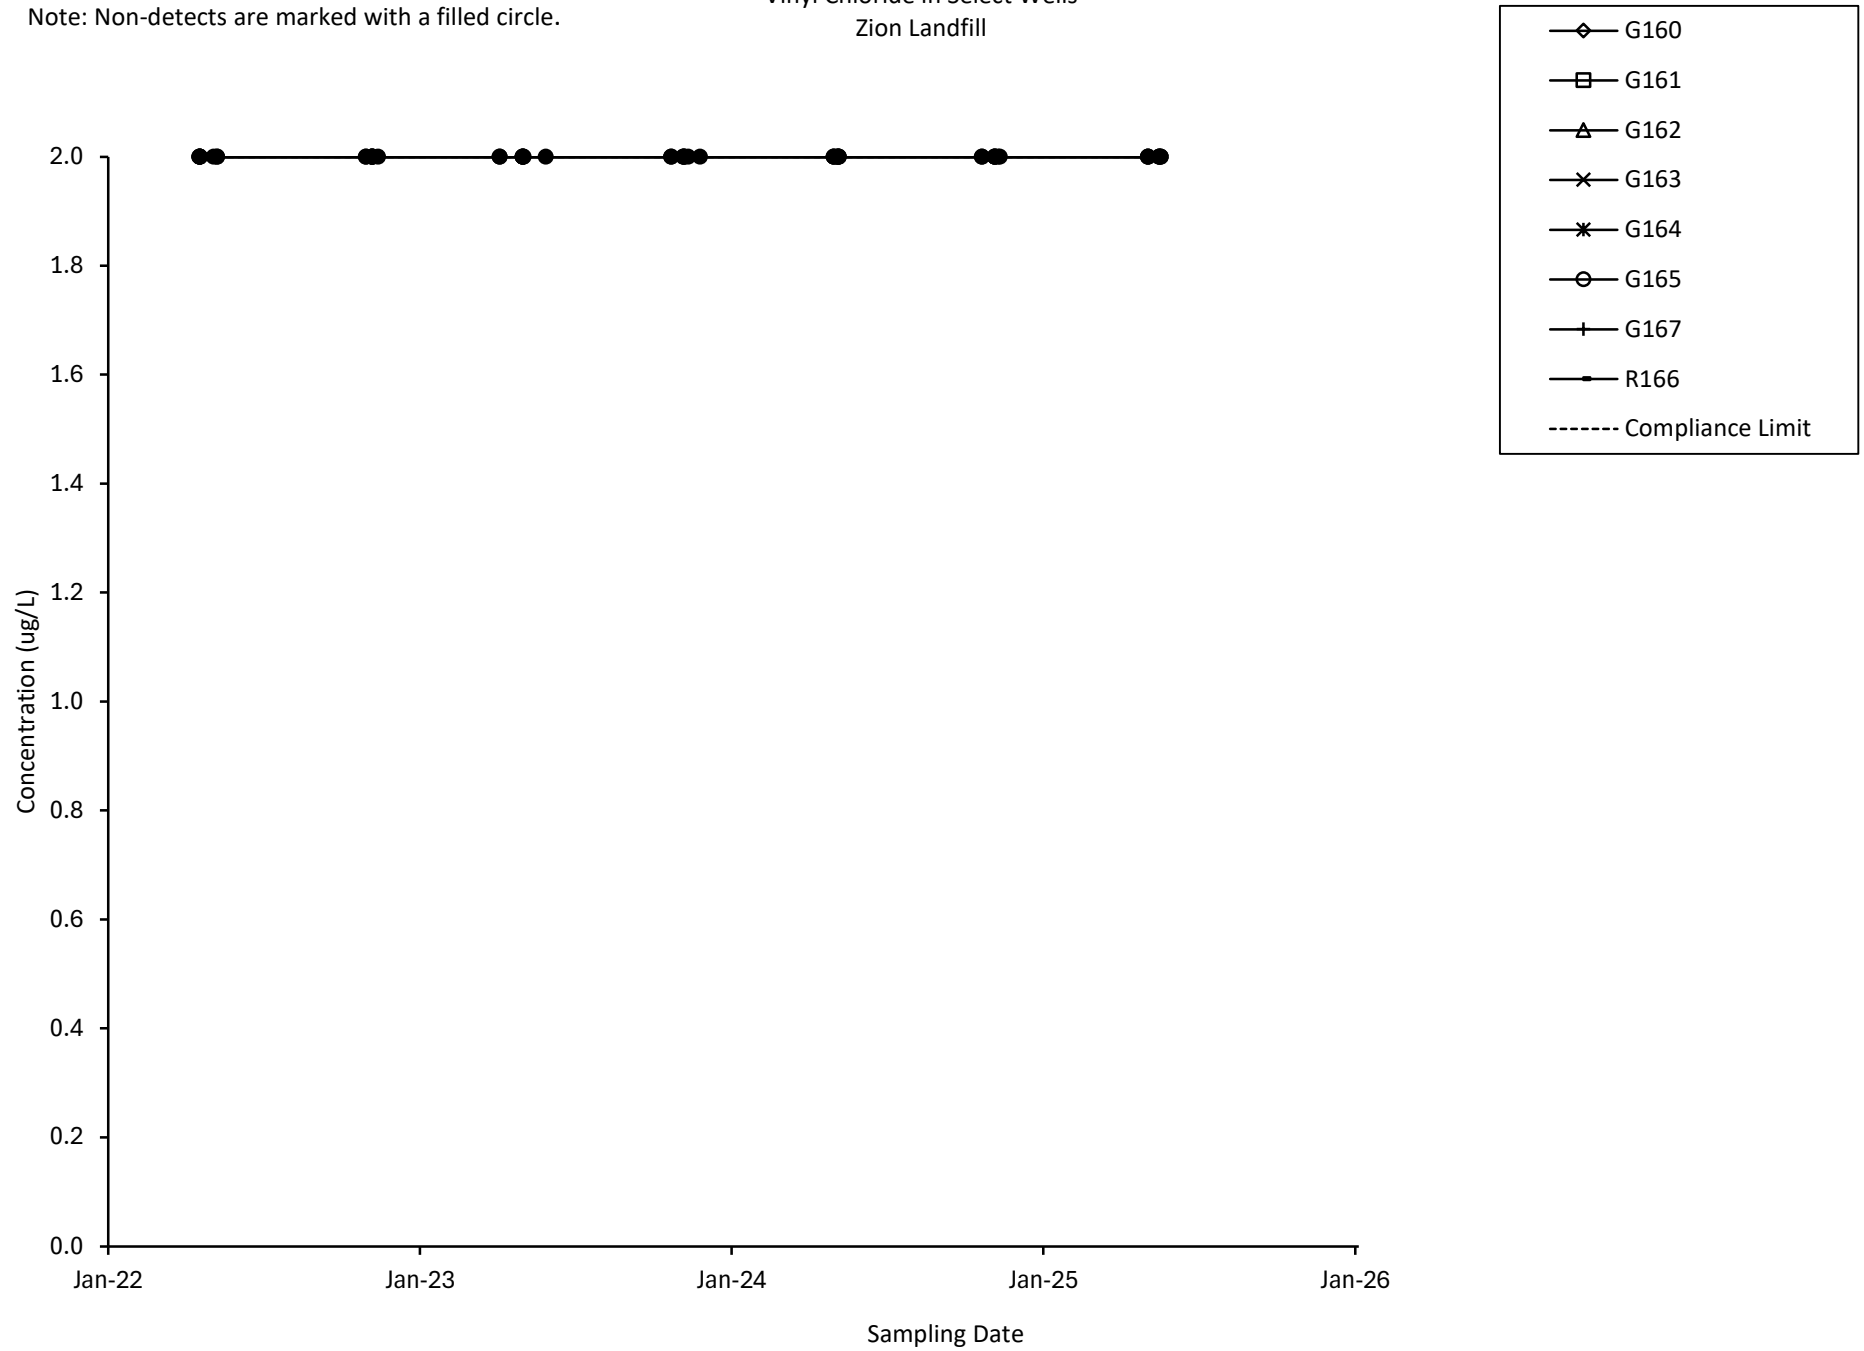

Note: Non-detects are marked with a filled circle.

Vinyl Acetate in Select Wells Zion Landfill

Note: Non-detects are marked with a filled circle.

Vinyl Chloride in Select Wells Zion Landfill

Note: Non-detects are marked with a filled circle.

Xylenes, Total in Select Wells
Zion Landfill
